MEIER URGES F.D.R. BALL BE SUPPORTED

Mayor McKay Also Speaks For Event of Friday; Tickets Available

Enthusiastic support of the nation-wide celebration of President Roosevelt's birthday, January 30, was urged of Oregon people in a statement issued Tuesday by Governor Julius L. Meier.

"I hope the people of Oregon will enthusiastically join in the nation-wide celebration of President Roosevelt's birthday on January 30."

"All proceeds from the benefit balls which will be held throughout the state will go to the Warm Springs foundation for the treatment of infantile paralysis, a cause very close to the president's heart."

"We have on this occasion an opportunity to offer a fine tribute to our chief executive by aiding the institution which had a great part in restoring his health for the service of his country."

"Let us send the president a wonderful birthday greeting from Oregon."

The entire directorate of the President's Birthday ball will meet Thursday night in the telephone building to complete plans for the formal affair to be held in the armory. Brigadier General Thomas E. Rilea will preside.

Mayor Douglas McKay issued the following statement in connection with the Salem ball:

"This event is one which should command the support of everyone, everywhere, and I am sure the people of Salem and vicinity will cooperate enthusiastically."

The purpose of these affairs, being held simultaneously all over the country on the evening of President Roosevelt's 52nd birthday, is to create an endowment fund for the Georgia Warm Springs foundation for infantile paralysis; a purpose to which all can subscribe without reservation.

"It is far more than an outstanding social event, and substantially more than a tribute to the leadership of our great president. It is not only a birthday party for the president—it is a national and still personal contribution towards the relief of suffering among thousands of afflicted children."

"It is a party for all who feel they can contribute a mite to those who are stricken and have not the means to assist themselves."

Response from the 2000 announcements sent out to prominent people in Salem and surrounding communities has been very gratifying according to members of the committee. In case some have not received announcements and desire to come to the formal ball, they may procure them at the Commercial, the Atlas and the Patton book stores, and the book department at Miller's.

War Prevention Group Protests Naval Program

The Salem branch of the National Council for Prevention of War, has sent a protest to President Roosevelt against the Vinton naval building program which authorizes the president to replace naval vessels with vessels of modern design and construction, in the categories limited by the international treaties.

The bill carrying out this policy calls for construction after 1936 of 100,000 tons of destroyers, 35,000 tons of submarines, an aircraft carrier, and battleship replacement. The Salem protest is against the cost of such a program and the danger of arousing resentment abroad.

Jangled nerves bring words that wound
Impatient, nerves on edge—every suggestion sounds like a criticism... Every discussion turns into an angry argument. You hurt those nearest to you and make them wish to avoid you. If this ever happens with you... take care!
Watch your nerves... Get your full amount of sleep every night. Eat regularly and sensibly. Find time for recreation.
And smoke Camels—for Camel's costlier tobaccos never get on your nerves.

COSTLIER TOBACCOS
Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!
CAMELS — THEY NEVER GET ON YOUR NERVES!
