## Wedding Event of Tonight at Church

**ST. JOHN'S EVANGELICAL LUTHERAN** church will be the scene of a quiet ceremony tonight at 6 o'clock when Miss Bertha Jorgenson, daughter of Mr. and Mrs. T. Jorgenson of Salem, becomes the bride of Evert Roemhildt of Portland.

The bride will wear a French model of blue tulle and crepe trimmed with beige lace. Her corsage will be of Talsman roses and lilacs-of-the-valley. There will be no attendants.

Friends and relatives of the couple will be greeted at an informal reception afterwards in the Roemhildt home on North Liberty street. Receiving with the bride and groom will be Mrs. N. T. Jorgenson and Mrs. A. G. Adolphs.

## Affair at Portland is To be Monday

A tea will follow at 4:30 o'clock with Mrs. Charles H. Martin as the honor guest. The hostess group is the Portland Women's Army and Navy league.

## Pattern

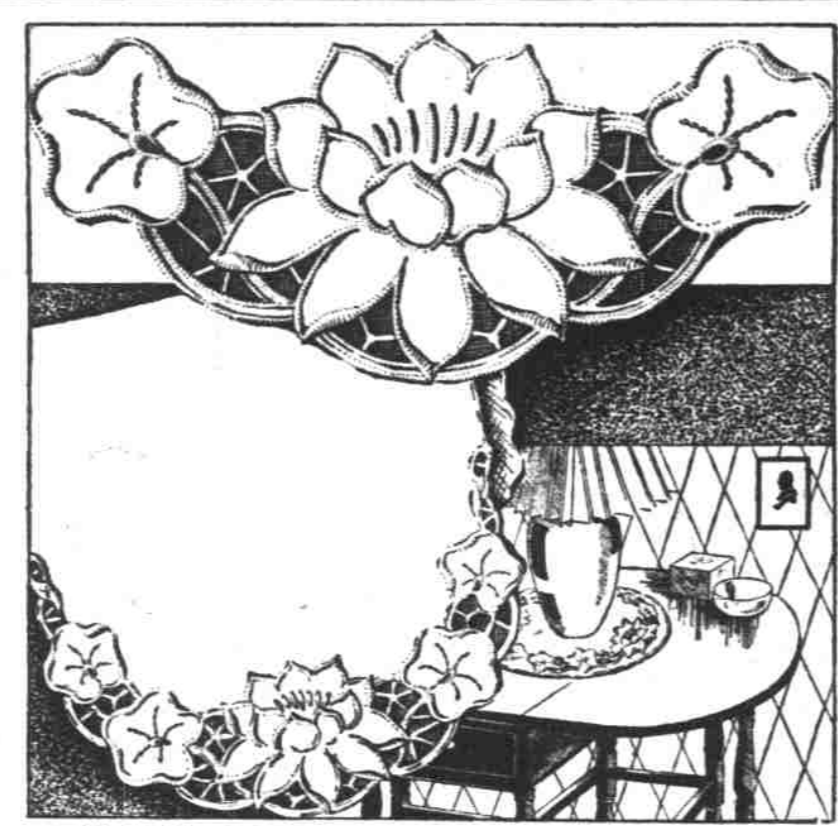

The plaid is attractive in this new frock model, and there are lots of stunning cotton plaids for brightening up the home picture, not to mention checks, prints and new solid hues. This very easy-to-make dress is slightly shirred onto the yoke—and the yoke forms the sleeves, also. A big button and one large pocket give a final note of smartness, and you'll find it so flattering and comfortable you'll be tempted to wear it all day. The fact is, its design is perfectly good for semi-sports wear, and, made of a white or pastel crepe, it could resort quite nicely.

Pattern 2194 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28 and 40. Size 16 takes 3 3/4 yards of 26 inch fabric. Illustrated step-by-step sewing instructions included.

## This Cutwork Is Lovely

The water lily, one of our most decorative flowers, especially lends itself to cutwork. The simple form of leaf and flower makes them easy to do. In this design, they are most effectively contrasted to the openness of the cutwork. Embroider the design to match the linen or do the flowers in pale yellow, peach or pink and leaf and stem in green. The motifs are especially effective on scarfs, center pieces and pillows.

Pattern 681 comes to you with a transfer pattern of two motifs 12 x 15 inches; detailed directions for uses; and material requirements. Send 10 cents in stamps or coin (coin preferred) for this pattern to The Statesman.
