Teach your daughter how to guard her health

Mother... You Must Do Your Part

Most girls need a tonic and regulator when they come to womanhood. If your daughter is languid, nervous and cranky... if she complains of new pains and aches... see that she takes Lydia E. Pinkham's Vegetable Compound regularly. When she is a happy, healthy wife and mother she will thank you.

"My daughter Leona is a stenographer and switchboard operator. She was nervous and weak and often had to stay home from work. Never cared to go anywhere, lost her appetite and always had headaches. Your Compound helped her wonderfully. She is more peppy and can work now every day."—Mrs. E. Trimmer, 2520 W. Jackson Ave., Milwaukee, Wisconsin.
