

Idaho Vandals Stage Upset Beating Cougars 34 to 28

LEAD PILED UP EARLY IN GAME

Klumb Chief Sharpshooter As Moscow Quint Wins Its First Victory

PULLMAN, Wash., Jan. 20.—Led by sharpshooting Harold Klumb, a forward, the University of Idaho basketball team won its first conference game here tonight, defeating Washington State college, 34 to 28. The score at halftime was 22 to 14 for Idaho.

The Vandals took an early lead with a brand of basket shooting and floor play that baffled the Cougars. Klumb stepped forward for the winners in the last period and scored nine points. A terrific rally by Washington State near the end brought the score to 29 to 27 for Idaho, the nearest the Cougars were to winning, but Klumb ended the spurt with two field goals in quick succession.

Grulier, with 11 points, was high scorer, followed by Klumb with 10. Holstine led for Washington State with eight. Kenneth Willis, Washington State's high scorer for the season, was held to a single point by the fine guarding of Wally Geraghty.

"THEY never come back" is one of the time-honored maxims of sport; and Mr. Robert Tyre Jones will attempt to demonstrate its falsity in a month or so, when he steps up to the tee in a big golf tournament over a course he laid out himself in Augusta, Ga.

It has been more than three years since "Rubber Tyre" Jones competed in a real tournament, and a three-year layoff from tourney com-

petition would be an almost insurmountable handicap for anyone but the doughty Bobby.

It is true that the erstwhile monarch of the links has been playing pretty regularly in informal matches, and those who have seen him say that he appears to be just about as good as he ever was, which means the best in the world, of course.

However, an informal game and a big-time tournament are two very different things. The strain of tournament competition is one of the most disconcerting factors in

CURT COMMENTS

Not wishing anybody to contract lumbago, we will not unduly urge members of teams in the Salem Golf club Industrial league to play today unless the weather improves a little, although there was quite a crowd out Saturday afternoon and the golfing wasn't as unpleasant as it might have been imagined. Matches will be postponed if the weather is bad; but anyhow, teams scheduled to play are:

State Office, Industrial, Packers, Statesman, Gasoline, Engineers, Bankers, Printers.

The wrestling show Tuesday night ought to be a humdinger. Robin Reed would just as soon lose an arm as a wrestling match, and he lost to Art Perkins here a few weeks ago; Tuesday night he will be out for revenge. The fans discovered last week that they enjoy clean grappling if it's lively at the same time, and it's probable that Reed and Perkins will strive to please along that line.

The return of Walter Thinkit Achiu, the Chinese flash, adds to the attractiveness of the program; he will meet Stan Crawley of Boston. Don Sugai and Jack Curtiss will clash in the opener.

Minor City-Y. league basketball schedule for Tuesday night at the Y. calls for Kay Mills vs. Square Deal Radio at 7 o'clock, Teachers vs. Pay'n Takit at 8, Oregon Paper vs. Western Paper at 9. The Major league program Thursday night at Parrish is Freshmen vs. Parker's at 7. Pade's vs. Cardinals at 8, Kay Mills vs. Valley Motor V-8 at 9.

Salem high hoopers, looking better every game, will play Chemawa Indian school Tuesday night on the high school floor. The red and black should beat the Redskins, but the Shoulder-blade boys, Zundie and the other Chemawa veterans may give them something to worry about, so says Silverton Friday night.

Semester exams will hold first place in the Willamette Bearcats' program this week and there will be no game until Saturday, when the exams are all over. Then the boys will play Pacific at Forest Grove.

BEARS PLAY IN CHARITY GAME

Professional Champs With Meet Stars of Pacific Coast at S. F.

SAN FRANCISCO, Jan. 20.—(AP)—Led by the great "Red" Grange, Chicago's Bears, National professional league football champions, will match their gridiron tactics against a team of Pacific coast stars here tomorrow in the annual Knights of Columbus charity game.

Interest in the contest is high and with good weather forecast, Joseph O'Connor, director, predicted a crowd of close to 40,000 fans.

The coast players have practiced together for only a short time but in the matter of individual brilliance they compare favorably with the Chicago pigskin maulers.

Both of the coast coaches, Ray Klaherty, formerly of Gonzaga, and Norman "Red" Strader, great-est fullback ever turned out at St. Mary's college, will play. Flaherty is slated to start at right end while Strader will hold down a halfback position sometime during the game.

HIGHER RATING FOR LOTT SOUGHT AGAIN

CHICAGO, Jan. 20.—(AP)—The Western Lawn Tennis association fired another big gun today in its campaign to obtain a higher rating for George Lott among the country's stars, declaring its intention of carrying the fight to the floor of the annual meeting of the U. S. Davis cup player is entitled to nothing lower than number six nationally. A resolution asking the national committee to boost Lott to six and leave Frank Parker, sensational Milwaukee youngster, rated right behind Lott in the west, at number eight nationally, was adopted.

It was further resolved during a heated discussion that the question will be aired at the annual session of the U. S. L. T. A., February 10, at Pittsburgh.

Although Lott was beaten by Frank X. Shields of New York, in the final of the Canadian indoor championship tournament at Montreal, the feeling of the meeting was all in favor of the Chicagoan.

Livesay Winner By Big Margin, Southpaw Meet

MIAMI, Fla., Jan. 20.—(AP)—Cl-maxing a week of southpaw play, Everett G. Livesay, of Columbus, O., today defeated E. C. Jameson of Washington 10 and 8 on the 36 hole final round to capture the Miami Biltmore lefthanders golf tournament.

Livesay, president of the American left-handers association, entered the tournament the odds-on favorite and did not falter through battles to the final play.

But Vines Caught Him Later

Looking as if he could go another three sets without tiring, William "Big Bill" Tilden is congratulated by Ellsworth Vines (right) after he had defeated the latter in their match at Madison Square Garden, New York. The largest gallery in American tennis history saw the Old Master trounce the youthful Vines 8-6, 6-3, 6-2, in Vines' professional debut.

Olin Dutra Wins Long Beach Tourney; All Prize Winners Under Par; Quake Helps One

LONG BEACH, Cal., Jan. 20.—(AP)—Olin Dutra, smiling Spanish don from Santa Monica, showed a fine disdain for par today, shooting five strokes under, to win the \$1000 Long Beach open golf championship over the Lakewood Country Club course with a 33-34-67.

Sub-par golf was required to even collect any of the \$1000 in prize money, with Dutra getting \$200.

Five professional stars tied for second place, with cards of 68, four strokes under par. They were Jimmy Thomson, professional of the Lakewood course; Oliver Sleepy, one of his assistants; Denny Shute of Miami, British open champion; Mortie Dutra of Detroit, and Joe Kirkwood of Miami. They earned \$98 apiece.

Tied for seventh place were Harry Cooper, Chicago; Bill Mehlhorn, Brooklyn; Craig Wood,

Deal, N. J., high money winner of the 1933 season, and all Kreuger of Beloit, Wis., they had 69's.

An earthquake at 1:18 p. m., apparently had no great effect on the golfers. Only a few felt it and none of them charged the quake with having spoiled their game. One, in fact, thought it had helped him.

"That's what accounted for my birdsie two on the 17th," said Al Espinosa of Akron, O., who took a 71, and won \$10. "I guess if it hadn't been for the earthquake I wouldn't have won any money."

Dutra will lead the western team of 10 players against an eastern combination headed by Leo Diegel of Palmiton, Pa., in an east-west match for \$1000 prize money tomorrow, over the same course, as an added attraction, Kirkwood will display his wares as a trick shot artist.

The other prize winners included:

Al Zimmerman, Portland, Ore., 38-33-71, \$10.

The veteran, given his unconditional release by the Yankees about two weeks ago, was a Red Sox star from 1915 to 1922 when Harry Frazee let him go in his wholesale dealings with the Yanks.
