

Early Hop Picking in Valley Yards Now in Full Swing

LATE HOPS DUE IN TWO WEEKS

Picker's Day Will Vary from One to One-Twenty A Hundred

Harvest of fuggles and early clusters in all sections of the valley is starting this week in earnest. Prices paid to pickers will vary from \$1 to \$1.20 a hundred weight. Picking of the late or heavier hops will begin within the next two weeks.

MT. ANGELO, Aug. 20.—This week sees hop picking in full swing around Mt. Angelo. Picking in the College yards, which comprise an acreage of about 100 acres commenced last Friday. The same day the start was made in the Joseph Walker yards. May and Aman began picking Saturday. Most of the yards north of town will begin either today or Tuesday.

A few of the growers are offering their pickers \$1.20 per hundred weight, or a bonus of 20 cents on the condition of cleaner picking and the assurance of remaining with the same crew throughout the season. Hops are reported as being in good condition.

BROOKS, Aug. 20.—Picking of fuggles in the Romeo Gouley yard is finished. He will begin picking his early clusters Wednesday. Picking in other yards will begin the last of this month.

ELDRIDGE, Aug. 20.—Picking of early hops began today in the Al Kune and Carter Keene yards. Harvest of the late crop will not be as early as at first estimated.

Picking of late hops will begin the last of August in most fields.

INFLATION BUBBLE EXPANDING, NOTED

NEW YORK, Aug. 20.—(AP)—Bursting of the latest inflation bubble, blown from the suds of silver nationalization, dominated the financial scene last week.

United States government bonds regained a good part of their sharp losses of the preceding fortnight, and pulled the general investment market up sharply.

Dimming inflation hopes or fears accelerated a reaction in grains and cotton, but the stock market remained lackadaisical, and after a modest rally on Monday, merely drifted.

Hog and livestock prices continued to rise, and higher prices for foods were forecast for the winter. No general price advance seemed in the offing, however, as a number of concerns seemed more intent upon striving for volume of business than for higher profit margins.

Issuance of the autumn and winter catalogue of one of the leading mail order houses, showing reduced prices in a number of lines, attracted considerable attention.

Enjoy Crater Lake and Beach Travels

JEFFERSON, Aug. 20.—Mr. and Mrs. Paul McKee and their cousin, Mrs. McKee and son Richard, and Miss Jean McKee returned Friday night from a motor trip to Crater Lake.

Saturday morning, Mr. and Mrs. Chas. McKee took Mrs. McKee and son on a trip to the Oregon beaches. This is Mrs. McKee's and son's first trip to Oregon, and are enjoying these sight seeing trips which their relatives are showing them.

Enlists in U. S. Navy To Train 12 Months

TALBOT, Aug. 20.—Carl William Roan has been enlisted by the United States navy through the recruiting station at Corvallis, with Ellis Harding as recruiting officer.

Roan is the son of Mr. and Mrs. Harry Roan. The young man left the same day for San Diego, California, where he will be given a twelve weeks' period of training.

Gervais Grass Fire Spreads to Church

GERVAIS, Aug. 20.—A grass fire got beyond control and the fire department was called out, the first time since it responded to calls to grass fires last year.

The fire burned near the Catholic church and got to about 15 feet of the G. T. Wadsworth residence before it was under control.

GIRLS TRY CAMP COOKING SILVERTON HILLS, Aug. 20.—As an over-night camp cookery project, Mrs. C. J. Towe took a group of Silvertown Hills girls down on Powers Creek almost as far as the Dunigan bridge Thursday night, where an outdoor supper and breakfast was prepared by the girls under the supervision of Mrs. Towe.

RECOVERING FROM FALL LABISH CENTER, Aug. 20.—Mrs. Charlotte Biser is recovering from injuries she suffered recently when she fell at her home. Mrs. Biser is over 55 years old. She is convalescing at the home of her daughter, Mrs. O. G. McClaughery here.

No Depression for Eldridge Folk With Town "Doll-Up" On

ELDRIDGE, Aug. 20.—Mr. and Mrs. John Kienski have made extensive improvements on their home this month. Their house has been remodeled, the roof resingled and repainted.

The A. W. Nason's are also having their house repainted.

Two wells have been dug in this community this month; one at the A. W. Nason farm at a depth of 122 feet and one on the Pearl Peterson place.

These improvements with the new schoolhouse and Campbell's store built here this summer make the Eldridge community appear unusually prosperous.

Pony on the Loose Routs Out Concert

MT. ANGELO, Aug. 20.—A pony belonging to the Walker boys caused enough excitement in town to interrupt a band concert.

It seems the pony had been left tied near The White Corner by the lads and upon their not returning for some time grew restless and in stamping around, accidentally jammed one leg into an open tin, breaking the leg.

The marshal was called, but was undecided as to whether the city ordinance permitted shooting within the city limits. Spectators gathered fast and the crowd assembled downtown for the band concert surged towards the scene. The band boys, left without an audience, stopped their playing.

The poor horse was finally shot by Bud Hassing and the town regained its equilibrium.

Dallas Schools to Start Sept. 17 Is Decision of Board

DALLAS, Aug. 20.—Members of the school board of district 2, decided on Monday, September 17, as the opening date for the city schools this year at a meeting held recently. This date was believed to allow enough time for the students to complete their work in the hops and prunes.

Several changes have been made in the faculty of the local schools but no list of the teachers for the 1934-35 school year is available at present. Dates for registration for high school students will be announced later.

Independence Will Open Schools Last Week of September

INDEPENDENCE, Aug. 20.—September 24 has been the date decided upon by the school board for opening of the schools in Independence. It is believed that this will give all students a chance to finish picking hops.

Mrs. Ruth H. Reed of Berkeley, California, will fill the position as second grade supervisor in place of Miss Helen Martin, who is on leave of absence. Mrs. Reed is at Columbia university in New York, this summer acquiring her master's degree.

Brother Is Dead in Idaho, Word Comes

GERVAIS, Aug. 20.—Mrs. Summer Stevens received a telegram Monday morning stating that her brother, Clarence Vincent, had died at Moscow, Idaho, following an operation.

Mrs. Stevens and her sister, Mrs. Elsie Williams of Corvallis, and brother, Ira Vincent of Wren, left Monday afternoon for Moscow. Their nieces, Ione and Doris Turner, were expected to join them in Portland. Mr. Vincent had taught in the college at Moscow for 25 or more years.

Sister Liberty Lady Gets Syrian Position

LIBERTY, Aug. 20.—Mrs. C. W. Stacey received word of the appointment of her sister, Wilma Stevens as supervisor of the medical and optical pavilion of the American university in Beirut, Syria, for three years.

The past year Miss Stevens held the position of supervisor of the optical department of the Syracuse Memorial hospital in Syracuse last summer and made many friends here.

NEW BOOKS DONATED

MOLALLA, Aug. 18.—Twenty books have recently been donated to the city library, according to W. Mackrell, librarian. Seven of them were given by Branch Harless and the rest by Mrs. Leo Chaver.

Dead Doctor Heals Stomach Ailments

A wild story is told of a well-known specialist reaching from the grave to cure stomach ailments. Years ago this doctor created a prescription for stomach ulcers, acid stomach, gas pains, heartburn, indigestion, bloating, belching, and other symptoms when caused by excess acid. Then the good doctor died. But his name brought fame after death as one user told another of his wonderful prescription. In the past six years, 64,189 grateful persons have written letters telling of their recoveries. This prescription is now known as Udo's.

Udo's is sold in the Udo's Treatment. All stomach ailments may have a free sample by writing to Udo, Suite 21, Food-Science Bldg., St. Paul, Minn. The seven-day trial box of Udo's Tablets is sold under a money-back guarantee of satisfaction.

CAPITAL DRUG STORE

FARMS TRADED IN DOUBLE LAND DEAL

Dayton Place Is Swapped for Gibson Property at Oregon City

DAYTON, Aug. 20.—A deal has been made whereby Wendell Willard disposed of his 202 1/2 acre ranch two miles southeast of Dayton to Mr. Gibson and son, George, of Oregon City, and became owner of the 77 acre Gibson farm six miles northeast of Oregon City.

Both parties to take possession about October 15. There are 30 acres of alfalfa on the Dayton farm and rest in timber pasture on Willamette river bottom.

There are 15 acres in cultivation in the Oregon City farm. The deal was consummated by John Arms, realtor of Dayton.

Steam Shovel Digs Up Bright Colored Clay Near Santiam

GATES, Aug. 20.—The steam shovel has been working on what is known as the Spencer hill west of Gates on the new section on the Santiam highway. This hill is mostly of clay and large rock formation.

The clay is of many bright colors and is pliable enough for the children to use as modeling clay as it comes from the hill. The grading work is mostly finished.

A rock crusher will be installed in Mill City and surfacing will soon commence.

Leave for Chicago Home After Wedding

WACONDA, Aug. 20.—Mr. and Mrs. Paul F. Miller (Frances Lemery) left for their home in Chicago after a short wedding trip. They were married Sunday, August 12, at the home of the bride's parents, Mr. and Mrs. George Lemery.

Dogwood "Puts on The Dog" With Two Sets of Blossoms

JEFFERSON, Aug. 20.—Mrs. Sylvia Covey in Millersburg district has a big dogwood tree which has bloomed twice this season. Early in the spring it was covered with white blossoms, and now in August it is in full bloom again.

Old-timers say they have never heard of anything like it. However, the tree at Miss Covey's has broken the record, this season.

Clear Away Fire Debris For Rebuild

STAYTON, Aug. 20.—E. T. Matthes, whose large building on Main street was recently destroyed by fire, has a crew of men at work cleaning up the debris, preparatory to rebuilding.

The new building will be a one story affair, 50x70, but whether of brick and tile, or concrete has not been decided upon. There will be two rooms in the new structure, 25x70, and it is reported about town the Albus drug store will occupy one of them.

Joe Sestak, whose adjoining building was partly destroyed also has men at work tearing down the remainder of his building and cleaning up the property in preparation to rebuilding. His building will be tile and faced brick, and 25x60. Drew Lambricht, who had a meat market in the building at the time of the fire will be the tenant.

FAIR DATE SET SILVERTON HILLS, Aug. 20.—The date for the Silvertown Hills Grange fair was set at the Friday night meeting, for October 6th. The Home Economics club, with Mrs. E. S. Porter as president; and the agricultural committee of the grange, with Oscar Lee as chairman, will be in charge of the arrangements for the fair.

RETURN FROM TRIP TO UTAH COUNTRY

LIBERTY, Aug. 20.—Fred Cone returned home from a very interesting trip. He accompanied his daughter-in-law, Mrs. Will Cone and family to Salt Lake City, Utah to join her husband, who has been at work there for several months.

Mrs. Thomas Acheson (nee Cone) and children, Mary and Helen of Portland, who are visiting here, also made the trip in their car. The party visited at Springdale, Utah. Mr. Cone's home 15 years ago, also in Boulder City, near Boulder Dam, at the home of another daughter, Mrs. Richard Brimm.

The return trip was made through California where stops were made at various places to visit friends.

Buckeroo Moguls Resign Posts in Three-Week Tiffs

MOLALLA, August 20.—The Molalla Buckeroo association now lacks a president, a secretary and a treasurer, all of these officers having resigned.

Gilbert Harris, Portland, the president, was the first to hand in his resignation. He resigned as a director as well as an officer. George Overjode, secretary, and Harry Frazer, treasurer, resigned only their offices. Slight difficulties within the ranks of the association led to two of the withdrawals.

Old-Timer Surprises Friends With Visit

GATES, Aug. 20.—Of interest to old-timers in Gates and the Santiam valley was the call of Mr. and Mrs. Jim Cox from San Bernardino, California, during this week. Cox owned and operated a store here 33 years ago. While here he visited at the home of Mr. and Mrs. E. J. Richards and family, also with A. B. Horner.

139 Get Jobs in Past Week With Uncle Sam's Aid

Agricultural activities last week sent the number of jobs secured through the national re-employment agency, 250 Court street, to a total of 139, Manager D. D. Dotson announced last night. Prune harvesting accounted for 65 jobs, hop picking for 40. The remainder was divided as follows:

Common labor, 13, bean picking seven, housework three, road work three, general farm labor three, and dishwashing, wood cutting, nursing, milking and cooking one each.

Family Back From Six Weeks Trip to Mid-West Section

LABISH CENTER, Aug. 20.—The W. F. Klampe family returned Saturday from a six weeks motor trip throughout the middle-west. Brothers of Mr. Klampe were visited at Joliet, Mont.; Raymond, S. Dak.; Spencer, Ia.; and Winamac, Ind., also Mrs. Klampe's brother at Arnolds Park, Ia. and a son at Grant, Mich.

The family visited Yellowstone park, the Black Hills, the Century of Progress and returned via Salt Lake City and the McKenzie highway. Relatives were also visited in Minneapolis, Illinois and other parts of Iowa.

Boy Gets Painful Burn as He Slips Back in Hot Water

LIBERTY, Aug. 20.—Little Roger Dasch suffered quite a painful accident by falling backwards into a tub of hot water while at play. The most serious part of his injury was a patch of skin about the size of the palm of a hand taken off his hip.

Mrs. Dasch was preparing a warm bath for one of the youngsters and the little boy while at play walked backward, falling into the tub.

GATES SCHOOL TO BEGIN WEEK LATE

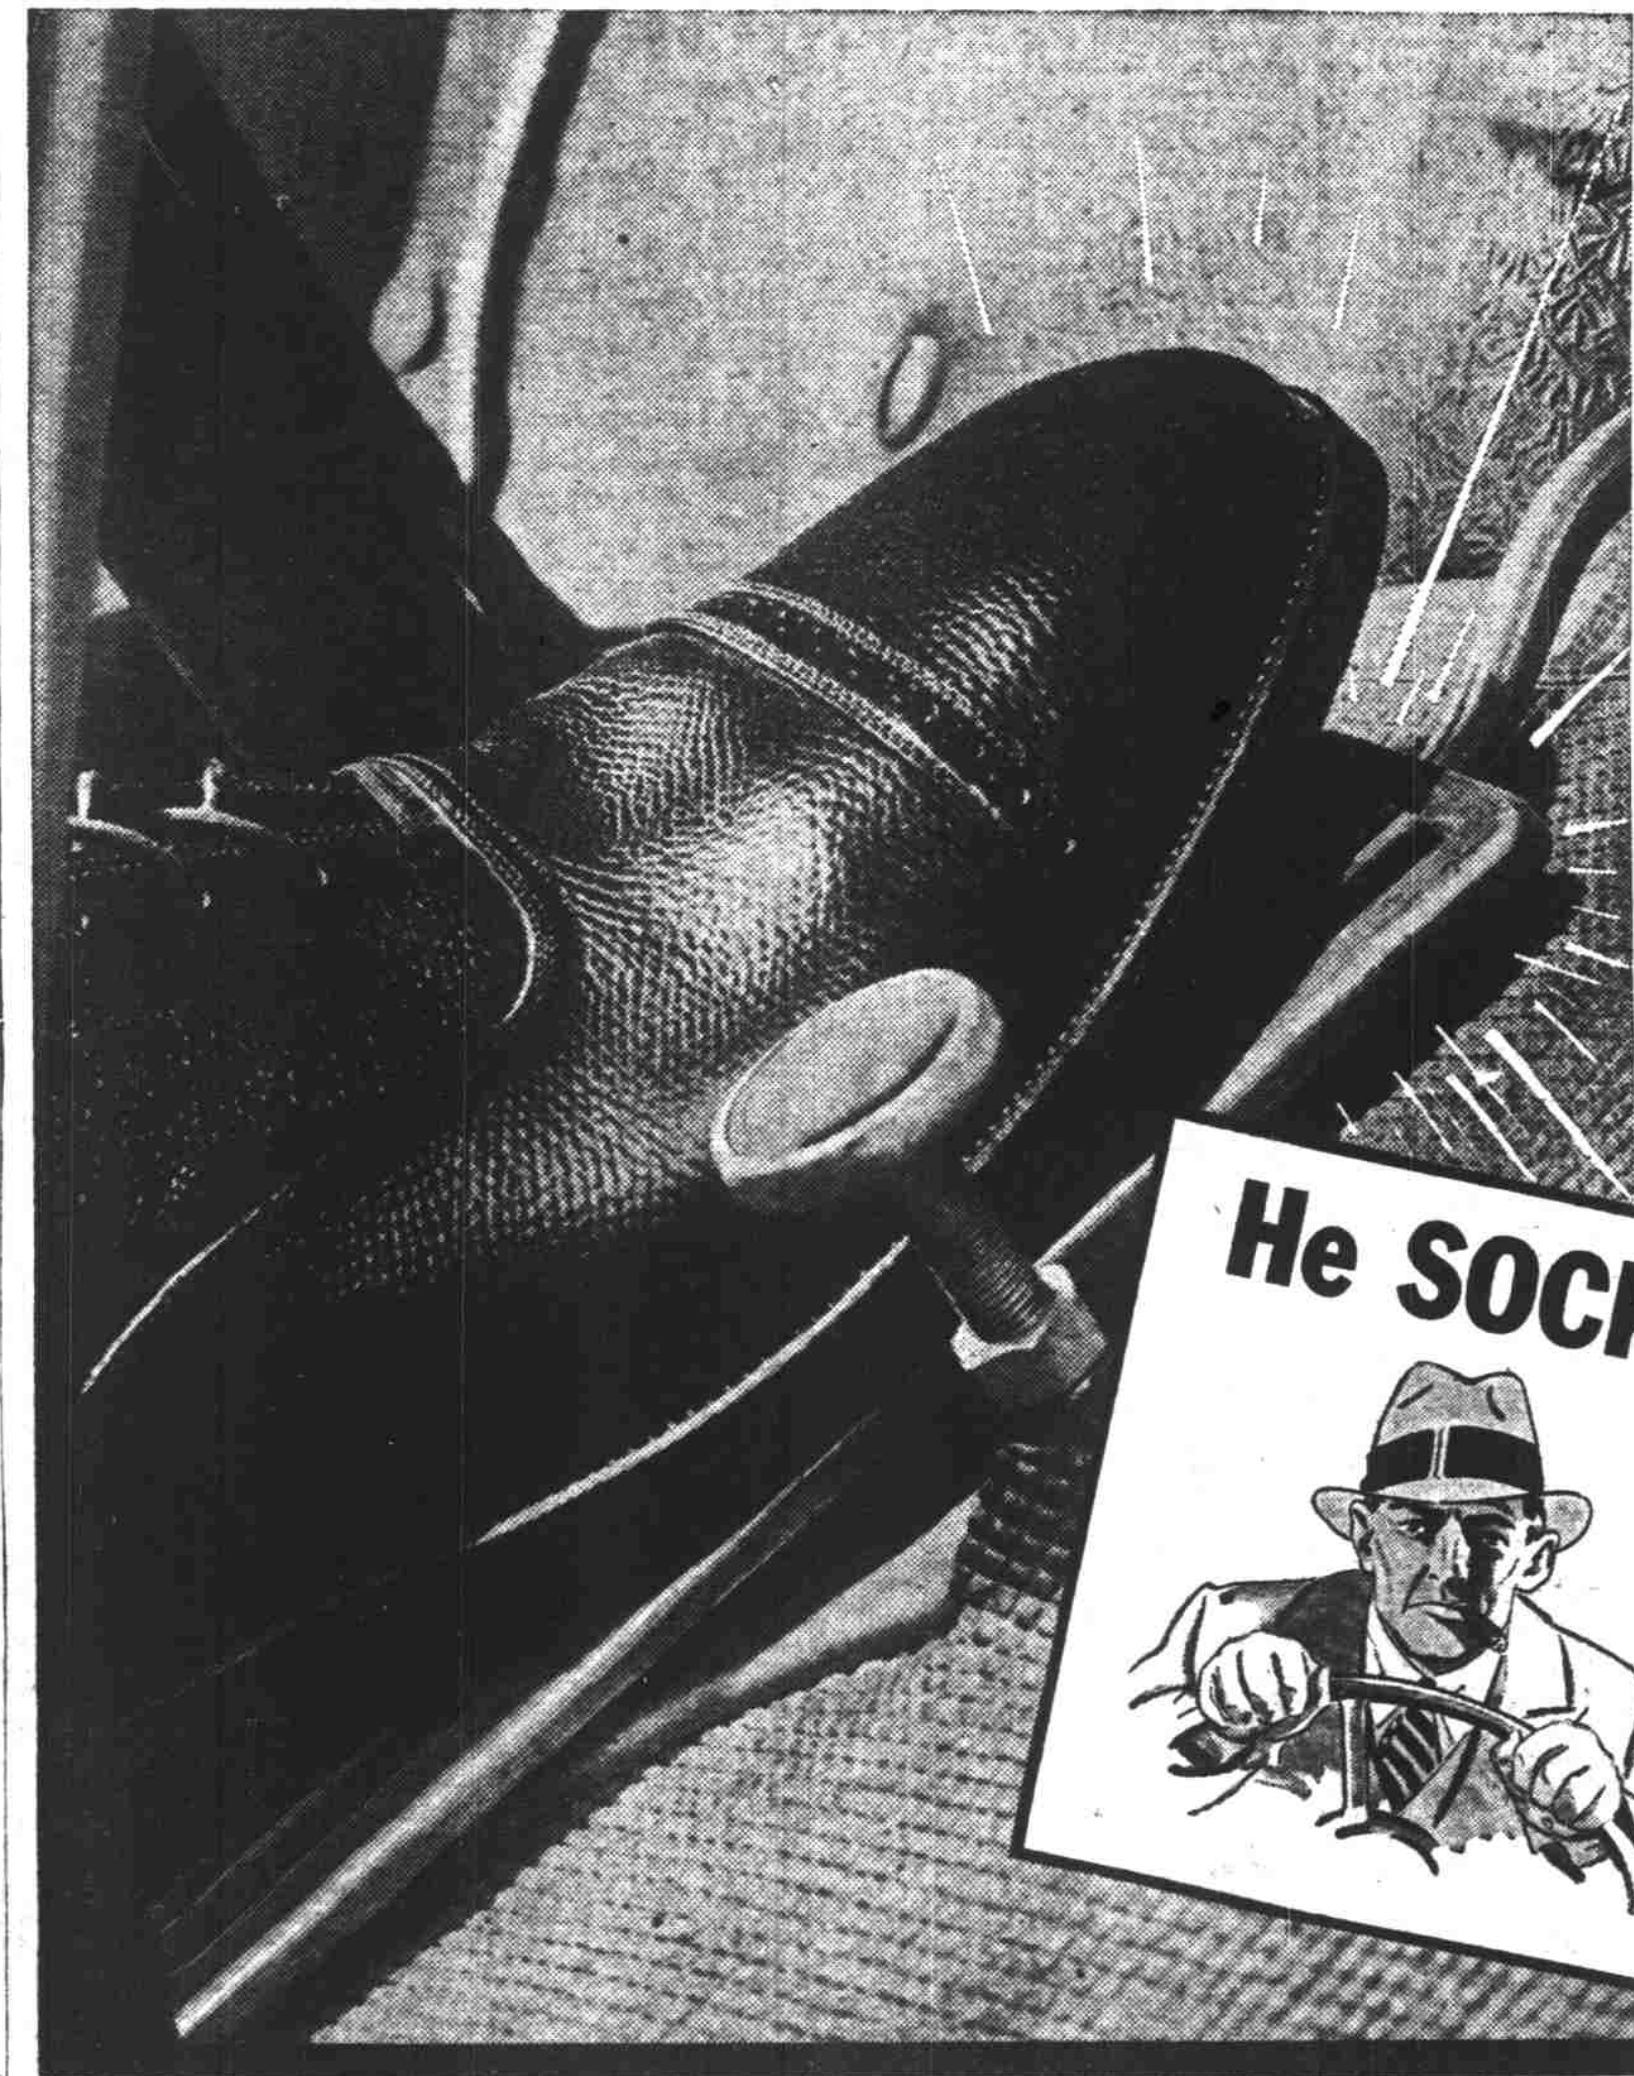

GATES, August 20.—The opening date for the Gates schools has been changed from September 3, to a week later, September 10. The change was thought best for several reasons. Many of the students have found employment in

hop and prune yards as well as other places during the past few days. The work of refinishing the floors in the high school building will take some time yet although Norris Thomas, school board chairman expects everything could be in readiness by the earlier date.

BUILDING BOOMS A. H. Bradford is completing a new barn and C. A. Bear is building a large up to date hog house with cement base.

Do you waste gasoline the way this man does?

He SOCKS the floor board!

Stomping down on the accelerator full force ("floor board socking") pumps gasoline into the cylinders faster than it can be used economically. Super-Shell, because it is "balance-refined," contains the volatile QUICK ACTING FRACTIONS that give lightning pick-up. Thus you always get faster response (and less waste). And you don't need to "sock the floor board."

Your gasoline itself can cause these 10 little wastes that Super-Shell positively reduces

- PICK-UP WASTE REDUCED—by Super-Shell's quick-acting energy.
- MILEAGE WASTE REDUCED—because Super-Shell is all power.
- STARTING WASTE REDUCED—also by its powerful volatile fractions.
- DETONATION WASTE REDUCED—by Super-Shell's top octane (anti-knock) quality.
- WARMING-UP WASTE REDUCED—because Super-Shell is made to deliver full power in a cold motor.
- CARBON-FORMING WASTE REDUCED—because every drop of Super-Shell is clean burning.
- VAPOR LOCK WASTE REDUCED—because the erratic gassy "tops" are entirely removed from Super-Shell.
- GAS TANK LOSSES REDUCED—because the quick-evaporating gassy "tops" just aren't there.
- DILUTION WASTES REDUCED—because Super-Shell vaporizes fully over a wider range of operating temperatures.
- COMBUSTION WASTES REDUCED—because there are no heavy "bottoms" to escape unburned.
