# Bearcats Entrain Today for California and Tough Game

24 Players Will Make Trip And All in Good Shape **Excepting Grannis** 

With San Jose their destination and hoping strongly for victory over San Jose State, 24 Willamette football players, accompanied by the coaching staff, will entrain this morning for the first trip into California a Bearcat team has made since 1905.

The team is in fine condition and yesterday polished off its four days of strenuous practice with a heavy scrimmage in which pass defense against double wingback formation was used. The San Jose team follows the football dictates of Pop Warner to the letter.

Only Loren Grannis, Bearcat captain, was on the minor injury list with a sore leg. Oravec and Weisgerber are in fine fettle while the rest of the team is all pepped up with the thought of the five day southern trip.

Classes will be dismissed at Willamette this morning at 9 o'clock in order that the student body may give the team a big send-off from the Southern Pacific station. The team will travel all day today and all night, arriving in San Francisco Saturday morning. After taking in the Stanford-Washington game at Palo Alto, the team will proceed to San Jose, arriving there about 6 o'clock. The squad will have one day in which to become accustomed to playing on turf. The grass field is expected to speed up the already fast footwork of the Bearcat backfield.

-0-Monday Eugene comes with what is heralded as one of its strongest teams in history. Eugene, undefeated, is gunning for the bid to play in the Multnomah stadium against the winner of the Portland loop for the state championship (very mythical). If Salem beats Eugene it puts the Purple and White out of the running for the big game and makes Salem definitely a contender for undefeated honors. The odds are about even.

Salem has a 50-50 chance to finish the season undefeated. After Eugene come games with Mc-Minnville, The Dalles and Corval-"Spec" Keene is expected to lis. But Salem high will probab-ly not play in the Multnomah stadium this year. Even if Salem was the only undefeated team in the state, Salem, as it did not have last year, has a game scheduled for Thanksgiving day with Corvallis. So far

Right now it looks like a race between Medford and Eugene, with Medford the heavy favorite. Eugene is going to have no easy time getting over Salem and then, with only three days in between, meets Roseburg the following Friday. Its a tough pace for a high school team. Also Eugene has yet to play its home town rival, University high.

-0-One small lad who is getting the treat of his very short life this weekend is Eddie Salstrom, mascot of the Bearcats. Eddie is going to San Jose with the team. He assured "Spec" Keene that Willamette would be unable to do a thing without him, so Eddie goes along, Sevenyear-old Eddie Salstrom is the second Salstrom to be a Bearcat mascot, His brother, Phil, now a Salem high backfield flash, also got his first taste of football in the Bearcat camp. Phil Salstrom got his big trip when he went to Wifitman, in 1929, with that year's championship team, but Eddie beats him by going to San Jose. Eddie says his brother was mascot of a championship team and

SAN FRANCISCO, Nov. 8 .- (AP) -Thirty-three strong, University of Washington's unbeaten football squad arrived here tonight, ready and anxious to meet Stanford at Palo Alto Saturday in a contest which probably will decide the Pacific coast conference championship and the Rose Bowl

The smiling Washington coach expressed no surprise at odds of 10 to 7 favoring Stanford, but able to withstand the charge of

the Cardinal forward wall. "We have seven good linemen," he said, "and one of them, Charlie Mucha, will show you something of guard playing. Perhaps the Stanford line has a little

edge, but I'm not apologizing for the boys we're putting out there." Except for an injury which has shelved Speedy "By" Haines, the season status with the return of Huskies were in top physical shape as they went to the San Francisco hotel where they will spend the night. Tomorrow they will go on to Palo Alto, where ford practice field.
