Cougars Nose Out 26-24 Victory to Tie up Hoop Series

Oregon State Starts Slowly Again, Later Gets Lead But Can't Keep It

CORVALLIS, Ore., Jan. 6. (AP)

- Maintaining their scoring accuracy throughout the entire game, the Washington State Cougars gave the Oregon State college basketball team its first conference defeat of the season, 26 to 24, here tonight. This evened their series with one apiece.

Washington State's halftime lead of 12 to 4 was passed by the Beavers at 19 to 18, but Mc-Phee and Johnson connected in time to reverse the advantage. Late in the final period the Beavers moved ahead when Lenchitsky scored a goal. The Oregon State team took a four-point lead when Lenchitsky dropped in another goal and a foul conver-

Then the Cougars put on a rally of their own. Johnson, Cougar forward, tipped in the winning basket in the last minute of play.

Not in the memory of the pres-

ent home basketball generation has a team guarded the Beavers so successfully as did the Cougars the first half.

Captain O'Connell broke through repeatedly for scores which spirited the Beaver rally. In the dying minutes of the game Scott let fly from far out on the floor and the score read 24 all. For more than a minute and a half the teams battled before Johnson won a scramble under the basket by tipping in the winning goal. Washington dominated the tipoff throughout.

Another near-capacity crowd of 3,000 witnessed the game.

New Deal in Golf Slated For Summer

By EDWARD J. NEIL NEW YORK, Jan. 6. (AP) Golf launched a reconstruction program all its own today with a thorough overhauling of the manner of playing the annual amateur championship, and the announcement of a thoroughly democratic 1934 Walker Cup team, with four of the nine players new to the classic international competition.

Patterning the amateur championship after the British system, the United States Golf association announced the elimination of qualifying play in the tournament proper and the substitution of a full week of match play among a maximum of 180 entries, most drastic change in the history of the competition.

At the same time, Francis Oiumet, Boston veteran who led the Walk Cup forces in 1932, was again named captain of the team Andrews May 11 and 12.

His team mates are Johnny Goodman of Omaha, present open chapion: Johnny Fischer, all youngsters new to international play; H. Chandler Egan, Del Monte, Cal., veteran who won the amateur in 1904-05 and eliminated Goodman in the first round of the 1933 amateur but never before played in Walker Cup matches; Max R. Marston, another former champion who returned to top flight form last season, and veterans of the 1932 team. George T. Dunlap, Jr., of New York, national amateur champion; Gus Moreland of Dallas, and Jack Westland of Chicago.

Under the new amateur plan, 22 sectional qualifying tourna-ments throughout the country August 21 will produce the field that will start 18-hole match play at Brookline, Mass., September 19. All former champions "in good standing" automatically are included among the 180 certified
