Woodburn Getting CWA Work Started at Public Schools

WOODBURN, Feb. 5.—Work on the Woodburn public school project started Saturday with a crew of men under the civil works administration. New shingles are to be put on the high school roof and excavating is to be done under the Lincoln grade school building.

Work at the library square project is progressing under the work of the crew in two shifts of three days per week each. Mrs. A. E. Austin, supervisor of the project stated that the cement work would probably be completed this week. The floor of the pavilion and concrete work on the tennis court is finished and the finishing coat of concrete was applied to the wading pool and fountain Saturday. The iron bars for the two back fences of the tennis court are also in place.

A number of red maple trees which were donated by George Timm of the Highway greenhouse have been set out in the parking. The park board would appreciate a few donations of the fast growing maple trees to plant near the wading pool.

Mrs. Annie Burgold Dies at Residence of Mrs. E. Werline

INDEPENDENCE, Feb. 5.—Miss Annie Burgold passed away at the home of her niece, Mrs. Eunice Werline in Independence, February 4. Miss Burgold had spent the past 16 years at her niece's home.

She was born in Ohio, March 17, 1861. She is survived by, besides her niece, two sisters and one brother, Mrs. Mollie Shafer, Mrs. Lou Hornback, James A. Burgold, all of Marsville, Kentucky.

Announcements will be later from the Keeney funeral home.

Farmers' Union News

MARION, Feb. 5.—Following a comedy skit in which Mr. and Mrs. J. L. Calavan were represented by Helen Wilson and Wilma Schermacher, Mrs. Calavan was presented a farewell gift from Marion Farmers' Union No. 227 at the regular meeting Friday. Mrs. Calavan will leave today for Hawaii to visit with her son and his family. After refreshments were served all those present joined in playing games.

Each member of Marion local is requested to bring a prospective member to the next regular meeting February 16 as the last affair of this kind was so successful.

Following discussion of the corn, beef, and dairy contracts, members were advised to read contracts thoroughly and give much consideration before signing them. Warren Gray gave a complete outline of the county convention held last month at Mt. Angel.

Mr. and Mrs. S. B. Holt of Riverview were guests at the reports on co-operative buying. The domestic art committee will meet with Mrs. F. C. Schermachers Thursday, February 8 to quilt.

Grangers' Column

VICTOR POINT, Feb. 5.—The first of a series of benefit card parties sponsored by the Union Hill Grange Home Economics club was given at the J. C. Krenz home, Saturday night. Eight tables of "500" were in play with prize for high score going to Floyd Fox and low score to Eugene Neal.

A benefit masquerade will be given by the club next Saturday night at Union Hill grange hall, music to be furnished by a seven piece orchestra from the Evergreen district playing. A prize will be given for the two best costumes one to a man and one to a woman. Mrs. W. M. Tate, Mrs. J. S. Steinberger and Mrs. C. C. Jones are in charge. Neighboring clubs and granges are invited.

CHEMAWA, Feb. 5.—The grange met in special session Thursday, February 1. After disposing of urgent business the lecturer had charge of a varied program which was enjoyed by all. Some time was spent in making arrangements for future events and in instructing new officers. The grange will visit Fairfield February 9 and conduct the meeting there. The regular meeting of the month will be February 22 when a large class of candidates will be initiated.

SILVERTON HILLS, Feb. 5.—Union Hills grange paid a visit to the Silverton Hills grange Friday night and the visitors were in charge of the program hour. Seventeen members of the Union Hills gave a negro skit; Mrs. Will Krenz gave a guitar solo with Mrs. Floyd Fox at the piano and James Darby, past master of Union Hill, gave a short address. Winnie Tate, master of the visiting grange, was in charge of ceremonies Friday night. There were 26 visitors and 36 members of the local grange present.

The Home Economics club of the Silverton Hills grange held an interesting meeting Thursday at the home of Mrs. E. S. Porter. Mrs. Hulda Peterson was present and instructed the 13 members in art of making a hooked rug. Club members also spent a part of the day in making paper flowers to be used at the club house. Other visitors present for the day were F. Annie Gordon, Mrs. Virgil Techant, Edna Pfbaum and Anna Strom.

March 1 the Home Economics club, together with the Silverton Hills grange and the Silverton Hills community club members will meet at the club house for a "house cleaning" bee. Shrub planting will also be in order during the day.

The Home Economics club will serve the noon-day luncheon at the Gottleb Hari sale February 13.

Teach your daughter how to guard her health

Mother... You Must Do Your Part

Most girls need a tonic and regulator when they come to womanhood. If your daughter is languid, nervous and cranky... if she complains of new pains and aches... see that she takes Lydia E. Pinkham's Vegetable Compound regularly. When she is a happy, healthy wife and mother she will thank you.

"My daughter Leona is a stenographer and switchboard operator. She was nervous and weak and often had to stay home from work. Never cared to go anywhere, lost her appetite and always had headaches. Your Compound helped her wonderfully. She is more peppy and can work now every day."—Mrs. B. Trommer, 2520 W. Juneau Ave., Milwaukee, Wisconsin.

VALENTINE PARTIES PLAN OF 4-H GROUP

TURNER, Feb. 5.—Much activity has been shown in the 4-H clubs here. "The Kiever Kooking Klub," with Mrs. Frances Whitehead, leader, made popcorn balls for a diversion. Mae Lacy received credit for the largest number of projects completed. The third year clothing girls have received their books from Corvallis, also report books. The remodeling of dresses was discussed.

"The Ten Willing Workers," club was presided over by its president Leta Bones. Committees appointed were: program, Peggy Van Santen, Mary Peterson, Bernadine White; social, Frances Clark, Marion Parks, and Aleta Bones; contest, Mable Lacy, Peggy Van Santen, and Frances Clark; exhibits Aleta Bones; special Una Holm, Margaret Mortimer, and Jean Perry. The next lesson will be on cooking breakfast, and recognition will be given for the best hand made valentine.

The "Masculine Muffin Makers" club with 10 members present, and their leader D. B. Parks, are planning a Valentine party with invitations sent to the other clubs. The president Keith Ball appointed the following committees; program: Lester Bones, Norman Larsen, and Kenneth Barber; refreshments, Donald Wilson, Robert Hatfield and Eugene Harrison.

The "Busy Five Clothing Club" discussed plans for a social program for the remaining meetings. The leader, La Verne Whitehead has promised the girls a special activity when their present project is finished. Appropriate color combinations were discussed. A large group of 4-H club members surprised one of their members Keith Ball, Monday night at his home, the occasion being his 13 birthday. His aunt Mrs. Elizabeth Ball, presented a large birthday cake appropriately decorated. At dart shooting prizes were won by Mae and Mabel Lacy and Lester Bones.

Aurora Women Attend Luncheon Sorority Benefit

AURORA, Feb. 5.—Mrs. C. E. Gilzeath entertained her bridge club and a few additional guests, at a Delta Zeta alumnae benefit luncheon and card party, which was given at Powers auditorium in Portland Saturday at 1 o'clock. Going down were Mrs. P. O. Ottoway, Mrs. John Kraus, Mrs. Frank Miller, Mrs. Walter Grim, Mrs. E. E. Bradd, Mrs. U. Eller, Mrs. J. W. Sadler, Mrs. A. L. Strickland, Mrs. B. W. Stoner, and Mrs. B. F. Giesy. Mrs. Richard Sundelas joined the party at Portland.

At a regular meeting of the Ladies Aid of the Presbyterian church which was held Friday afternoon, plans were formulated by which the church grounds might be improved. Husbands are to be invited to bring friends and to present February 10 with the proper implements to reduce the unsightly grounds to a smooth surface for a lawn. Shrubs have been donated and more will probably be added. A lunch will be prepared by the women.

Mild Weather Enables Farmers to Work Outside

LIBERTY, Feb. 5.—The winter has been so mild farmers have been able to keep up with seasonal farm work better than usual. Plowing has been going on here and there at intervals since last fall. Spring plowing is going forward for seeding purposes. Grains sown last fall have made a fine showing.

Orchards are undergoing pruning at this time, some of which have not been pruned for a few years. If optimism regarding the prune situation holds out, some spraying of prunes will be done. Prunes are not generally sprayed here. Loganberries are leafing out and are ready for training up on the wires.

Polk CWA Payroll Drops to \$3603 as Result Hour Drop

DALLAS, Feb. 5.—Polk county's CWA payroll has taken a decided drop since the number of hours worked was reduced, with the payroll for the past week amounting to only \$3603.80. These figures were according to Fred Holman, disbursing officer. This county's quota of 335 men is full at the present time with 21 projects under way. No new projects are being approved until some of those under way now are finished.

ENROLLMENT LAST HALF REACHES 1242

SILVERTON, Feb. 5.—The enrollment at the close of the first week in the new semester term in the Silverton schools shows a total of 1242. Robert Goetz, superintendent, in preparing the report, disclosed some interesting factors.

There is an increase in the enrollment from the city, but because of the removal of school buses, the enrollment from the outlying country districts is not as heavy as last year at this time. Last year there were 24 post graduates attending classes while this year there are but 10. The difference, according to Mr. Goetz, is that more are employed this year than were a year ago.

There are also twice as many beginners this year at mid-year as there were last year. The senior high school gained 29 and lost eight through graduation at mid-year; the senior high school gained 28 and the Eugene Field building has 25 beginners.

The first meeting of the school board in the new semester will be held Wednesday night of this week.

DOMINATING THE 1934 TIRE HORIZON

FREE 2-day demonstration on your own car.

Let us put a set of these new tires on your car. Give them every test for two days. If you are not entirely satisfied, we will take them off and replace your old equipment at absolutely no cost to you. This special introductory offer good for a limited time only.

The New Firestone Balanced AIR BALLOONS

Again Firestone leads the way in giving car owners greater safety, longer mileage, increased comfort and smarter style. In 1923 Firestone introduced the first balloon tire and now Firestone presents the New Balanced Air Balloons.

Consider these advanced features. Tires, tubes, rims and wheels are accurately balanced at the factory to eliminate shimmy. A new, scientific tread design gives longer mileage and easier steering. The extra area of non-skid in contact with the road prevents skidding—the low air pressure prevents blowouts.

Even with these advantages Firestone Air Balloons are not expensive. With our liberal allowance for your old tires, tubes and wheels they cost but little more than regular balloon tires.

Come in today and get our low prices for bringing your car up-to-the-minute. Then take advantage of our special demonstration offer to prove to yourself that Firestone Balanced Air Balloons will be a profitable investment for you.
