Among the stronger issues through the day were General Motors, Chrysler, Mack Auto - Lite, Bendix, Motor Products, Briggs, Marshall Field, Mc-Kesson and Robbins and Moto Motor which had extreme gains up to 2 points. It is understood that eastern orders ceased immediately when the \$2 price was established. Few sales are being made at the present time, with few buyers in the field

active. There are indications that a raise in the price will take place before the week is over. There seems to be little concern over the price drop, which many believe is only a temporary reaction. At least growers are reluctant to sell at the lower figure now offered.

In the meantime, one of the largest losses due to spoilage is being experienced here ever seen, making preparation for the market difficult. For the third time this winter most of the lake ground is under

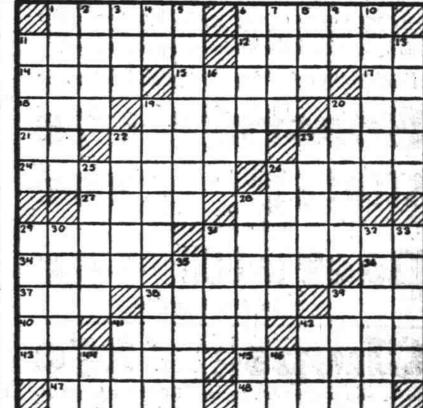

water. The water rose steadily Tuesday. Coming as a surprise to their friends was the marriage of Miss Noia Isham and Hal Welton, ing the week at the home of Mr. which took place last week. The and Mrs. Jim Matney, Mrs. Wesley is Mrs. Matney's mother.
