Life Members of Fair to Banquet Tonight, Marion

The 21st annual banquet of the Life Members' association of the Oregon state fair will be held at the Marion hotel here tonight at 6:30 o'clock.

This association was organized nearly 40 years ago when the state took over the old agricultural society. Members consist of the old society and those who have served as members of the state fair board or been connected with the state fair for a number of years. The two meetings annually, one the winter banquet and the other a summer picnic at the home of David Looney near Jefferson, serve to foster the pioneer spirit of this historical state fair.

MARCH 16 DEADLINE ON CORN-HOG DRIVE

Farmer May Market to 90 Per Cent, Instead 75, of Base

March 16 has been set as the closing date for signing applications for the 1935 corn-hog contracts by the Oregon board of review which held its first meeting recently. This date is somewhat earlier than that set last year, but as their is little work to renewing the contracts it was felt that first payments would be speeded up and the best interests of all be served by completing the campaign promptly.

As now organized the review board consists of N. E. Dodd, Baker county rancher, chairman; C. J. Borum, successor to John S. Dennee, representing the bureau of crop and livestock estimates; and Wm. L. Teutsch, assistant county agent leader, representing the O. S. C. extension service.

Farmers who understand the 1935 contracts are signing up nearly 100 per cent, according to reports to the extension service by those assisting with field meetings. In a series of meetings in central and southern Oregon every grower atending signed up again with the exception of one.

Considerable misunderstanding concerning the new provisions exist and is keeping many away from the sign-up meetings, reports indicated. Many believe that further reduction below the number of hogs produced for market in 1934 is required in the new contracts, when just the opposite is true. The 1935 contracts really call for "controlled expansion" as the grower may produce 15 per cent more of his established hog base than was allowed last year. In other words he is permitted to produce and market up to 90 per cent of his base instead of 75 per cent.

Furthermore, because of excessively low production in some counties last year, some growers could double their hog production of last year and still stay within the contract limits and collect the benefit payments at the rate of $15 per head for the number represented by the 10 per cent reduction.

Other liberal features this year include permission to purchase and raise as many feeder pigs as desired, removal of limit on total crop acreage or livestock numbers, and in one case of corn contracts, permission to grow anything but corn on the contracted or "shifted" acres.

ROWENA A. BONNEY FUNERAL IS TODAY

WOODBURN, Feb. 20.—Mrs. Rowena A. Bonney, 81, passed away Monday night at the home of her daughter, Mrs. Lora Woodward. She was born in Corvallis May 19, 1853 and was the last of six children of Mr. and Mrs. Luke Mulkey, well known Oregon pioneers. She has been with her daughters the past nine months coming here from Gold Hill where she had visited with a son.

She was a member of the Woodburn Christian church and for 32 years was a member of the Azalea Rebekah lodge of The Dalles. Surviving are two daughters, Mrs. Woodward and Mrs. Mella Maude Scott, both of Woodburn; four sons, Frank W. of Gold Hill, Perle of Cnetral Point, Henry C. of Klamath Falls, and Ralph R. of The Dalles; nine grandchildren and six great grandchildren. Funeral services will be held Thursday at 2 p. m. from the Christian church, Ringo in charge of the arrangements.

Brundridge and Wright Confess Theft of Onions

James Brundidge and Horace Wright, arrested with David Allen late last week for burglary not in a dwelling, waived grand jury and entered plea of guilty before Judge McMahan yesterday. McMahan sentenced the pair to a year each in the state prison and paroled them to Attorney William Linfoot.

Brundidge and Wright also are to pay $26 each as restitution for onion sets not found when state police started rounding up the haul made by the trio from the Grover C. Hays onion warehouses. David Allen will probably stand trial on the charge. This is said to be the first offense for the other two.

Colonial Bedroom Display is Put on By Woman's Club

The Salem Woman's club is sponsoring a "colonial bedroom" idea with a display at the Imperial Furniture company. It is under the general direction of the American home department, Mrs. David Wright, chairman, and the plan and grouping are by Mrs. J. A. Jelderks, Mrs. Frank Meyers, Mrs. J. C. Perry. The exhibit shows a bedroom completely furnished in colonial style.

Sales Tumble Grain Values

STOP-LOSS DEALING NOTED AT CHICAGO

CHICAGO, Feb. 20.—(AP)—Enlarged selling that took on a stop-loss character tumbled grain values down today, with holders adversely influenced by failure of buying power to broaden.

It had been expected in various quarters that following the supreme court's gold decision an expansion of speculative purchases of grains would be witnessed today, but fresh weakness of wheat markets abroad quickly gave such hopes a black eye. Later, the bearish action of securities at New York served as an additional weight on grain prices.

Wheat closed unsettled at but little above the day's low point, 1-1⅜ cents under yesterday's finish, May 97-97⅛, corn ⅜-1¼ off, May 86¼-⅜, oats ⅜-1¼ down, and provisions varying from 2 cents decline to 7 cents advance.

Today's closing quotations:
Wheat: May, 97-97⅛; July, 90⅝; Sept., 89¼-⅜.
Corn: March, 89; May, 86¼-⅜; July, 81¼-⅜; Sept., 77¼-⅜.
Oats: May, 51⅛-¼; July, 43-⅝; Sept., 40⅝.

Hog raisers in Marion county are holding meetings this week under direction of Harry Riches, county agent, for the allotment of new government "plow under" contracts.

Yesterday at the chamber of commerce about 30 farmers of the Salem vicinity signed for federal compensation for reduced hog production. Today agent Riches meets with the Mt. Angel raisers; Friday with the Silverton group; and on Saturday he will travel with the contracts to Stayton and Jefferson.

BUTTER PRICES GO UP ON WEDNESDAY

Butter prices made a slight recovery on the late session of the Portland produce exchange yesterday over their slump of the day before, according to the Associated Press table. Extras were newly quoted at 32½c, standards at 32c, prime firsts at 31½c, and firsts at 30½c. Butterfat rose one cent to 35c.

PORTLAND, Feb. 20.—(AP)—Butter prices were smashed again during the late session of the produce exchange Tuesday, completing unsettling both wholesale and retail trading. On the exchange there was a general cut of 2c lb. in cubes with lower or first score at a loss of 2½c lb.

The cut in prices follows a scare thrown into the trade with talk of very liberal offerings of New Zealand butter in the east as well as additional stocks to come to the coast.

Butterfat prices showed a loss of 2c again for the day.

There was a loss of 1c in the price on special eggs during the late session of the produce exchange which shows no higher price for that stock than for smaller eggs.

Increased strength continued to be reflected for live chickens and especially light-medium Leghorn hens. Buyers were seeking the latter more extensively than others.

While there was a shade of uneasiness in the hog market, other lines continued to reflect strength with prices well held for veal, lambs and for beef.

STOCK TRADERS IN HANGOVER SPIRITS

NEW YORK, Feb. 20.—(AP)—The stock market appeared today to be suffering something like a delayed hangover after its exhilaration over Monday's gold clause decision.

The headache expressed itself in losses of fractions to more than a point in leading shares. Bonds were mildly affected.

Turnover in the share market was a little less than in the previous session at 966,850 shares. The Associated Press average for 60 stocks dipped .6 or a point at 38.8, with utilities the weakest division of the list. The Associated Press average for 15 power company equities touched a new low at 22.8, off .7 of a point.

Some active issues in the stock market dropped back a point to around 2 points, including U. S. Steel at 35 1-4, Allied Chemical at 138, Union Pacific at 99, Santa Fe at 43 3-4, General Motors at 31 1-4, International Harvester at 40 and New York Central at 17.

Most of the losses were less than a point, however. In this group were Chrysler at 39 1-4, American Telephone at 103½, Consolidated Gas at 16 3-8, Bethlehem at 29 7-8, General Electric at 24 1-8, Pennsylvania at 21 1-4, Sears Roebuck at 35 1-4, and Westinghouse at 40 1-8.

Real Buzz Over Phone Comes in Late Hours

STAYTON, Feb. 20.—When a telephone wire came in contact with a Mountain States Power company cable at the corner of 4th and Ida streets Saturday night, 17 telephone lines out of the local central office were put out of commission. The contact caused the phones to ring incessantly, until they were disconnected. H. J. Rowe and R. G. Woods of the power company were immediately notified and it was not until Sunday afternoon that the site of the trouble was located. It is thought that during the cold weather an insulator froze and cracked but did not drop the telephone wire until at this late date.
