RECIPES

This interesting recipe for a most inviting dessert should be useful in any household. The modern caffeine-free coffee used in the recipe is real coffee, made from the finest coffee beans and so carefully packed and blended, that flavor and aroma are perfect.

Kaffee Mousse
 1/2 tablespoon gelatine
 3 tablespoons hot water
 1/2 cup sugar
 1 teaspoon vanilla
 1 pt. whipping cream
 2 tablespoons cold water
 1 cup Kaffee-Hag coffee (boiled, percolated or drip)

Soak gelatine in cold water; dissolve in hot water. Add coffee and sugar. Cool. When mixture begins to thicken, fold in whipped cream and vanilla.

Pack in compartment of automatic refrigerator and freeze until firm. Or, put in a mold, cover with waxed paper and put lid on tightly. Pack in ice and salt in the proportion of 3-1. Yield: six servings.

with heavy winds. They returned by the John Day highway and over the McKenzie pass, where there was about a foot of snow, but the road was still open.
