Pattern

1789 Anne Adams

By ANNE ADAMS
 There is nothing like giving one's children the right start in life, and here is one way for the mother of a promising little daughter to do it. This is exactly the sort of frock a nice little girl should wear—it shows a sense of good taste and a sure knowledge of style translated in the terms of childhood. Observe, if you please, the chic little yoke—the frills over the shoulders—that long panel ending in inverted pleats at the front—and last, but certainly not least, the well fitting bloomers peeping out below.

Pattern 1789 is available in sizes 2, 4, 6, 8 and 10. Size 4 takes 2 3/4 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

Send 15 cents in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

The latest edition of the Anne Adams pattern book features all the latest styles for adults and children. Send for your copy of this interesting, helpful book and be child. Price of book, 15 cents. Book and pattern together, 25 cents.
