Unusual Scrap Quilt

WHITE HOUSE STEPS PATTERN 531

In olden times the events of the day inspired the quiltmaker with names for her quilts. Today the NRA movement has centered the eyes of the entire country on the White House and it seems especially fitting to commemorate this with a quilt — White House Steps. Like Washington parsonage and pineapple it is a quilt block which you start at the center and sew the patches on round and round. As in these quilts, too, the pattern pieces, with the exception of the center patch, are all of one width. This permits cutting the material into strips and then cutting the patches to the size needed. This pattern is most effective when the materials are shaded from a dark to a light color. A shaded chain results, making a very decorative quilt. Color suggestions are included with the pattern. Pattern 531 comes to you with complete, simple instructions for cutting, sewing and finishing, together with yardage chart, diagram of quilt to help arrange the blocks for single and double bed size, and a diagram of block which serves as a guide for placing the patches and suggests contrasting materials. Send 29 cents for this pattern to The Oregon Statesman, Needlecraft Dept., 215 South Commercial street, Salem.
