## Col. C. Robertson Speaker for League

CONDITIONS IN PRESENT-DAY EUROPE, where it is declared war-clouds are gathering and where unrest is prevalent, will be the topic discussed by Col. C. A. Robertson, internationally known political writer and columnist at the February public meeting of the Salem Arts League next Tuesday night in the auditorium of the Salem public library.

It is declared that this topic is particularly opportune on account of recent rioting in Paris, where the people attempted to storm the chamber of deputies and battled in La Place de la Concorde. For over 20 years Col. Robertson has been intimately associated with European affairs. At the present he is associate editor of "The World Review," magazine of editorial comment edited in West Salem by R. A. Harris.

Years of residence in London, Paris, Rome and Berlin give his opinions on what is transpiring in Europe an authority that is convincing.

This is the February offering of the Arts League. At this time, additional historical data concerning the early years of the league will be given. The public is cordially invited to the meeting. There will be a short business session previous to the discussion, which will begin at 8 o'clock.

## Pattern

By ANNE ADAMS  
Paris is favoring gay blouses for every hour of the day. Right in step with this, the modish two-piece model that deserves a place in your wardrobe as an all-occasion frock. The skirt is gored and slim; the blouse captures the interest with its chic diagonal seaming, smartly tucked sleeves set in raglan fashion, high collar and flowing tie. Two fabrics were used as sketched here—satin blouse and crepe skirt though it can be fashioned entirely of one color or fabric, too. Another economy angle is that you might interchange either piece with other blouses and skirts.

Pattern 1759 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 16 taken 2 1/2 yards 33 inch fabric and 2 1/2 yards contrasting. Illustrated step-by-step sewing instructions included.

## "WAS TAKING EVERY KIND OF DRUG FOR CONSTIPATION"

Then ALL-BRAN Brought Relief

Read this very enthusiastic letter:  
"I am 34 years old and as far back in my life I have been constipated. I was so bad that I had one bowel movement every five or six days. I was taking every kind of drug known for constipation.

"Now for the last two months I have been eating a little ALL-BRAN night and morning and I have at least two to three bowel movements each day."—Mr. Frank Piratzky, 40-66 98th St., Corona, Long Island, New York.

Laboratory tests show Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid elimination. ALL-BRAN is also a fine source of iron for the blood.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. Inside the body, it forms a soft mass. Gently, this clears out the intestinal wastes.

Isn't this safer than taking harmful patent medicines? Two tablespoonsful daily are usually sufficient. Severe cases with each meal. If not relieved this way, see your doctor.

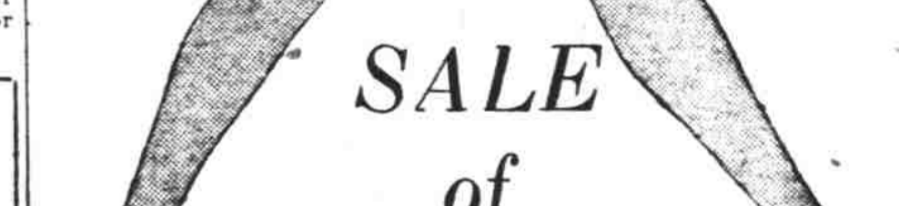

You'll enjoy eating Kellogg's ALL-BRAN as a cereal with milk or cream—sugar or honey or fresh fruits added. Or, to use in cooking. In the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.
