

### MOLALLA SECURES CWA INSTRUCTION

MOLALLA, Jan. 18.—April 6 has been chosen as the date for the Parent Teachers' association play, "The Small Town Romeo." In the cast will be four men and four women. Forrest Dunton, grade school principal, has charge of the play.

The annual grade school Hi-Jinx will be early in March this year. It was decided at a teachers' meeting Tuesday evening. Each room will give a 20 to 30 minute program. There had been some talk of dropping the all-school program this year.

Pupils in Vada Howard's room won first place in the paper drive conducted last week by the Parent Teachers' association here. The winning room gathered 1500 pounds of paper and will be served refreshments by the losing rooms as a reward. Two and one-half tons of paper were collected by the school. Proceeds from the sale will be used to pay the woman who cooks the school lunches.

Eastern Star, their wives and husbands will join in a social evening after the next chapter meeting February 6. Guests of honor will be Naomi Masterton, the first worthy matron here, and Ora Slyter, the first worthy patron. The chapter was organized February 5, 1924.

#### SUSEE CHILD ILL

GERVAIS, Jan. 18.—The young child of Mr. and Mrs. J. J. Susee was taken with convulsions Tuesday. The parents took it to Portland to a child specialist who found on examination that its trouble was caused from intestinal flu. It is somewhat improved at this time.

#### MOLALLA HERD WINS

MOLALLA, Jan. 18.—A herd of 14 purebred Jersey cows owned by Buxton brothers of Molalla won first place in Yamhill, Washington, Marion and Clackamas counties during December for their high butterfat rating. The cows averaged 48 pounds of butterfat. The testing is done once a month by the cow testing association. Harold Finnegan of Hillsboro, is the tester.

### WARNING TO MINE OPERATORS

Oregon law, safeguarding life, health, and property, requires registration of anyone practicing professional engineering. Public notice in the honesty and accuracy of engineers' reports on mining properties; and, thereafter, on the proper engineering supervision of mining operations and processes. Instances of unregistered persons illegally practicing professional engineering (civil, electrical, mining, mechanical, logging or chemical) have been reported. For information write: State Board of Engineering Examiners, Railway Exchange Building, Portland, Oregon.

Registration will be conducted Monday night at the school at 7 p.m. The classes are open to any adult over 16, and they are free. Glenn Kirkwood, principal of the high school, is in charge.

Star to Celebrate

Celebrating the 10th anniversary of the founding of the chapter, members of the Molalla
