

# Webfeet Sweep Vandal Series, Climb Into Third Place

## SECOND CLASH IS WON 31-22

### Game Listless With Many Fouls; Robertson High With 11 Counters

EUGENE, Ore., Feb. 10.—(AP)—The University of Oregon basketball team took undisputed third place in the Coast conference north division basketball race by defeating University of Idaho 31 to 22 here tonight. Oregon defeated Idaho 43 to 29 here last night.

Substitutions, numerous fouls and Oregon's early commanding lead made the game listless and almost farcical. Both teams were off form on passing and Idaho was particularly off shooting form.

The loss put Idaho into a tie with Washington State for the cellar position in the league.

Oregon opened the scoring when Willie Jones, center, caged one on a rebound. Wally Gerrier converted a free throw and five minutes of ragged play ensued before Oregon started scoring again. The Webfeet led 17 to 7 at half time.

Greiner and Geraghty of Idaho went out with four personal fouls each and three Oregon men had three fouls each called against them. Both coaches sank in second terms the last five minutes of play.

Captain Jack Robertson was high scorer with 11 points and Greiner led Idaho's scoring with seven.

Idaho plays the second-place Oregon State Beavers at Corvallis Monday and Tuesday night.

## LAYDEN NAMES HIS BACKFIELD MENTOR

SOUTH BEND, Ind., Feb. 10.—(AP)—Donald C. "Chet" Layden, member of Notre Dame's 1916, 1920 and 1921 football teams, was named today as back field coach by Elmer Layden, new athletic director and head coach of the Irish.

Grant, whose contract is for one year, completes the big shakeup at Notre Dame, which saw the departure of Jesse Harper, athletic director, Harty "Hunk" Anderson, head coach, and assistants Marchmont Schwartz, Frank "Nurdy" Hoffman and John "Tike" Voedsich. Tom Conley, assistant coach under Anderson, will remain, and Joe Boland, a former Notre Dame star and later head coach at St. Thomas college, was recently appointed as Layden's other assistant.

Grant has been away from football for several years, but has kept in close touch with the sport as a sports writer and official. He played on the 1916 team at quarterback and after serving in the army during the world war, returned to become a member of the Irish backfield in 1920 and 1921.

## The Clouting Collegian

By BURNLEY

CHARLEY HARVEY and Steve Hamas are two of the finest characters in sport. Hamas, a graduate of Penn State University, is a handsome, clean-cut young chap who looks decidedly out of place among the pug-nosed fighters of several decades. His most famous boxing rival was the incomparable British brawler, Jem Driscoll, but he also handled such fisty greats as Owen Moran

and Ted (Kid) Lewis. In late years his best known ring warriors were Tom Keeney, the not-so-hard Rock from Down Under, and Seaman Watson, a pretty fair featherweight from jolly old England. Harvey, who never uses "cuss words"—"Jimmie Crickets!" is his most violent exclamation—makes a perfect pilot for Steve Hamas, the gentlemanly college graduate. It will be more like fiction than real life if this pair manage to reach the pugilistic heights.

Hamas gets his big chance tomorrow night when he will exchange blows with the glowering German puncher, Max Schmeling. If the handsome Steve can whip Joe Jacobs' gladiator, he and Harvey will be in line for the real big money. While the great majority of the fisty experts figure that Schmeling will prove too experienced for the collegian, Hamas must be conceded the desperate chance of a puncher. Steve can hit, and as long as his injured "football legs" will hold him up, he will be firing away at Schmeling's chin, which Mister Bauer proved was none too tough. It will be a case of Hamas's heart, punch and flaming ambition, against Schmeling's punch, experience and superior endurance. And old Charley Harvey will be in Steve's corner, doing everything in his power to bring victory to his boy.

## Rules Board Has Secret Sessions to Talk Changes

ATLANTA, Feb. 10.—(AP)—The national football rules committee, in annual session here will delay its voting on any of the proposed rule changes in the college code until Sunday, Chairman Walter Okeson, of Lehigh said today.

Except for meals and a short intermission the committee worked in secret session throughout the day. Okeson said he would not comment on any of the discussions that took place today, although he asserted most of the work consisted of working out many of the proposals which the committee felt were not feasible.

## Revenge Gained by Huskies With 60 to 24 Victory

SEATTLE, Feb. 10.—(AP)—Overhauling the University of Montana 60 to 24 here tonight, the University of Washington, undisputed leader of the northern division of the Pacific coast conference basketball teams, gained a sweet revenge for the unexpected defeat inflicted by the Grizzlies last night.

PULLMAN, Wash., Feb. 10.—(AP)—Washington State college turned loose its big basketball guns on Gonzaga university to win their non-conference game, 44 to 48, here tonight. The half-time score was 26 to 8 for Washington State.

## CURT COMMENTS

The ten hoopsters Coach Loren Basler of College of Idaho brought here Saturday were all freshmen. If he can keep them together it may be a different story when he brings them back two years hence.

The Willamette rooting section dedicated a song to the ex-Bearcat coach of the Coyotes, following announcement that Basler was the author of the chorus, "O Jason Lee." Basler denied it later but was one of the "black sheep" of the '21 class who irreverently concocted that ditty after hearing Whitman's "O Marcus Whitman" and he was on the glee club from which it emanated, so we still believe modesty caused the denial.

One Willamette coed was heard to remark that a certain Bearcat hoopster looked like the "Goon" of Thimble Theatre, and that another would be a double for Mahatma Gandhi if he took off his shirt. We'd mention names only if it might be libelous.

And now for the week's program. There's no formal golf activity that we know of, but golfers shouldn't miss the opportunity to play if weather today is like it was Saturday. The industrial league playoff will be organized early in the week and competition will start next weekend.

The wrestling show Tuesday night will once more feature the "Ice Free" in vision but the American Legion committee warns that this offer must not be the regular rule. Art Perkins vs. Jack Curtis, Mickey McGuire vs. Harry Elliott and Don Sugai vs. "Wildcat" Gray are the principals.

The basketball attractions start Monday night instead of Tuesday this week. McMinnville high which is a leader in its district having defeated Tillamook, will play Salem high here Monday night at 8 o'clock. The high school team will play the Willamette Frosh on Willamette's floor Thursday night and go to Corvallis Friday night.

The Willamette Beacats will play Oregon Normal in the deciding game of three, Monday night at Independence and then rest up for the important series with College of Puget Sound Thursday and Friday nights on the home

floor. The Loggers beat Montana which in turn walloped the Washington Huskies, so you know what to expect.

Minor City Y league games Tuesday night will be Kay Mills vs. Teachers at 7 o'clock, Square Deal Radio vs. Oregon Paper at 8 and Pay'n Takit vs. Western Paper at 9. Major league games Thursday night will be Freshmen vs. Cardinals at 7, Pade's vs. Kay Mills at 8, Parker's vs. Valley Motor at 9. That winds up the regular schedule but there are four postponed games, according to our records. Pade's is still a game ahead of Parker's.

Farrish plays Woodburn here Wednesday night and St. Paul in a northern division county B league game Friday night.

## National Swim Record Set by Husky Natator

EUGENE, Feb. 10.—(AP)—Jack Medina, world record holder in the 440-yard free style and possessor of several other world marks, set a new national intercollegiate record in the 220-yard dash Saturday afternoon in a swimming meet here between the University of Oregon and the Washington Huskies. Medina's time was 2:13.3, bettering the old record, held by Johnny Schmeidler of Michigan, by two seconds.

Oregon will meet SDSU at 8, despite Medina's record. The Washington swim ace won the 440 in easy style to mark up a total of 11 points. Jim Reed, ex-Webfoot backstroke, set a new Pacific coast intercollegiate record of 1:46.5 in the 150-yard backstroke, chopping 3 seconds from the former mark, held by an ex-Oregon natator, Johnny Anderson.

## Wolves to Play Bearcats Again at Independence

MONMOUTH, Feb. 10.—The Oregon Normal basketball team will meet the Bearcats of Willamette in the final encounter of a three-game series Monday night, February 12 in the Independence high school gymnasium.

In the two preceding games the Wolves took a victory from Willamette at Salem January 13, score 32-24, and in the second game, played at Independence January 17, the Bearcats collected a victory in a thrilling overtime period, score 26-25. These games have excited fans all over this region, and a capacity crowd is expected to view the fray Monday night. Emil Piluso of Portland, will act as referee.

## CHURCH LEAGUE SERIES THRILLS

### Two Upsets See Trojan and Temple Baptist Quints Win Close Games

All three games in the senior Church basketball league Saturday night were close and packed with thrills. American Lutheran maintained its undefeated way, defeating South Salem Friends 43 to 30, but only after trailing in the first half.

The other two games were upsets. The Jason Lee Trojans defeated the Jason Lee "first team" 32 to 24 and Temple Baptist nosed out Presbyterians 33 to 41 in the last ten seconds of play when Chapel sank a crumple which barely had time to swish through the hoop before the final whistle sounded.

Kloostera led the Bearcats in scoring while Lemmon a close second, but the "smoothies" worked

## WEST LINN GIVES SILVERTON SCARE

SILVERTON, Feb. 10.—West Linn gave Silvertown the worst scare it has had this season in basketball Friday night but Silvertown managed to nose in the last quarter and come home victorious with a score of 31 to 27 in its eighth straight league victory.

West Linn started out with the first basket and at the end of the first quarter was leading Silvertown 13 to 9. At the end of the half West Linn was still in the lead 20 to 15. By the end of the third quarter Silvertown had managed to pull up so that West Linn was leading only by one point, with the score reading 24 to 23. Silvertown just naturally wasn't playing ball until the last ten minutes of the game, when things began clicking again for Silvertown and she closed with her 31 to 27 victory.

Both the "regulars" and the second teams gave a good demonstration. The seconds furnished almost a much excitement as the firsts with Silvertown being 14 to 13. The second teams put on a rather rough demonstration but there was very little whistle tooting in either game.

Both teams gained speed in the last half and with Gates close checking guards held Mill City to only 6 points during the last half.

College of Idaho's all-freshman basketball team made a strong finish, outscoring Willamette's Bearcats 21 to 15 in the second half, but lost out due to a jittery first half showing on the Willamette floor Saturday night. Willamette led at the close of the first half 24 to 7.

"Spee" Keene's "smoothies" looked better than they have at any time this season as they piled up points rapidly at the opening of the game at the expense of the fumbling Coyotes; the "rough-necks" also looked good for a time after they took the floor but Coach Loren Basler managed to steady his green crew between halves and they outscored both Bearcat combinations in the second half. Boyd and Bladear showed the greatest accuracy in shooting for the Coyotes while Monasterio was the outstanding floor worker.

## Cunningham is Easy Victor in Featured Mile

BOSTON, Feb. 10.—(AP)—Glenn Cunningham, America's premier mile runner, received but little competition when he made his New England debut by breezing home 35 yards ahead of Dean Woolsey of the B. A. A. tonight in the four mile hunter mile, feature of the 45th annual Boston A. A. games at the Boston Garden.

This blue-ribbon classic, generally the high spot of the Unicorn competition, was a washout as far as the 10,000-odd spectators were concerned. Announcing beforehand that he was ready to cut loose for a record attempt, the powerful Kansan, who has his mind set on next year's Baxter Mill competition against Bill Bontrouth, holder of the American record, merely ran 12 times about the Garden track in 4 minutes 18 2-5 seconds.
