Interesting

Three Salem lads went through he new Union Pacific Train 25 times while it was here Saturday. Each time they received one of the lucky piece aluminum coins.

The Salem Navigation company carried 55,000 tons of freight on their boat from Salem during 1933. The company entertained the members of the Salem Chamber of Commerce at luncheon on board the S. S. Northwestern yesterday noon. The attendance was about double that of the regular meeting. We don't know whether it was the idea of a free meal or the novelty of eating on the boat.

TURNER, March 26. - Turner 4-H clubs and their leaders gave a benefit entertainment and basket social Friday night at the school auditorium. Hobert Smith was master of ceremonies, introducing the Doolittle entertainers.

Spring lambs droped a cent locally Monday to a top of nine cents a pound.

Hogs, live, made a 15 cent gain, to top of \$4.50. Other prices remained unchanged. Local asparagus, but a small quantity of which is as yet finding its way to stores here, is still bringing the producer \$1.25 per dozen bunches.

NEW YORK, March 26 .- (AP)-Removal of the automobile strike threat from the industrial picture failed to generate noteworthy bullishness in the stock market today. Prices rallied at and just after the opening when trade was at a brisk pace, but demand soon slackened and the later hours found the list back in a humdrum routine of small buying and sell-

The early rally looked like covering by shorts who had not completed their repurchases last week. Motors were particularly responsive for a time and later mining issues strengthened, however, advancing tendencies lacked durability and by the close the averages were only one - tenth point net higher. Sales totaled 1,296,330 shares. A rise in domestic corporation bonds through the mid-day period was succeeded by quiet reactions from the highs.

Wheat weakened. General Motors, Chrysler, Nash and several other auto issues rose more than a point during the early flurry. Motors closed unchanged, while Chrysler held an advance of nearly a point. U. S. Steel, Westinghouse, Du Pont, Montgomery Ward and North American were fractional losers. Iuternational Nickel, U. S. Smelting, American Smelting, McIntyre and Dome finished steady to firm. Mc-Lellan Stores and the McCrory issues turned soggy. Aircrafts also eased.
