### PATTERN

By ANNE ADAMS  
Every little girl will adore this frock. It has so much young charm. And it has style, too, just as much as a grown person's dress. For a little party frock it is most attractive made of swiss, dimity, voile or batiste and trimmed around the fluttery ruffle edge with lace. The same pattern can be used to make a gingham dress or one of a cotton print suitable for play and school. But then you should leave the lace off and edge it with soft material, either in a ruffle, a facing or a binding. The skirt pleats lend delightful animation and give ample room for strenuous play.  
Pattern 1501 is available in sizes 6, 8, 10, 12 and 14. Size 8 takes 2 1/2 yards 36 inch fabric and 3 1-8 yards edging. Illustrated step-by-step sewing instructions included.

Send 15 cents in coins or stamps (coins preferred) for each Anne Adams pattern (20 cents for both). Write plainly name, address and style number. Be sure to state size.  
The new spring 1934 edition of the Anne Adams pattern book features all the best spring styles for adults and children. Send for your copy of this interesting, helpful book and be able to see the styles. Price of book 10 cents. Book and pattern together, 20 cents.  
Address orders to The Oregon Statesman, Pattern Dept., 215 South Commercial street, Salem. Make necessary enclosure. Your order will be promptly attended to.  
Orders customarily are filled within four days from the time received by The Statesman.
