Pattern

1958

By ANNE ADAMS
When a dress that buttons up the back to fashion, adds a wide collar, cavalier cuffs and a pleated jabot, the effect, as you can see, is something to stand up and cheer about! In this frock, the jabot slips through a slash and gives a gay air to the simple bodice—a neat belt defines the nicely modied waistline and the skirt, according to the dictates of the mode, is slim as a reed. For a bit of under-the-coat flattery, make it of bright diagonally woven wool with taffeta used for collars and cuffs. Or it would be just as smart made of black jersey, with white pique used for a crisply contrasting touch.

Pattern 1958 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 16 takes 2 1/2 yards 39 inch fabric and 1 yard contrasting. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

Order your Winter Pattern Book, Order B Now! The new Anne Adams models are stunning, and as easy to make! Designs for all ages and all occasions. Price of Book, fifteen cents. Book and Pattern together, 25 cents.
