Mrs. Korinek Presents Paper on History of Stayton Association

STAYTON, Feb. 20.—Mrs. W. D. Roberts, president of the P. T. A., reported at the meeting Monday night that more than \$42 was cleared at the recent jiny supper. Professor George reported that new school swings authorized by the organization had been purchased and installed. Three suggestions were made as to how to spend this money: Send the outstanding boy or girl in 4-H club work to the club's summer school at O. S. C.; buy more play equipment; and buy pictures for the school rooms. These suggestions were tabled.

Musical numbers on the program were a steel guitar solo by Raymond Frey and a vocal solo by Lee Brown, accompanied by his sister, Miss Ruth.

In a history of the P.T.A., compiled by Mrs. G. F. Korinek, she stated that the first P.T.A. here was in the year of 1913, with W. C. Guant, principal of the schools, instrumental in organizing it. Interest languished after a time and the meetings discontinued in 1921, when Oak Grove, one of the smallest districts in Marion county, voted to unite with the Stayton schools the association was again revived. Oak Grove had had a most active organization there and A. C. Barrows had taken a prominent part. It was he who was instigator of the P.T.A. again in Stayton. Mrs. E. A. Beauchamp was elected as president that year; Mrs. J. W. Mayo, vice-president; Mrs. G. L. Brown, secretary, and Mrs. B. A. Schaefer, treasurer. On Mrs. Beauchamp's resignation, Mr. Barrows was appointed as president. The paper was in observance of Founder's day.

Mrs. W. A. Ingles distributed slips asking parents and teachers to write on them their "problems." These will be discussed at the next meeting with Mrs. Virgil Lyman leading the discussion. Alexander Home
