Pattern

By ANNE ADAMS

The way to get a bit of glamor into housework is to dress the part prettily. Wear something like the frock sketched above. If you make it of a white print with gay red leaves on it, for example, it will throw a rose-colored glow over the bluest Monday morning. That's a fact—it will! It is so trim and becoming with its skirt panel that grows into a pretty pointed girdle, and a sash in the back by which you can draw it in snugly about the waist. The small revers are exactly right, and there is something most fetching about the perky sleeves finished with a narrow little cuff.

Pattern 1960 is available in sizes 14, 16, 18, 20, 32, 34, 36, 38, 40 and 42. Size 16 takes 3⅞ yards 36 inh fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE.

Send for the new Fall and Winter issue of the Anne Adams Pattern Book and know what is new in smart clothes. It takes you through the whole of fashion from lingerie to outergarments . . . not overlooking some alluring new house frocks . . . and bearing in mind the needs of the younger generation. Price of book fifteen cents. Book and pattern together twenty-five cents.

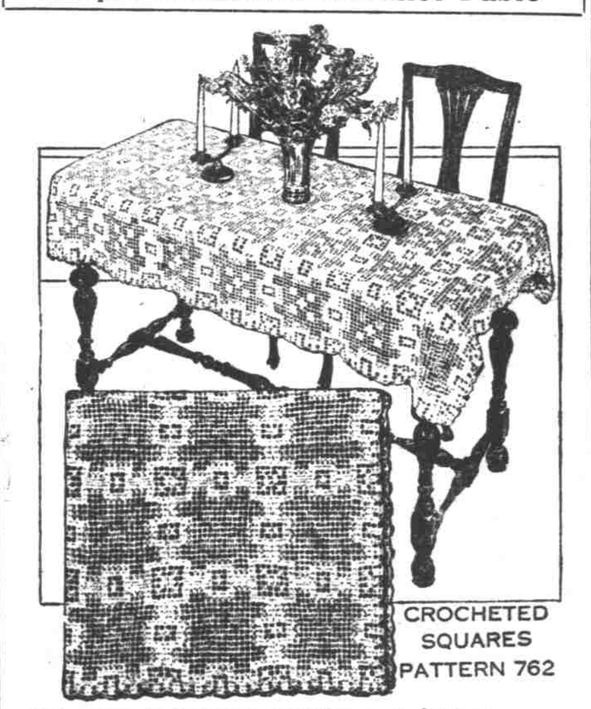
The young folks left on a trip to various beaches and upon their return will be at home in the new house they have built near that of her mother.

Simple Crochet to Enhance Table



CROCHETED SQUARES PATTERN 762

What woman hasn't longed for a lovely, lacey table cloth? She knows it will make her dishes, glassware and silver all look their very best. Here is her chance to realize this wish — and many others, for this lovely square lends itself to scarfs, luncheon sets, doilies and many other articles. Done in filet effect, it looks well in string or linen thread. It is simple to do — measures 7½ inches and so does not take so many to make a choice cloth. The squares, as they join, from a design that goes throughout the article, a feature that increases the interest of joining them.

Pattern 762 comes to you with complete directions for making the square and joining it to form a variety of articles; material requirements; illustrations of all stitches used and of the square and the article shown.

Send 10 cents in stamps or coin (coin preferred) for this pattern to The Oregon Statesman Needlecraft Dept.

Company Unfair; Hired Truckmen Of Wrong Union

PORTLAND, Ore., Sept. 20—(AP) —The Central Labor council of Portland today declared the Northwest Brewing company "unfair" for failing to hire truckers from the teamsters' union of the American Federation of Labor.

Company truckers have been hired from the Brewery Workers' union, an A.F.O.L. affiliate, Gust Anderson, secretary of the council, said.

The American Federation of Labor awarded jurisdiction over brewery trucks to the teamsters' organization, said Anderson.

Reward Offered Still Stands in Lindbergh Case

TRENTON, N. J., Sept. 20.—(AP) —A $25,000 reward offered by the state of New Jersey for information leading to the apprehension and conviction of the "kidnaper or kidnapers" of Charles A. Lindbergh Jr., still stands.

Soon after the kidnaping, the New Jersey legislature authorized the governor to offer a reward not exceeding $25,000 in any case involving the kidnaping of a child under 16. Governor A. Harry Moore on May 24 that year issued a proclamation posting the maximum reward in the Lindbergh case.

PLAN FOR SETTLING STRIKE IS OFFERED

WASHINGTON, Sept. 20.—(AP)—A plan for settling the great strike in the textile industry was proposed tonight by the winant mediation board and given the authority of President Roosevelt's backing.

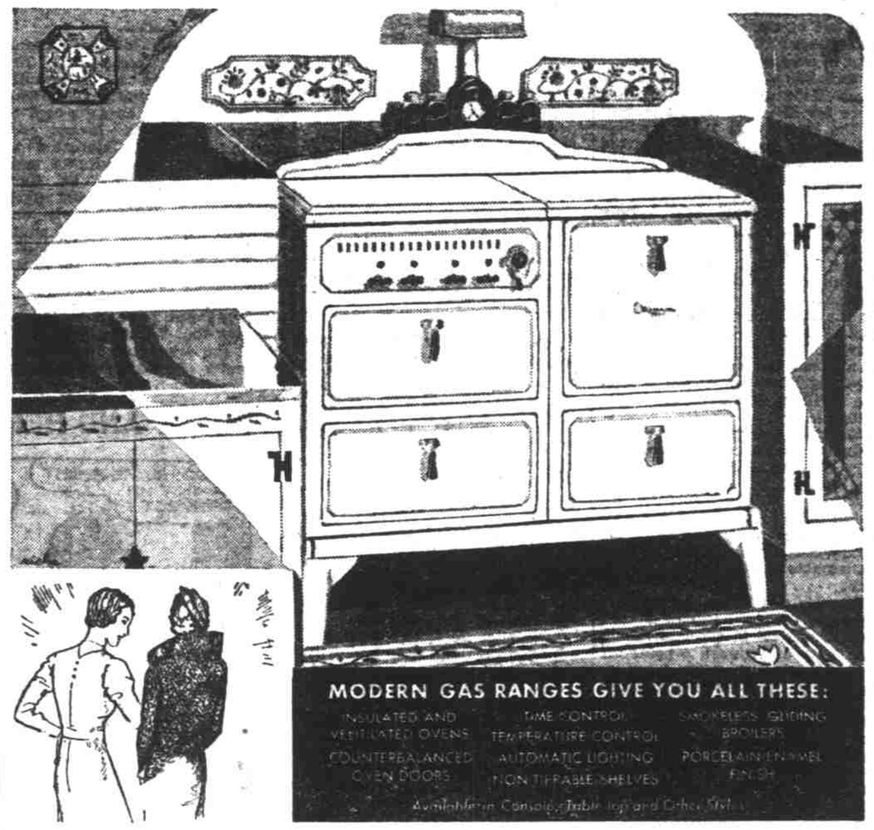
But at headquarters of the United Textile Workers it was said that until the U. T. W.'s executive council "decides otherwise," the strike will and must continue in full force."

The winant board's plan called for:

Creation of a textile labor relations board for the "more adequate protection of labor's rights under the collective bargaining and other labor provisions of the code."

A study by the labor department and the federal trade commission to determine whether increased wages are economically feasible.

An investigation by the labor department to settle the question of differentials between minimum wages prescribed by the code and compensation of skilled workers.



Jane, that new GAS RANGE

makes your kitchen look like a magazine illustration!

● Modern gas ranges virtually look "too good to be true". Their beauty is startling—yet lasting—for it is the result of skillful styling, precise craftsmanship and lovely, colorful enamel finishes. However, these ranges are not all "face value". They contain the same advantages that have always made gas better for cooking; namely, *an unlimited variety of temperatures, instant heat, and economy of operation.* Supplementing these advantages are all the modern conveniences necessary to make cooking effortless and enjoyable. See the list above . . . These reasons and many more suggest that you inspect the new gas ranges first.

Why not plan to visit the Portland Gas & Coke Company's showrooms? Or visit your dealer's and let him explain the new features and terms of purchase?
