Pattern

By ANNE ADAMS

For the days when you wish something soft and feminine and very flattering, this is the frock. Be sure you choose a becoming color. The rippled ruffles are one of its best features... you will not know just how graceful they are... and slenderizing... until you see them in the fabric. The sleeves are smart, too, and so is the twice pointed yoke in the skirt, and every woman always likes a surplice line. It makes a lovely frock in a sheer dark material with white or ecru net revers... can't you just picture it that way?

Pattern 853 is available in sizes 34, 36, 38, 40, 42, 44 and 46. Size 36 takes 3 1/2 yards 39 inch fabric and 1/2 yard contrast. Illustrated step-by-step sewing instructions included.

Fish is Topic This Week For Recipe Round Table

THERE are crab salads made with just lettuce and mayonnaise which are good. There are also crab salads which include other ingredients and perhaps a piquant, different dressing. If you have a choice recipe for the latter type, send it to the Recipe Round Table editor before Thursday noon of this coming week and you may win a cash prize.

Fish recipes of all sorts are welcome in this week's topic. Clam, lobster, salmon, oyster and sardine concoctions, whether boiled, stewed, baked or fried may be entered in the contest.

Summer desserts are easy to prepare, especially if one has an electric refrigerator. The following ideas are attractive either for family meals, guest dinners or parties:

Banana Marlow

ALL-BRAN RELIEVED HIS CONSTIPATION

Delicious Cereal Brought New Health to Mr. Bartholomew

When I thought of taking ALL-BRAN, I started eating a cereal dishful two or three times a day.

"It has been over a year now since I ate that first dish of bran, but from that day to this I have had the pleasure of enjoying the proper functioning of the digestive organs.

"Thanks to ALL-BRAN, I still eat it regularly and like it better all the time."—Lester Bartholomew, Cadillac, Mich.

Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to promote elimination. ALL-BRAN supplies both, as well as iron for the blood.

"The 'bulk' in ALL-BRAN is much like that of leafy vegetables. Certainly this food is more natural than taking harmful patent medicines. Two tablespoonfuls daily will usually overcome most types of constipation. With each meal in chronic cases. If not relieved this way, see your doctor.
