

HEROLD GETS ROAD CONTRACT

Will Widen and Pave Dallas Road to Brunk's Corners

(Continued from page 1)
 bridge on the Alsea-Deadwood secondary highway, \$7,907.
 Lindstrom & Feigenson, Portland, construction of a bridge over the Clatskanie river, on the Columbia river highway at Clatskanie, \$21,404.50.
 Tom Lilleho, Reedsport, construction of four bridges between Keraville and Toledo on the Silvest secondary highway, \$35,206.25.
 Northwest Roads company, Portland, was the low bidder on the Canby-Molalla section paving of the Pacific highway, with \$24,836. The bid will be awarded later.
 Fred H. Slate of Portland was low bidder at \$95,954 on the grading of the Mill City-Gates section of the North Santiam secondary highway. The award was held for investigation.
 Curtis Gardner of Portland was awarded the contract to construct bridges at a cost of \$10,920 on the Central Oregon highway near Drewsey.
 The hearing on the Milwaukee sector right-of-way is scheduled to be held tomorrow.
 The commission gave approval to the purchase of two power shovels costing \$15,000 and a "bull dozer" costing \$15,000.
 The commission set January 4 as the date when it will meet in Eugene to discuss the proposed Eugene-Mapleton short cut. Its next regular meeting will be January 18.

DALLAS, Dec. 28 — Condemnation action was started here today by the Polk county court to secure land from Thomas W. Brunk and Clara E. Brunk which will be used in straightening and widening the Dallas-Salem highway. The complaint filed in the clerk's office stated that the two parties could not reach an agreement on the value of the land and asked that the land be condemned. The new land required for the road is slightly more than 2 1/2 acres.

COMMISSAR HAILS U. S. RECOGNITION

(Continued from page 1)
 ments were responsible for published canards and provocations because of a fear that the United States, the Soviet Union and China would cooperate in the far east.
 In opening his address with remarks on domestic affairs, the premier declared the success of the first year of the second five-year plan included a rise of 11 per cent in the output of heavy industry and a crop unprecedented in Russian history.
 An increase of 20,000,000 tons this year over 1932 figures was indicated in crop estimates, he said.
 Outlining the 1934 program, the speaker forecast an increase of 21 per cent in the output of all important branches of industry and also a great improvement in railway transport, which he characterized as the weakest branch of the national economic set-up.
 An indication of a policy catering more to the needs of consumers was seen in a decision to increase manufactured goods for general consumption by 15 per cent, although the general increase in light industry was only 10 per cent.

Culley is Chosen Eugene Secretary

EUGENE, Ore., Dec. 28 (AP)—H. E. Culley, former secretary of the Roseburg chamber of commerce and recently associated with the United States National bank of Portland, was today appointed secretary-manager of the Eugene chamber of commerce. He succeeds E. G. Harlan, who resigned to administer the new state milk utility.
 Mr. Culley will assume his new duties here Tuesday, January 2, Stanley T. Stevenson, president, announced.
 Prior to coming to Oregon ten years ago, Mr. Culley was associated with industrial associations in Hamilton, Ohio, and Fort Wayne, Indiana.

For Congress

Mrs. Marian Clarke, of Fraser, N. Y., who has been nominated by the Republican Party to succeed her late husband, Congressman John D. Clarke, for the 54th New York District, Congressman Clarke was serving his fifth term when he was killed in an auto accident last month.

The President With His "New Deal" Cabinet

President Roosevelt and the ten members of his Cabinet are shown grouped around the President's desk in the Executive offices in his first photo made of the Cabinet and nation's leader together. L. to r. (seated): Secretary of War George Dern; Secretary of Agriculture Henry Wallace; Secretary of the Interior Harold Ickes; Secretary of the Navy Claude Swanson; Postmaster General James A. Farley; Secretary of Commerce Daniel Roper and Secretary of Labor Frances Perkins.

LEAVES GROOM AT TELEPHONE ALTAR

DORADO, Ark., Dec. 28. (AP)—Benjamin Lebowitz was left waiting at the "altar" in his scheduled trans-Atlantic telephone wedding today.
 He grew impatient as he sat in a law office here waiting for a telephone call to be put through to the bride-to-be, Miss Hermina Weisz in Czechoslovakia.
 The hour for the wedding came and the call was not completed. Then came a matter of fact announcement for the telephone operator that Prague wouldn't accept the call.
 Lebowitz couldn't understand that. It wasn't a "collect" call. He got on the line himself and insisted upon talking with Prague. Presently the call was put through to the American consul general there, and Circuit Judge L. S. Britt, who was to have performed the novel ceremony at this end, talked.
 "What's the difficulty?" inquired Judge Britt.
 "Miss Weisz has gone back to Munkacs," replied the consul general. Munkacs is 20 hours by train from Prague.
 "This was a shock to Lebowitz and all concerned but here followed quickly the explanation, absolving the bride-to-be of blame.
 It developed at the last minute that the ceremony would not be performed in the American consulate at Prague unless proof was at hand that one or both parties were citizens of the United States, and that a marriage would be legal in both countries.
 So the wedding was postponed until Lebowitz could get proof to the American consul general in Prague of his naturalization in Chicago.

Scarlet Fever In West Salem

While two cases of scarlet fever have been reported in West Salem, none has been discovered in Marion county, Dr. Vernon A. Douglas, county health officer, stated last night. The communicable disease situation in this county, he said, has been unusually quiet the past week.
 The flurry of whooping cough that broke out at several Marion county points, including south Salem and the Hayesville district, has subsided, alleviating fears that with children away from school and health nurses' observation the disease might spread rapidly.

BECKE IS LIQUIDATOR

TURNER, Dec. 26.—At a meeting of the stockholders of the Turner State bank, Tuesday night the resignation of E. T. Pierce as liquidating agent of the bank was accepted and Karl Becke of Salem was elected to fill the vacancy.

RECOVER BOY'S BODY

CLATSKANIE, Ore., Dec. 28 (AP)—The body of Donald Allen, 8, was recovered today from the debris near the Allen home which was wrecked Christmas day by a landslide. Donald's father and two of his brothers also lost their lives in the tragedy.

Lebanon Woman Ends Her Life

ALBANY, Ore., Dec. 28 (AP)—Mrs. Mildred Weber, 52 of Lebanon, last night wrote a check for \$600 made payable to Sam Weber, from whom she was divorced last October, enclosed it in a note which directed that Weber be given the money contained in her purse, and then took poison, police said. She died today.

Jefferson—Mr. and Mrs. Raymond Colgan entertained relatives from a distance at their home on Second street over the Christmas holidays. They arrived from California, December 25, to help Mrs. Colgan celebrate her birthday anniversary. Those present were Mr. and Mrs. Roy Murray, and Leslie Beamish of Visalia, California; and Mr. and Mrs. A. J. Sunari of Santa Rosa, Cal., and Mr. and Mrs. Raymond Colgan and daughter Barbara. Christmas day the group were guests of their parents, Mr. and Mrs. T. W. Beamish at Salem.

Late Sports

PORTLAND, Ore., Dec. 28. (AP)—Making their first appearance of the season on a Portland floor, the University of Oregon Webfoots were defeated by the Union Oil quintet of Portland, 30 to 27, in their basketball game here tonight.
 It was a close fight from start to finish, however, with the scored tied twice in each half. Oregon led at halftime, 17 to 14.
 Ed Lewis, star center on the Oregon State coast championship team last season, was the leading scorer, accounting for 13 of the Oilers' points.

PORTLAND, Ore., Dec. 28. (AP)—Roosevelt high school of Portland defeated Pendleton high, 32 to 27, in their basketball game here tonight. The Pendleton players lost to Commerce high, 26 to 18, here last night. The visitors led at halftime tonight, 13 to 10, but the Roosevelt five came back strong to take the lead in the second half.

SAN FRANCISCO, Dec. 28. (AP)—The University of California gave the Santa Clara Broncos a severe trouncing in a basketball game by a score of 43 to 26 here tonight.
 It was the first win for California team over Santa Clara in several years.

ELLENBURG, Wash., Dec. 28. (AP)—Showing big improvement over their form last week when beaten twice by the University of Washington five, the Ellensburg normal team tonight defeated the Washington State college varsity, 30 to 26. Ellensburg led at the half, 16 to 12.

HOUSTON, Tex., Dec. 28. (AP)—Jackie Westrope, the ranking jockey of turfdom, reached his goal of 300 winners this year when he booted in outbound in the third race at Epsom Downs today, then went on to chalk up his 301st winner by riding Gallop along to victory in the sixth.

Suspended five days ago for rough riding, the Montana ace came back early on today's program to reach a mark unsurpassed since Vincent Powers won 324 races in 1908. The all-time record of 338 winners was set by W. Miller in 1906.

CONGRESS LEADERS SAY SESSION SHORT

(Continued from page 1)
 bills, the liquor measures and adjourn early in May.
 Rainey's program excluded the much discussed program legislation to regulate railroads and stock exchanges, along with attempts to amend the recovery program that was enacted in the special session last spring.
 Senator Connally of Texas, a democratic member of the finance committee, assured the president of support for his dollar devaluation monetary program.
 Rainey said there was very strong sentiment on Capitol Hill for additional aid for the silver industry and predicted some action "if any encouragement comes from the president."

Orchard Heights. — The different branches of the McDowell family enjoy their Christmas dinner together Monday at the original McDowell homestead, now the home of Mr. and Mrs. W. W. McDowell. Present were Mr. and Mrs. Guy McDowell, Mr. and Mrs. Harry McDowell and children Ora and Ross, Mr. and Mrs. Roy McDowell and sons Armon and James Herman, Mr. and Mrs. Harold Vogt, Mr. and Mrs. Chester Baker and son Richard of Salem.

URGES BOYCOTT ON GERMAN GOODS

WASHINGTON, Dec. 28. (AP)—William Green, president of the American Federation of Labor, said tonight the federation had called an all of its subordinate organizations to enforce the boycott the organization had voted against German made goods.
 Green gave a lengthy report of alleged acts of violence by German officials against the German Trade Union association and its members and leaders.
 In conclusion, he said:
 "I ask the officers and members of organizations chartered by the American Federation of Labor to take such steps as may seem necessary in order to make the boycott of German goods and German service is ordered by the convention effective."
 "I suggest that committees be appointed to deal with the problem in accordance with the economic, social and business requirements of each community."
 "Let these committees unite with other committees created for the same purpose representing other groups of people whose opinions are in harmony with the action of the convention of the American Federation of Labor."
 "If the boycott ordered by the convention can be made effective, the interests of the German workers, the protection of German trade unions, and the enjoyment of the rights and privileges to which the Jewish people are entitled in Germany, may be safeguarded."

DESOPENDENCY IS CAUSE OF SUICIDE

JUNEAU, Alaska, Dec. 28 (AP)—Endangering several years work, the terrific gales of last week battered and tore at the salvage barge Griffon, which is anchored over and chained to the wrecked steamer Islander, word received here today said.
 A 34-foot tender, the Undine, which was attached to the barge, was blown ashore and smashed up on the south end of Douglas Island.
 The barge itself, and the wreck, which went down with 72 persons and an unestimated amount of gold aboard near the end of the last century, however, were little damaged.
 A new tender has been sent out from here, with four men to add to the crew of the Griffon, and her anchor will be strengthened.

 Today — Frankie Darro in "Wild Boys of the Road."
 STATE
 Today — Ralph Forbes in "The Phantom Broadcast."
 HOLLYWOOD
 Today — Ken Maynard in "Drum Taps."

COMPUTE LOSSES AS WATERS RECEDE

PORTLAND, Ore., Dec. 28 (AP)—Although rain fell steadily here again today, rivers throughout the Pacific northwest continued to recede and thousands of relief workers joined in the task of rehabilitating areas from northern Idaho to the coastline of Oregon and Washington where havoc was caused by serious flood conditions.
 Some observers here estimated today that the total property damage caused by the storm, which cost 23 lives, will approximate \$15,000,000. The Coeur d'Alene, Idaho, district alone reported losses aggregating \$1,000,000 and in Cowlitz county, Wash., the damage was estimated at \$3,000,000.
 All main highways in the Pacific northwest were open tonight with the exception of a stretch of the Pacific highway between Woodland and Kelso, Wash.
 Railroad and bus service was reported back to normal.

WOODIN AND ATTORNEY GENERAL HOMER CUMMINGS

PORT ANGELES, Wash., Dec. 28 (AP)—George Head, 50, died here today from injuries sustained when his beach home was destroyed by a huge earthslide last week.
 The man was crushed and thrown into the bay by the force of the slide. He was born in Jefferson county, Ohio, and has lived here for the past 26 years, working in logging camps.
 The body of Maurice Biore, 15, who drowned Sunday when he accidentally rode his bicycle off a dock at Dungeness, was also recovered today.
 BOISE, Idaho, Dec. 28 (AP)—Just by way of being versatile, the floods around Wallace presented Idaho with several riverless bridges.
 J. H. Stemmer, director of highways, said today several bridges which once had a river to span now have none because the stream moved over to the other side of the valley during the flood.
 Stemmer said damage to highways in the flood district probably would exceed \$250,000. He expressed some doubt whether federal money could be obtained for the repairs, as much damage comes under the head of maintenance, for which the state must pay. He has taken up the question with the federal bureau of public roads.

CHILDREN GET TREAT

Received 150 and 200 children between candy and toys at the Salvation Army Christmas program at the army hall last night, according to Captain Lewis Mc

Stalin's Mother

The first portrait ever published of Madame Ekaterina Dzugashvili, aged mother of Josef Stalin, dictator of the Soviet Union. The photo was made by Margaret Bourke-White, world-famous woman photographer, at the home of Mme. Dzugashvili at Tiflis, U. S. S. R.

Wood's Bory is Taken From Lake

KLAMATH FALLS, Ore., Dec. 28. (AP)—The body of Walter Wood, 38, formerly of Bend and Salem, was taken from Agency lake late yesterday. Wood and Ernest Nitschelm were drowned while on a duck hunting trip on December 13. Nitschelm's body has not been recovered.

HEAD IS CUT

Theodore Snyder, whose address police did not learn, suffered a severe head laceration as the result of a collision between his coupe and a sedan driven by Mark Iwans, at 17th and Center streets last night. After being taken to a physician's office where five stitches were required to close the cut, Snyder returned home. No arrests were made.

ALLAN. Before the gifts were distributed, there was a program of music and recitations.

STEADY HEAT fewer colds... ask your doctor!

Any doctor will tell you that if your home is too cold one minute and too hot the next, it's no wonder you and your family are subject to colds.
 To be healthful, your home should be an even 70° all winter. This constant temperature is possible when you burn Gasco Briquets—requiring no special equipment of any kind. Two 2-minute trips to your furnace daily is all the care this fuel needs. It requires no shaking or banking. Yet it burns a 3-0-way and thoroughly with the drafts completely eliminated and leaves no ashes or clinkers to be carried out. Gasco Briquets are entirely combustible.
 Thus, besides eliminating doctor bills, Gasco Briquets will also save money on your fuel.
 Compare their advantages with those of any other solid fuel:
 1. A 100% petroleum fuel—ideal for furnace, fireplace or stove. (No special equipment needed.)
 2. Highest heat content of any solid fuel.
 3. No banking or shaking! Hold fire all day or night!
 4. No ashes or clinkers to carry out.
 5. One ton of Briquets gives as much heat as two cords of first-growth fir; costs less per season than best Utah and Wyoming coal.
 Ask the dealer in your city for a 100-lb. trial sack at the introductory price of \$1.00.

ECONOMISTS TAKE RAP AT NEW DEAL

(Continued from page 1)
 ing. "I have yet to hear a single economist explain the basis of a fair price for any given commodity, with proofs."

PHILADELPHIA, Dec. 28. (AP)—Economists and government officials joined today in oratorical battle over President Roosevelt's monetary and industrial recovery program, with seventeen of the authorities of finance by resolution calling on the government to abandon "monetary experimentation" immediately.
 "Efforts to depreciate the value of the U. S. dollar by manipulation should be stopped," said a resolution adopted by the executive committee of the economists' national committee on monetary policy. "A definite policy of return to the gold standard should be adopted immediately."
 "Announcement of the adoption of this policy would tend to dissipate the widespread fear of inflation and reduce the financial demoralization now retarding recovery."
