

BEARCATS WIN OVER SAN JOSE

Score 21-7 With Oravec and Weisgerber Toting Ball For Most Yardage

(Continued from page 1)
 on the San Jose 5-yard line. Weisgerber converted both extra points.
 The Spartans awakened with the opening of the second period, and after the reserves had pushed Williams back to his own 21, Coach Duce de Groot sent in his first team. Good kicking by Dave Barr had helped San Jose up to this point.
 Lateral Provides Home Team's Score
 Weisgerber tried a 43-yard field goal for the visitors midway in the second period but it fell far short. A 55-yard punt by Jim Stockdale, Spartan quarterback, which rolled out on the Williams' 15, changed the game's complexion, but the quarter ended before San Jose had a chance to exhibit its offense.
 A 39-yard run by Jim Stockdale, a lateral pass from George MacLachlan to San Jose a touchdown midway in the third quarter. Captain Darie Stinson, tackle, place kicked the extra point to make the score: Williams 14, San Jose 7.
 With Oravec and Bill Stone doing most of the work, Williams pushed down to the San Jose 26, where the Bearcats lost the ball on downs as the third period ended.
 The Bearcats took advantage of a poor San Jose punt, which went out on the Spartan 13, to ring up their last tally. Oravec went inside of left tackle for four yards, after Weisgerber had made yardage by a bare inch on the previous fourth down. Weisgerber again place-kicked the extra point. Weisgerber's 46-yard run had come shortly before that had San Jose kick.
 Williams rolled up 15 first downs to San Jose's three.

 Substitutions: For Williams—Ende, Phillips; Erickson; halfback; Cannady; guard; Becken; fullback; Stone.

Students Arrested by Nazis

Arrested by German secret police because they carried a pocket camera at a Nazi storm troop maneuver outside Munich, Germany, Miss Helen Lytzer, New Rochelle, N. Y., art student, and G. Griffith Johnson, Jr., of Washington, shown above, declared they were forced to strip and be searched on charges of alleged espionage. After spending a few hours in cells they were released.

DALLAS ARMISTICE DAY GROWD LARGE

DALLAS, Nov. 12.—One of the largest crowds in recent years witnessed the Armistice day celebration here today sponsored by Carl B. Fenton Post No. 20, American Legion. In addition to a large turnout from Dallas there was a big crowd of visitors from Monmouth and Independence and other towns in this vicinity.
 The celebration started off at 10:30 with a patriotic parade with Company L. O. N. G., members of the G. A. R., Legion Auxiliary war veterans, Boy Scouts, Campfire Girls, and fire department taking part. The parade formed at the Woodman hall and marched west on Washington street to Main, and north on Main to Academy, disbanding near the high school.
 A patriotic and religious program followed the parade at 11 o'clock in the high school auditorium. The program was as follows: prelude, "Patriotic Airs," national anthem, "Star Spangled Banner," pledge of allegiance to the Christian flag, American flag, and the country; scripture lesson, Rev. Dean Vermillion; patriotic hymn, "America"; invocation, Dr. A. M. Williams; responsive reading, led by Dr. George W. Bruce; silent memorial to the deceased veterans, "Taps," quartet number, Mrs. G. W. Bruce, Mrs. Robert Kutch, Ivan Warner, and Bruce McIntosh; address, Rev. Frederick C. Jennings of Toledo; hymn, "America the Beautiful," benediction, Dr. George W. Bruce.
 The main feature of the celebration was the football game between Dallas and Independence high schools for the county championship. After a hard fought game on a muddy field the orange and the black punched out a 12 to 6 victory to keep the title in Dallas.
 A big crowd attended the annual Armistice day dance at the armory which was the wind-up to a day of celebration. The crowd present included many out of town visitors in addition to the big turn-out from Dallas and other towns in the county.

FINANCE DICTATOR FOR BELGIUM SEEN

BRUSSELS, Nov. 12.—(AP)—The appointment to straighten out Belgium's financial situation was discussed tonight on the eve of the cabinet's resignation.
 Count Charles de Broqueville, Belgian premier, will hand in the resignations of his ministers at the opening of parliament tomorrow because of dissent over the government's drastic plans for national recovery.
 It was considered likely in political circles that King Leopold would ask Emile Fraenck to become finance dictator as he did in 1926 when he stabilized the franc, and lead the country with a firm hand along the road to recovery.
 Foreign Minister Henri Jasper and Minister of Finance Gustave Sap were considered the most likely successors to Count de Broqueville as premier.

FLAX INDUSTRY TO REPAY STATE, PLAN

(Continued from page 1)
 general fund. At the same time the auditors recommend that accrued interest of \$47,907 due the general fund be waived out of consideration for getting the moneys returned in cash. And since the flax industry has not been considered throughout as a money-making enterprise by the state, the auditors point out that the average daily balances of the flax fund are carried by the state treasurer, without any interest accruing to the flax department whereas the treasury in the past has earned a considerable sum from putting these funds out at interest.
 No specific amount of repayment is suggested. Some state officials, including William Elnsig, secretary of the state board of control, think the flax fund could safely repay at least \$100,000 to the general fund which would reduce the state's already waning deficit to that amount.
 The flax industry made a profit last year for one of the first periods in its history. After making all charges, the industry showed net income of \$16,183. This profit was figured after accruing interest in the sum of \$6025 on all the repayable advance of the general fund and after setting up depreciation items totalling \$19,670.
 In carrying the profit to the surplus account, the auditors recommended that reserves totalling \$14,064 be set up to cover losses on scuttled tow made subsequent to June 30, 1934, and caused by the fact that the tow had been inventoried at a figure considerably higher than the present market.

Johnson Held On Larceny Charge

Oliver Johnson, who lives five miles east of Detroit, Oregon, was being held in jail here yesterday pending a hearing this morning in justice court on a charge of larceny. He was brought here early Sunday morning by deputy sheriffs who arrested him on a warrant issued late Saturday. Johnson is said to have taken certain moneys entrusted to him by a friend and to have planned to leave the state. His bail has been set at \$500.

City Police Get Somebody's Goat

A goat was jailed by city police Sunday night but on what charge it was not revealed. The friendly beast, reported roaming State street near the courthouse, readily jumped into the car of the officer sent out to investigate and rode to police headquarters where she was placed in a cell for the night. Yesterday the goat, a brown one, was transferred to the city pound.

Baxter Will Be Heard on Radio

Williams university will receive half an hour's time over radio station KOAC at Corvallis Wednesday night. It's program, to be broadcast from 8 to 9:30 p. m., will consist of an address by Dr. Bruce E. Baxter, Williams president, and vocal solos by Professor Cameron, director of the school of music.

RED AND BLACK WIN OUT 13-7

Purple Looks Stronger But Not so Smart; Coons, Nicholson Stars

(Continued from page 1)
 crowd and the referee. That official sent them both off the field although Damon's offense, if any, was not discernible from the sidelines. He may possibly have tackled Taylor a split second after the whistle blew.
 However, Eugene finally got an unearned touchdown midway of the final period when Peters, substitute halfback, intercepted a "flat pass" and was given efficient interference on a 69-yard dash to the goal line during which nobody touched him. The strategy of that pass was the one doubtful item in Salem's headwork throughout the afternoon, but it made a ball game out of an affair that had become exceedingly lopsided. Warner kicked the extra point and Salem, with only a six-point lead, had to knuckle down to business to stop a re-aroused Eugene outfit. Eugene got possession of the ball twice and looked dangerous, but Anderson intercepted a pass and the visitors' rally flickered out.
 Throughout the game, the defensive work of Don Coons, Selem and, was the outstanding feature. He made approximately 40 per cent of Salem's tackles and it didn't make any difference whether the play was headed his way or not. Johnson, backing up the line, was another outstanding performer.
 The lineups:
 Eugene
 D. Coons.....LE..... Brown
 Pugh.....LT..... Colby
 Damon.....LG..... Mehl
 Johnson.....C..... Bowser

 Eugene.....0 0 0 7—7
 Scoring, touchdowns, Nicholson, Salem; 2, Peters, Eugene. Point after touchdowns, Nicholson (placekick); Warner (placekick).

LIBERTY LEAGUE TO PREPARE FOR FIGHT

WASHINGTON, Nov. 12.—(AP)—Making ready for campaign before congress and in "back home" politics, the American Liberty league insisted anew tonight it "certainly is not anti-Roosevelt."
 "Certainly also," declared Mrs. Charles H. Sabia of New York, "it is not anti-new deal, it is that it is meant opposition to everything that has been done since the Roosevelt administration took office."
 Specific new deal enactments to which exception likely will be taken were not named. Clearly, however, the league won't hesitate to bombard aspects of the emergency recovery program it considers in conflict with its conception of the constitution. New deal relief policies will come in for examination.
 The million-members campaign is accelerating, with politicians of both parties watching for portents as to 1936. Cash is being put aside on behalf of what Mrs. Sabia called its "affirmative program."

RAILROADS NOT IN SUCH BAD SHAPE

WASHINGTON, Nov. 12.—(AP)—With \$55,000,000 of RFC loans to railroads in default, the administration tonight was deep in an intensive effort to restore the nation's carriers to a sound financial position.
 Working in cooperation with officials of the interstate commerce commission and the management of the roads, the RFC undertook to dig out information from which curative measures were expected to emerge.
 All in all, \$423,801,921 has been advanced to the lines out of authorizations totalling \$442,984,933. Repayments have aggregated \$72,414,448.
 For collateral, the corporation holds mostly bonds of the roads, which, in turn, are secured by actual property of the roads.
 RFC officials said tonight that forced liquidation of the defaulted loans would yield more than enough to reimburse the government in full.
 However, there is no such present intention of following either course—the effort is to rehabilitate the lines and place them in a position to make the repayments. Jesse Jones, RFC chairman, is far from discouraged regarding this objective.

C. Schuster Said Recovering After Major Operation

SILVERTON, Nov. 12.—Carl Schuster, who underwent a major operation at the Silverton hospital Saturday morning is reported as getting along splendidly.

Transient Takes Care of Himself

THE DALLES, Ore., Nov. 12.—(AP)—C. H. Thompson, 70, an "overnighter" at the jail here, carried his own protection and used it when James McKee of this city reputedly assaulted the aged transient last night.
 McKee, jailed on a charge of drunkenness, was slashed four times by a razor Thompson whipped from his pocket and used deftly. At a hospital tonight it was expected McKee would recover.

Johnson Held On Larceny Charge

Oliver Johnson, who lives five miles east of Detroit, Oregon, was being held in jail here yesterday pending a hearing this morning in justice court on a charge of larceny. He was brought here early Sunday morning by deputy sheriffs who arrested him on a warrant issued late Saturday. TREACHERY HINTED IN CHURCH TUSSLE

BERLIN, Nov. 12.—(AP)—A leaflet privately circulated by German Christian churches, purporting to claim Hitler's support, created consternation tonight in opposition church ranks, after copies of it accidentally fell into their hands.
 "We know that Hitler's friendship for the German Christians is unchanged," said the leaflet, "and that he will not leave his national socialists in the lurch."
 The circular was dated November 7, just a week after Hitler told the confessional synod of bishops he and the government would be neutral in the aggravating church strife.
 "Somebody is lying," an opposition spokesman declared. "The government apparently has no intention of staying out of the fight."
 The leaflet said "der Fuehrer is intensely angered by the strife and obstinacy of the pastors' emergency federation." It was distributed Sunday to congregations in German Christian churches. It declared Reichsbischof Ludwig Mueller will remain in his post "because he has the faith of Hitler."

WOMAN IS KILLED; HIT-RUN CHARGED

NEWBERG, Ore., Nov. 12.—(AP)—Mrs. Ham T. Miller, 59, of Newberg, mother of three children, was injured fatally here today by an alleged hit-run car.
 Five men reputed in the death car were arrested and held in the county jail at McMinnville. The district attorney said he planned to place manslaughter charges against them tomorrow.
 Mrs. Miller reportedly was walking in the pedestrian lane on the Pacific highway bridge when struck by the car and crushed against the bridge railing. She died in a hospital half an hour later.
 State police said they arrested three of the occupants after they left the car and tried to hitchhike to Portland. The other two were apprehended near the car which was found in a ditch on a side road, state police said.
 Those held were listed at the county jail as James Landsberg, L. J. Malloy, Charles Carter, Shorty Bennett and John Olsen, all of Portland.

TOM MOONEY WINS ORDER FOR REVIEW

WASHINGTON, Nov. 12.—(AP)—A key for the lock that holds Tom Mooney prisoner was fashioned today by the supreme court but whether the highest tribunal will direct that it be used remained a question for the future.
 The court in a four-line order gave James B. Holohan, warden of the San Quentin, California, penitentiary, forty days in which to show why Mooney's request for permission to file a writ of habeas corpus should not be granted. California's attorney general is expected to answer for the warden.
 Mooney's case has become a heated issue in California, and over the nation, during the 18 years since he was sentenced on the "preparedness day" bombing in San Francisco.
 Attorneys pointed out that the order today did not commit the supreme court and that the outcome might find Mooney left behind his familiar bars. But they contended also that Mooney had won a legal victory, lay and temporary though it might be, for the court plainly indicated there were questions raised which it felt should be looked into further.

ASTORIA HIGH WINS

ASTORIA, Ore., Nov. 12.—(AP)—Caspell returned a punt 74 yards for a touchdown as Astoria high defeated McMinnville high 33 to 6 here today.

VETERANS ATTEND SILVERTON EVENT

Headed by Commander Ray Betzer and President Blanche Fournier, respectively, a large delegation of members of Marlon Post No. 641, Veterans of Foreign Wars, and the ladies auxiliary, attended and participated in the observance of Armistice day at Silverton yesterday, as the special invited guests of Silverton Post 3004, Jerry De Sart, commander.
 The Salem veterans and ladies took part in the big parade during the morning; were guests at a banquet at the armory at noon and enjoyed a boxing card at the armory in the afternoon which they praised highly. Many of the Salem folk remained over to enjoy the program of dancing at the armory last evening, given under the auspices of the Silverton American Legion Post.

DEBT ADJUSTMENT MAKING PROGRESS

WASHINGTON, Nov. 12.—(AP)—L. R. Brethaupt of Corvallis, secretary of the agricultural advisory council of Oregon, said here today that more than 3000 heavily indebted Oregon farmers have obtained voluntary settlements with their creditors during the past year and a half "largely through the work of the county farm debt adjustment committees."
 Brethaupt is in Washington consulting with officials of the

HUEY TO REVAMP LOUISIANA'S LAW

BATON ROUGE, La., Nov. 12.—(AP)—In a spectacular splash "Kingfish" Huey Long had Governor O. K. Allen, his chief-of-staff, assemble the Louisiana legislature tonight in a 12-day special session to write a wealth of new laws in Long's tax-shifting, share-your-wealth program.
 The program, generalized in 43 subjects in the governor's official call, is far reaching in effect. Outstanding is object eight which was interpreted in political circles as a death blow to the state bar association which recently ousted Attorney General Gaston L. Porter from its membership and was referred to by Long today as a "vehicle of the corporate interest." The proposal creates the "state bar of Louisiana" to pass on lawyers' qualifications.
 The official call covered generally such other subjects as a two year moratorium on debts, adding teeth to the state income tax law adopted at the extraordinary session of last summer, revising the election laws to eliminate off-year municipal elections which Long said would save the state \$100,000 a year; permit the state to borrow money, regulate the operation of municipal police and fire departments, create a state civil service commission, authorize appeals from court injunctions, reinforce New Orleans parking certificates and amend the lottery and gambling laws.

GLEN MORRIS WILL SPEAK AT WALLER

Electricity will be the keynote of a program given in Waller hall tonight under the auspices of the Science club of Williams-ette university. Glen H. Morris, who has given his demonstrations at the Chicago world's fair and in numerous schools and universities throughout the United States, will present a lecture on modern scientific marvels.
 Mr. Morris will describe and illustrate recent electrical inventions and some novel and unique uses to which electricity may be put. He will illustrate his talk with a large number of demonstrations each step of which will be explained.
 Among the demonstrations will be some of high voltage electricity in which Mr. Morris will use 100,000 volts to create artificial lightning and attempt to explain its mysterious behavior.

Woman Elected To Head Grange

OREGON CITY, Ore., Nov. 12.—(AP)—For the first time in its history, Clarks grange has elected a woman to act as master.
 Miss Vera Coulter, a teacher in the Mount Pleasant school here, and a resident of the Clarks section, was named Saturday to succeed W. L. Clarke.
