

HOFFER'S BUSINESS LEFT TO HIS SONS

PORTLAND, Ore., April 12.—(AP)—Business interests of the late E. Hoffer, veteran Oregon publisher, were left to his sons under terms of his will admitted to probate court here today.

Value of the estate was placed at "more than \$10,000," attorneys explaining it had not yet been appraised.

R. M. Hoffer and L. P. Hoffer, sons to whom the Manufacturer and the Industrial News Bureau were left, shall pay over a fixed sum to the residuary estate.

Residue of the estate was left in trust, the income to be turned over to the widow, Wynona H. Hoffer, and to a daughter, Florence Hoffer Bynon. At the death of the widow the residuary estate is to be distributed.

Gasoline Price Lowered Again

SEATTLE, April 12.—(AP)—Independent gasoline retailers dropped the price of gas today two cents more, to 14 cents, although company stations held to the 16-cent price. Two weeks ago the same kind of gas, second brand non-Ethyl, generally sold for 22 cents here.

PATTERN

By ANNE ADAMS
When your days are bursting with invitations, places to go and things to do—this smart frock will carry you through them in the height of fashion. One of its irresistible tricks is the detachable cape—that completely transforms a simple, tailored sort of frock—see small sketch—into a truly charming feminine affair. The bodice seamings point upward for chic, the skirt adopts a center seam and pleat—and together they create a very slender silhouette. Attractive in printed silks, one of the new sheer crepes or novelty cottons in vogue—with a bit of dainty ruffling to trim the neckline.

Pattern 1812 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 39 inch fabric and 1/4 yard ruffling. Illustrated step-by-step sewing instructions included.

Send 15 cents in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

RUFUS CALLS SAM MINOR CANDIDATE

Rufus C. Holman, long the bosom political friend of Senator Sam Brown, the Gervais sausage maker, formally broke with his erstwhile associate yesterday when he issued a statement characterizing Brown's campaign for the republican nomination as that of a "candidate of minor significance."

"My attention has been called to a news item which reports one of the candidates for governor of minor significance (Brown) as saying 'his forces had been approached by representatives of Holman.'"

"Permit me to state," Holman declared, "that I have not authorized or even suggested to anyone to interview other candidates in my interest; nor have I a political organization, a campaign manager, campaign headquarters or any of the extraneous inefficiencies which characterize the hubbub of self-seeking politicians."

Without modesty, the state treasurer declares himself the "leading republican candidate" and says he "will no doubt continue to be the victim of guerilla warfare from candidates who have nothing to offer as candidates but who seek public notice by attacking me. I request the public to withhold judgment on all such attacks during the campaign."

"First Lady" on Easter Morn

While the President spent Easter Sunday "somewhere off the Florida coast" on the Astor yacht Nourmahal, Mrs. Franklin D. Roosevelt attended services at St. Thomas Church in Washington. She is shown leaving with her son, John, who was recently operated on at the Naval Hospital.

RESTAURANT CODE HEARING IS SOON

A state restaurant code will be outlined at a hearing to be held at Salem sometime within the next two weeks, it was announced yesterday by Max Gehlhar. The date will be set later.

The code would set minimum prices for various types of meals and a definite markup of sale prices of dishes over cost of materials. A proposal would fix the sale price at 100 per cent over the cost of materials used.

The code would be administered by a board of 15 members, five named by the county associations and five by the governor. A new restaurant, it was proposed, would need permission of the county association to open.

Settlement of Tax Cases Told By Government

WASHINGTON, April 12.—(AP)—Terminating them the first victories since the drive against delinquents started a month ago, Attorney General Cummings announced today the settlement of several income tax cases by full payment plus interest and a 50 per cent penalty.

Cummings said Thomas L. Sidlo, law partner of Newton D. Baker, Woodrow Wilson's secretary

of war, had made voluntary settlement. He made no identification of other payers nor would he give further details of the Sidlo case.

Rivers Rampage In New England As Snow Melts

BOSTON, April 12.—(AP)—Torrential rain and melting snow tonight had overtaken many New England rivers, caused floods and washouts and necessitated the rescue of persons in marooned homes.

A flood warning was issued for the Winoski valley in Vermont as the Winoski river continued to rise.

All over Vermont and New Hampshire roads were reported either flooded or washed out.

Canal Zone May Frown on Films Produced There

PANAMA, April 12.—(AP)—The Panama Canal administration declined today to give any encouragement to the projected filming of a motion picture "That Girl" by the Fox Film company.

"Misinformation gives a preposterous picture of life on the isthmus," it was said the department of justice would take proper action when the company applies for a permit.
