PATTERN

Here's a stunning ensemble for youngsters, who believe, as we do, that they should wear clothes with real "grown-up" chic. That chic is found here in the revers and perked up sleeves of the jacket - and the smart use of contrast. And the frock beneath is just as attractive. A gay note of color is introduced at the neckline with a pert ribbon bow. The jacket may be lined with self fabric, or contrast. Choose for it sheer wool or novelty cotton or combine both. This pattern includes a new instructor-the sewing guide to success!

Pattern 1764 is available in sizes 4, 6, 8, 10 and 12. Size 6 takes 214 yards 36 inch fabric and 1% yards contrasting.
