Pattern

1755 cat

By ANNE ADAMS
It's all a matter of clever design—this problem of slenderizing the larger figure. This model, for example, will create the illusion of slenderness, because it has been designed with slim, graceful lines that flatter the figure. Note how gracefully the revers will drape over a full bust. Skirt panels seem to slenderize the hips. This frock features lovely new sleeves and a touch of contrast in the vestes. Black with white or flesh is always chic. Navy, bottle green or one of the new berry tones would also be lovely.

Pattern 1755 is available in sizes 36, 38, 40, 42, 44 and 46. Size 38 takes 2 7/8 yards 39 inch fabric and 1/2 yard contrasting. Illustrated step-by-step sewing instructions included.

Send 15 cents in coins or stamps (coins preferred) for this Anne Adams pattern. Give plainly name, address, style number and size of each pattern ordered. The new spring, 1934 edition of the Anne Adams pattern catalogue is ready. All the best spring styles for adults and children in an interesting, helpful book. Send for your copy today! 15 cents. Catalogue and pattern number, 25 cents. Address orders to The Oregon Statesman Pattern Dept., 1755 Commercial Street, Salem, Make necessary enclosures. Year, name, and zip number. Orders automatically are filled within five days from the time received by The Statesman.

"ALL-BRAN WILL ALWAYS BE A PART OF MY DIET"

Delicious Cereal Corrected His Constipation

If you suffer from constipation, read this fine letter:
"I have been troubled for years with constipation. During this time, I have tried almost every known remedy. Then some one recommended eating Kellogg's ALL-BRAN, and the proper results followed immediately.
"Since eating Kellogg's ALL-BRAN each morning, there has been a general improvement in my health without the ill effects that I formerly experienced when taking laxatives. Hereafter, Kellogg's ALL-BRAN will always be a part of my diet."—Mr. E. G. Himes, 1201 E. 7th St., Los Angeles, Calif.

Research shows Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to aid elimination. ALL-BRAN also supplies iron for the blood.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. Isn't this "cereal way" safer than risking patent medicines?
Two tablespoons daily are usually sufficient to relieve ordinary constipation. With each meal, in serious cases, do not relieve this way, see your doctor.
Be sure to ask for Kellogg's ALL-BRAN. It contains much more needed "bulk" than part-bran products. In the red-and-green package. Made by Kellogg in Battle Creek.
