Interesting

A Statesman carrier thinks the meanest man in town is the man who subscribes for the paper and fails to pay.

One-cent pieces weigh 48 grains and contain 95 per cent copper and five per cent tin and zinc. Five-cent pieces weigh 77.16 grains and consist of 75 per cent copper and 25 per cent nickel. Among the subsidiary silver coins are 10, 25 and 50-cent pieces which weigh 385.8 grains to the dollar, 900-1,000ths fine. Silver dollars weigh 412.5 grains, 900-1000ths fine. All silver coins have a certain amount of alloy for purposes of durability.

\_\_\_0\_ Home Owners' Loan corporaion reveals that applications received for mortgage refinancing would exceed a total of \$3,000,-000,000 while the agency has only \$2,000,000,000 in four per cent bonds and \$200,000,000 in cash assets, all of which is nearly exhausted.

A meteor fell in broad daylight and struck and burned a house in the village of Rinconada, Spain. It is the only case known in history where a meteor has hit and destroyed a dwelling, though there are eight or 10 other instances of their striking houses.

WANTED—USED CARS Will pay cash for light sedan around \$250.00. Address, Box 456, % StatesRye Leaps 5 Cents Higher

## POLAND SHIPMENTS STATUS QUESTIONED

CHICAGO, April 7. - (AP) - Fireworks in the rye market today gave quotations for that grain an upward whirl to almost 5 cents a bushel higher than yesterday's bottom figures.

The apex today for rye values followed orders from Washington that seven big shipments of rye from Poland be shut out from landing in the United States pen iing investigation to determine whether the grain was subject to added duties under the anti-lumping clause of the United States tariff act. Further impetus to rye market unturns came from an authoritative estimate that the condition of the 1934 domestic crop of rye is only 65.1, breaking the low point record. DR. O. L. SCOTT, PSC, Chiropractor, 256 N. High, Tel. Res. 8752.

Rye closed unsettled at a fraction under the top prices reached but 1 1/8 - 1/8 above yesterday's finish, wheat unchanged to 1/2 higher, corn 1/8-1/2 up, oats 1/8-1/4 advanced, and provisions varying from 20 cents decline to a rise of 2 cents.

Today's closing quotations: Wheat - May, 86 1/2 - 5/8; July, 86%-1/2; September, 871/4-1/8. Corn - May, 48%-%; July, 51 1/4 - 1/4; September, 53 1/4 - 1/4. Oats-May, 32%; July, 33%; September, 33%.

transfers. Noranda and Howe Sound were firm metals, the former being fairly active. Chesapeake Corp., worked a little higher in furtherance of yesterday's efforts. but shares of the railway companies were quiet though firm. Light and power issues accomplished little.

A new circular of information

pest, but it has been identified in scattered sections of all coast states. The exceedingly small mites are often found in enormous numbers at the base of the leaf stems around the crown, where they puncture the tissues and cause dwarfing, and sometime a crinkled discoloration. A closely related pest in England is checked by a hot water treat-

egarding a dangerous strawberry pest, the cyclamen mite, has just been issued by the Oregon Experiment station in which Dr. Don C. Mote, entomologist, requests growers who suspect the presence of this pest to sent a plant to the station for examination. Such a plant may be cut below the crown, wrapped in waxed paper and mailed to the callege at Corvallis. Little is yet known about this

ment applied to new plants, Dr. Mote reports.
