

Oregon Webfeet to Engage Willamette Bearcats Tonight

SCENT VICTORY AFTER 5 YEARS

Reinhart's Men Have Great Advantage; W.U. Team Launches Season

Away back in January, 1929, nearly four years ago, the Willamette university Bearcats trounced the University of Oregon hoopers in two games, 44 to 32 on McArthur court at Eugene and 40 to 39 on Willamette's floor here. Since then these schools have not met in an official basketball game.

A year later they held a practice scrimmage on Willamette's floor and the Webfeet were so hopelessly outclassed that they refused to arrange a regular series of games. That was in the period when Dwight Adams, George Seales and Ed Cardinal were on the scoring end of Willamette's fast-breaking offense, while Harold Hawk and "Hook" brought up the rear but brought it up so fast that they sometimes outscored the boys on the head end. Percy Carpenter, Roy Benjamin and Andy Peterson also figured in the Bearcat triumphs that season.

Willamette won the Northwest conference title that year without a defeat, and challenged the Washington Huskies, northern division coast conference champs, but didn't get a tumble. The Webfeet of that year were no weaklings, at that; they made a good showing in their own conference.

So Oregon has not defeated Willamette since 1929—virtually five years. To be more specific, Oregon won 39 to 19 on January 5, 1929, at Eugene, then nosed out a 24 to 23 victory here January 8, largely through the phenomenal work of one Scott Milligan, who scored more than half of Oregon's points.

Now basketball relations between the two schools have been renewed and the Webfeet and the Bearcats will meet on the Willamette floor tonight at 8 o'clock. There will be a preliminary game at 7 between the Willamette freshmen and Lebanon high.

Willamette's prospects for victory tonight to maintain that five-year record are regarded as comparatively slim, principally because it will be the Bearcats' first game whereas the Webfeet have several contests behind them and are approaching top form.

In addition, Coach "Spec" Keene of Willamette declares that his team, though composed largely of veterans, for some unaccountable reason has not clicked convincingly in practice so far. The boys looked a little better yesterday than they have previously and may possibly get going tonight.

Oregon, with a "blended" concoction of veterans and experienced transfers, is regarded as having its best chance for coast conference honors in many seasons. Probable lineups:

Willamette		Oregon	
Burdett	F	Robertson	F
Leonson	F	Gemmill	F
Kloostra	C	W. Jones	C
Kaiser	G	E. Jones	G
Hartley	G	Sanford	G

BEARS, RED BIRDS HEAD HOOP TEAMS

Sanford Returns as Webfoot

CURT COMMENTS

There has been a suggestion that the Kelley family turn out and constitute the Salem high alumni basketball team which plays Salem high tonight. All five of the famous Kelley brothers are in town just at present. They have set a record for other families to shoot at in the matter of representing Salem high in sports. For 14 successive years some member of this family has won at least one sport letter at Salem high; and now the succession is broken; Johnny, the last and probably the most notable of the quintet, graduated last spring after winning all-state basketball honors. Every one of the boys was captain of a Salem high team in some sport.

The Kelley brothers, in their order, are Harold, Don, Bob, Charles (Chinny) and John. All of them played some basketball, but the first two may not be in condition for extended exertion and it might be well to limit their participation as a family to a few minutes. Anyway, it's a good idea and we'd like to see it come to pass.

Next week in Portland, the annual meeting of the state high school athletic association will be held, coincidentally with the teachers' association meeting. Salem's chief interest in the athletic association meeting is the disposition of the state basketball tournament, which has been held at Willamette university here for 14 years. There was some threat of moving it last summer; apparently it died out but you can't tell what may develop next week.

One change that is certain to be brought up is the division of competition into "A" and "B" classes with a tournament for each class, and in view of the voting majority held by the small schools, the proposal is virtually certain of passage unless some showing as to its difficulties is made. What probably will happen is that the proposal will carry, and then it will be left to someone to put it into execution.

The sticker there is to find someone willing to stage the tournament, and we have a notion Linfield college will be in with a bid, in case neither of the big state schools comes forward with an invitation. There has been no mention of possibility that this situation might disturb the status of the "A" tournament here. However, the state schools and their respective cities, Eugene and Corvallis, which last summer disclaimed any intention to remove the big tourney from Salem, might use the "B" tournament proposal as a bidding point, agreeing to stage the "B" meet if they also got the "A" event. They might argue they needed the "A" tournament to help finance the other which would have less drawing power at the gate.

The fallacy of course is that the "A" tournament would probably also operate at a loss either in Corvallis or Eugene, but nevertheless that might be the argument, and so as we have already suggested, Salem had better have its eyes peeled for signs of trouble next week. At the same time, we do not question the sincerity of Corvallis and Eugene in their disclaimer of intention to take the tournament away from Salem.

Hoover Will See Rose Bowl Game

PASADENA, Calif., Dec. 21 (AP)—Herbert Hoover, the only living former president of the United States, will attend the Rose tournament football game here January 1, 1934 between Stanford and Columbia, officials announced today.

With Mr. Hoover will be his wife and his two sons, Allan and Herbert, Jr., and their families. The four are Stanford alumni.

RED AND BLACK MEETS ALUMNI

Game is at 8 P. M. With "B" Contest Preceding; Old Grads are Strong

The Salem high school basketball team, successor to the state champion quintet of 1932, will make its debut tonight on the home floor when it meets the alumni in the annual game incident to homecoming. The main game will be at 8 o'clock, preceded at 7 by the "B" team's clash with a church quintet.

Cochs Hollis Huntington is not vastly hopeful that his comparatively green team will be able to cope successfully with the strong aggregation of "old grads" that is available at present, but the high school team has never been badly walloped by the alumni and it may make it a close contest this year.

No matter how the game is going, Huntington plans to use practically all of his "varied" squad. The starting combination will be Wintermute and Roth forwards, Engel center, DeJardin and W. Burrell guards. Another quintet probably will go in in tact; Salstrom and Quistad forwards, Peters center, Dyer and Johnson or Devera guards; and there may be other replacements.

ROUGH MATMEN COME TUESDAY

Parks, Parelli and Stradotti Are Newcomers; Jack Mitchell Returns

Clark Jackson will marshal the alumni forces and though he has not announced a starting lineup, some of the men most likely to get the initial call are Bone, John Kelley, Kitcher, Jim Burrell, Sachtler and Perrine, of the more recent graduates.

Jack reports that five members of the Kelley family are in town and if they all report, an all-Kelley team may take the floor for a short time. The Siegmund family also probably will contribute two or three men to the cause. All of the alumni who turn out will probably see action.

Anunsen Leads Handball Race; Contest Close

Anunsen and Sackett, entering their fourth round of the Y. M. C. A. handball tourney, last night defeated Suing and Nutter 61 to 52, to give Anunsen, with a total of 243 the lead among the 20 entries. Sackett, with 230, comes next; while Williams and Speer, entering their third round, lost to Winslow and Lynch 61 to 48, for a time taking the name of Speer, a strong contender for the championship, from the roll of heavy scorers.

Total scores: (fourth match played) Anunsen, 243; Sackett, 230; Nutter, 226; Suing, 202; Lynch, 186; (third match) Zobel, 183; Keech, 179; Speer, 174; Ashby, 159; Beecher, 158; Rydell, 158; Poulin, 154; Hagemann, 154; Marsters, 143; Wins-

LET NORGARD PLAY IS LIONS ATTITUDE

DALLAS, Tex., Dec. 21. (AP)—The Columbia university Lions, en route to Pasadena, Cal., for a Rose Bowl engagement with Stanford's football team January 1, practiced their passing game today at the home stadium of the nation's outstanding advocate of the aerial attack, Southern Methodist university.

The Lions were honor guests of a luncheon club and later showed their wares in a two-hour workout on the S. M. U. gridiron.

After the workout, Coach Little sent a telegram to Stanford officials requesting that they allow Norgard, star of Stanford, to play against Columbia. Norgard was ruled ineligible Wednesday when it was discovered he played college football in 1929.

"I hope their scholastic standard will not be so severe that Norgard cannot play against us," Little said. "I want to meet the Pacific boys at their best. I hope Norgard gets to play."
