

# Wolves Will Clash With Bearcat Quintet Here Tonight

## NORMAL SENDS STRONG OUTFIT

### All-Staters Numerous but Wolfe Pins His Hopes On Veteran Five

Willamette university's basketball team, victorious to date, will encounter tonight for the first time this season opposition presumed to be in their own class, but extremely formidable nevertheless; the Wolves of Oregon Normal. The game will be played at 8 o'clock in the Willamette gymnasium. Up to last night no preliminary had been arranged but it is possible that a couple of City-Y league teams may play at 7 o'clock.

Coach Larry Wolfe of Oregon Normal has a great wealth of material this season, including six men who have attained state high school rating: "Squee" Kitchen, Bob Ashby and Jim Burrell of Salem, Averill, Mackey and Ystad from past Astoria high teams. However, he has given first call to five veterans who have had college ball experience: Kitchen and Ashby from the all-state group and Benjamin, Phillips and Allen. If that group starts here tonight, Salem fans will be watching four men they know, for Kitchen, Ashby, Allen and Benjamin all have played for Willamette in the past. Averill also has been starting some of the games.

The Wolves defeated an Albany college quintet, said in Monmouth to be the strongest ever to play there, 24 to 13 Wednesday night. Coach "Spec" Keene of Willamette was uncertain last night whether he would start the group that has been leading off in past games, or a new giant combination consisting of McKerron, Pettys, Kloostra, Burdett and Connors. This quintet showed up well in practice Thursday. It will average well over six feet in height.

Another combination which will take the floor will be Burdett and Lemmon or Manning forwards, Kloostra center, Frantz and Hartley guards, the six men who have done most of the playing to date. Keene will probably give all of his players a chance to perform in tonight's game and the one Saturday night with Columbia university of Portland.

## FRESHMEN DEFEAT DALLAS HIGH 35-29

DALLAS, Jan. 11.—The Willamette university freshmen took an early lead and defeated Dallas high 35 to 29 here tonight in a game that was replete with fouls. Sixteen fouls were called on the freshmen and ten on Dallas, but the freshmen made 9 points on 11 tries and Dallas only 5 points on 20 tries.

The freshmen dashed to a 16-11 lead in the first period with Brandon, rugged center, leading the attack. After that the game was even, the freshmen adding only one point to their first quarter lead. They were ahead 33 to 17 at half time. The last period featured exceptionally tight basketball, the freshmen getting four points and Dallas three.

## A King Who Seeks a Crown

By BURNLEY

WHEN the much-postponed bout between Barney Ross and Billy Petrolle takes place late this month, the dark-eyed Chicagoan who holds the lightweight diadem will be out to establish himself as the leading challenger for the welterweight crown. Not content with owning the coveted lightweight title, Mr. Ross has hopes of becoming a double titleholder. He thinks that he can whip Jimmy McLarrin, and it is more than likely that this proposed battle of two champions will be one of next summer's big bouts.

Billy Petrolle is generally considered the No. 2 man in the 147 lb. weight, and if the Pineapple City Hebrew can decisively outgallop old

Willum there will be no denying him a crack at the welter crown. Ross already has to his credit one decision over Petrolle. He whipped the over-dangeroous Fargo Express in Chicago last year before he won the lightweight crown from Cannonier. However, the beetle-browed Billy has an alibi for that defeat. He claims that weight-making weakened him.

In the coming battle, Petrolle will weigh in at 142 lbs., and so will have no kick coming on the score of weight-making. Billy will be as strong as a bull at that weight, and the rather frail-appearing Ross may find him a much more difficult proposition than he was in his first class.

The Ross-Petrolle battle will be a duel of left hooks. Barney's

southpaw weapon is much faster than Petrolle's, but the Duluth Dynamiter's left carries much more authority. Petrolle only needs one clean shot at the other guy's chin to end the evening's activity. The so-called Fargo Express is expected to concentrate on a body attack against the fast-stepping lightweight monarch, while Ross will direct his rapid fire lefts mainly at the battered visage of his opponent.

They say that Ross hopes to stop Petrolle this time, and thus force McLarrin to recognize him as the foremost welterweight contender. Stopping old Will is a large order, however, and I doubt that Mister Bernard Rosefay will be able to turn the trick!

It seems that precedent, if nothing else, is going to be smashed at the army next Tuesday night when the regular wrestling show is staged. Practically uniform practice in the past has been to match one "clean" wrestler against a "dirty" one—the quotation marks being our means of indicating that it's all a matter of relativity. We have suspected that this formula was followed so the crowd wouldn't have to use any of its intelligence in picking out a favorite—it being a simple matter to spot the "villain" and start booing early.

But here we have in the main event Art Perkins of Salem and Mickey McGuire of West Salem, both with reputations for law-abiding rectitude in the ring to uphold. How is a fellow going to know whom to pull for in a case like that. Can a wrestling match be a success under such conditions? Well, it can, says Harry Plant, who used to be the matchmaker and ought to know about those things. Harry saw Perkins and McGuire wrestle in Portland recently and says it was a great bout, one of the best he had ever witnessed.

Remember Bobby Sampson, who brought his bear-perfect physique up here from California a couple of years ago and edified local fans by beating Ernie Arthur and holding Mervin Barrackman to a draw? Bobby is back in circulation in Oregon and will introduce himself to Salem fans Tuesday night, meeting Jack Curtis of New Mexico in the next to the last bout. No relative of ours, we might mention, is a professional wrestler.

And then, for a second blow at precedent, Bunting Jackson and Tommy "Cowboy" Heine are matched. Two rough ones. There should be action and explosions, but can the fans stand the strain of having to boo both contestants, which they'll have to do if they wish to be consistent? This is a 30-minute or one-half hour and so is the opener which will feature Don Sugal of Salem and Swede Johnson of Astoria.

The sports editor of the Willamette Collegian has been en-

gaging in a wordy battle with the Forgotten Women who conduct a column in that newspaper. He seems to think he came out ahead, and there being no judges in that type of debate, that's all there is to it from his point of view. We'll not guarantee what a rash young college man might get away with but, Dave, you'll find out eventually that it is not wise to argue even with one woman.

## TENNIS FAVORITES REACH SEMI-FINAL

MIAMI, Jan. 11.—(AP)—Four seasoned tennis champions humbled today the best opposition Florida and Cuba could offer and thus swept in to the semi-final rounds tomorrow in the Miami Biltmore championship.

Avening last year's defeat at Orlando, George M. Lott, Jr., of Chicago, ranked tenth by the U. S. L. T., whipped Hudson Hamm of Forty Lauderdale, Fla., who yesterday defeated Marcel Rainville, the Canadian Davis Cup star, Lott won 6-1, 6-2.

Frank X. Shields of New York, top-ranking United States player, eliminated Carroll Turner of Miami, former state champion, 6-3, 6-3.

Ricardo Morales, Cuba's number 1 player and a Davis match player, went down in defeat before Bryan M. "Bibby" Grant, Jr., of Atlanta, 6-3, 6-3.

## ST. MARY'S GIRLS DEFEAT FRESHMEN

MT. ANGEL, Jan. 11.—St. Mary's girls' basketball team lost to the Mt. Angel Academy freshmen team Wednesday afternoon, 18 to 2.

The game, played in St. Mary's gym, started out well for the graders when they scored first. At the end of the half the score was 4 to 3 in favor of M. A. A. In the second half the freshmen piled up points while St. Mary's failed to add a single point to its score.

## WEBFOOT AND BEAVER CLASH

### Champions of Oregon State Favorites but Eugene Fans Hopeful

OREGON STATE COLLEGE, Corvallis, Jan. 11.—Basketball rivalry between Oregon State and Oregon will be renewed Saturday night at 7:30 o'clock when the defending Orange champions invade McArthur court in Eugene. The contest Saturday will be the first of a four-game series, the two teams meeting again in Corvallis January 19 and March 3 and in Eugene March 2.

Comparative scores this season show little difference between Oregon State and Oregon. Both broke even with Washington State. Oregon State defeated the Cougars in the first game, but dropped the second, 26 to 24. Oregon won the first-nighter, 30 to 27, and lost the second, 28 to 30.

Captain Skeet O'Connell leads Oregon State's scoring so far with 21 points all garnered in two games against Washington State.

The probable Orange starting lineup against Oregon is Captain Skeet O'Connell and George Hibberd, forwards; Wilbur Kidder, center, and Carl Lenchitsky and Red MacDonald, guards.

UNIVERSITY OF OREGON, Eugene, Jan. 11.—Oregon's young Webfoot hoopers will engage in their third conference game in the season Saturday night against the coast champion Oregon State Beavers. Oregon State will be a favorite to take the opener of the annual four-game series due to a more experienced club. Oregon hoop followers however, are hopeful that Bill Reinhardt's crew of sophomores can upset the dope.

Jack Robertson, veteran forward, led the Ducks in scoring against the Cougars with 21 points in the two games. He was followed by Budd Jones, sophomore guard, who made 11, and Captain Gib Olinger, guard, with 10. Willard Jones, tall center find, and Mill Berg, forward, completed the Webfoot combination.

## Pupils Plea For Airy Bit In May Play

Revolt teams once more through the student body at Willamette university, this time principally among the Juniors. Ruth Chaney, chairman of the play committee for May week-end, and Gary Barnett, secretary, representing the junior class, have their fellow students solidly behind them in an appeal to their faculty for a different type of drama to be presented in the spring during the annual festivities.

Barnett says that the campus is host to many high school students during May week-end and that a light comedy or modern melodrama would appeal to them more than the heavy type of play usually given.

## BIRTHDAY CAKE IS ENJOYED BY LIONS

One big birthday cake, the gift of Art Gardner of the Cherry City Baking company was cut at yesterday's meeting of the Salem Lions club when the local group celebrated the 17th anniversary of the founding of Lions International and the birthday of Melvin Jones, secretary general. The cake was large enough to provide a generous slice for each of the 50 or more men present.

John Carlin and Frank Neer, former district governors; A. S. Jensen of Monmouth, deputy district governor; W. W. Rosebraugh and Merrill Ohling, past presidents; Howard Hulse, president of the Kiwanis club; William McGhehrst, Jr., representing the Salem Rotary club, and Miss Betty Bedford, former club pianist, were honor guests at the luncheon at which Harry Scott, former Salem Lions president, presided.

The usual Thursday noon meeting has been canceled for next week. The club will observe ladies' night Friday and will later attend the concert of the Eugene Gleemen.

## Scales' Long Shot Swishes After Final Whistle, Gives Pade's Victory in Thriller

That major thrill of basketball, the winning field goal scored from afar after the final whistle, was provided for Major City-Y league fans at Parrish gym Thursday night by George Scales of Pade's, who looped a long one that left his hands before the whistle but reached its goal a fraction of a second after, giving his team a 25 to 24 victory over Kay Woolen Mills.

The game was exceedingly fast and it became faster at the close, with both sides scoring in the last minute of play. Kay Mills led 16 to 15 at half time, and there never was much margin either way.

Equally fast and exciting until the last two minutes, was the Parker's Valley Motor game which Parker's won 28 to 22. Valley Motor trailed 12 to 8 at half time but forged ahead soon after the third period started and stayed there throughout that period and a portion of the last one. A series of fouls in the closing minutes, all converted into points by Parker's sharpshooters, played a big

role in the outcome. The Willamette Cardinals defeated a Willamette freshman quintet which was hardly up to normal because the freshman regulars were playing out of town. The score was 32 to 16.

## VOLLEYBALL SQUAD WILL OPEN SEASON

Salem's northwest champion volleyball squad will open its season here tonight meeting the Portland team of the city Y. M. C. A. floor at 7 o'clock in a game free to all comers. A fast and sparkling, cleverly played game may be expected with both teams standing well toward the top of the list among Pacific coast teams.

For three successive years Salem has carried off the northwest crown, competing with teams from Portland, Seattle and other volleyball conscious cities and communities. Although no one man may ever be given credit for victories in volleyball, it was pointed out yesterday that the first championship was won the first year Jerry Owen played with the locals. Owen had previously played with the Portland champs.

With the exception of the sandy-haired bonus commissioner all the men on the squad have been playing together for at least five years. Owen has been with them since 1930. Last year, traveling to San Francisco to take part in the coast finals, Salem placed third or fourth.

Elmer Hill is captain of the volleyball squad, which also includes: L. E. Barrick, Keith Brown, Loren Schuele, Nile Hilborn, Jerome Owen, Lloyd Gregg and Paul Acton.

## Lena Decides to Let King Fight At 25 Per Cent

CHICAGO, Jan. 11.—(AP)—Leaping Lena Levy, sister-manager of King Levinsky, after remaining silent two days, accepted terms of 25 per cent for her part in a 15-round battle with Max Schmeling at the Chicago stadium February 16.

But when Charles W. Bridwell, president of the stadium operating company, attempted to sign Schmeling, he was advised by Joe Jacobs, manager of the German, that he had already signed for another engagement, as he had considered all negotiations for a match with the Chicago ex-fish-peddler off.

## Scout Council Meets Tonight

The annual meeting of the Cascade Area council of the Boy Scouts will be held at the Spa restaurant tonight at 8:30. Reports for the past year will be heard and the new officers installed. ## DENVER PRO IS OPEN MEDALIST

### Match Play in S. F. Tourney To Start Today; Only Two Defeat Par

SAN FRANCISCO, Jan. 11.—(AP)—Matching the wind swept fairways of Lake Merced course with a sub-par brand of golf, John Rogers, long hitting professional from Denver, won medal honors in today's 18-hole qualifying round of the fourth annual San Francisco national match play open championship.

Rogers turned in a fine 70, two under par, to lead a strong field of amateurs and professionals in the qualifying test. The Denver pro had a 34 on the first nine and came home in 36, each one stroke under standard figures.

Rogers' long distance driving conquered headwinds over much but one of the par five greens in two shots. In the recent Los Angeles open tournament Rogers was tied with McDonald Smith, eventual winner, until the last nine of the 72 hole event.

One stroke behind Rogers came Harold McSpaden, Kansas City, Kans., whose 36-35-71 also bettered par.

Ten pros and one amateur tied at 72. They were Ernest Pieper Jr., San Jose amateur star; Archie Hambrick, Zanesville, Ohio; John Black Sr., San Francisco; Mark Fry, Oakland; Jimmy Thompson, Long Beach; Al Zimmerman, Portland, Ore.; Ky Lafonte, Santa Rosa, Cal.; Byron Nelson, Texarkana, Tex.; Joe Kirkwood, Chicago and Verne Torfin, Bremerton, Wash.

The rest of the field ranged from one stroke over par to figures in the eighties. Players with cards of 77 tied for last place in the 64 player qualifying limit. There were 13 of them, including Henry Zimmerman, Portland, Ore.

They will play off the tie tomorrow with the nine leaders qualifying.

## Stayton Beats Pay'n Takit in Overtime Game

The Stayton town basketball team defeated Pay'n Takit of Salem 43 to 37 Thursday night at Stayton after the teams had been deadlocked at 35-all at the end of regular playing time and were forced to proceed with an overtime period. Ware scored 26 points for Stayton and was the outstanding player on the floor.
