The Rapphetarians will meet this afternoon at 2:30 o'clock with Mrs. M. E. Peck. Mrs. Waldo Mills is the assisting hostess.

Pattern

2163 A/A

By ANNE ADAMS
A nice and unusual yoke, a full length front panel, and action back, plus little gathers where dress joins yoke—that's about all one needs for complete and appropriate smartness in the home. Not to mention genuine comfort. Put a little collar that pretends to button on at the side in a brand new manner, and cuffs that do ditto, and you're a trock worthy of taking you marketing any fine morn. Especially if it be made from one of those stunning new cottons—one with crinkly stripes like a seersucker, or a plaid gingham or lawn with a wide striped band running through, or a flowered and striped cotton in excitingly exquisite colorings.

Pattern 2163 is available in sizes 16, 18, 20, 22, 24, 26, 28, 30, 32 and 34. Size 36 takes 4 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.
Get the Anne Adams Sewing Pattern Book! Make for yourself the clothes that are smart, practical and becoming. Choose them from the 40 pages of this beautifully illustrated book which includes also exclusive fashions for tots and children, especially designed dresses for a mature figure, lingerie, and hosts of other interesting features. Each garment is illustrated in easy-to-make with an Anne Adams pattern. Send for your copy today! Price of book 15 cents. Book and Pattern together, 35 cents.

The American Legion auxiliary continued to show increased membership strength as February enrollments carried the total rapidly toward the \$75,000 mark. A gain of nearly 15,000 over the same date last year was being maintained. North Dakota was the first state to show an increase of its total 1934 enrollment, while Nevada was the first to exceed its 1935 membership quota. On the basis of February figures, an enrollment of more than 400,000 members for 1935 seemed assured.

W.C.T.U. Hears Talk on Union

Following an opening devotional service led by Mrs. Fred Toose, Jr., a program of interest was presented to the Salem W. C. T. U. meeting last week. Topics given included those on spade, rake and hoe by Mrs. J. N. Thompson, on purpose and scope of the W. C. T. U. by Mrs. Milo Pool, and on Mother and Daughter by Mrs. John Woodward. The next meeting will be an institute on March 14.

RESTAURANT INNOVATION
(to start Sunday, March 10)

The Spa announces a new service. Introducing in Salem the "Carder System," which includes in part: "Passing of hot breads after the entree, changing kinds of hot bread daily, jam, jelly, honey and nut bread and appetizers served with meals. Four coffee from slix, special cream service, pass pastry tray, pass salads.

Other New Innovations . . .
Afternoon tea service with a new menu featuring: Toasted fruit muffins, cinnamon toast, jams and jellies, tray service with pastry, toasted buttermilk, rarebits, six different tea luncheon numbers from 20c to 40c.

Other Improvements Include . . .
New dust-proof wall case at the fountain for pastries and luncheon foods to make for quicker service. A new pastry tray showcase as you enter the parlor for tray pastries and afternoon tea specials. Many other innovations will be announced later, none of which will in any way interfere with regular old-time customs.

For months we have been investigating this new plan and believe the time is here for its introduction in Salem and that the plan has real merit.
Starting next Sunday noon the new service will greet you.

Have UNLIMITED Hot Water Service!
Rental on a High-Low Gas Storage Water Heater is only \$1.25 a month. Operating cost is low, too!

WHAT a joy it is to bathe whenever you feel like it . . . and in all the hot water you want! To turn the hot water faucet wide open without first "patting" your hot water tank, then firing up your furnace or lighting your tank heater . . . without remembering that this is the period when your water heater is shut off . . . without "rationing" yourself so that the other members of your family may also have their bit of hot water!

To have plentiful, effortless hot water every minute the year round, just rent a High-Low Automatic Gas Water Heater for domestic use like you would rent anything else. The rental is flat . . . \$1.25 a month. And the operating cost is very small because of low-cost Portland gas. You pay no extras of any kind; sign no sales contract; pay no installation charge; take no risk at all.

This High-Low Gas Storage Water Heater gives you unlimited hot water service. It automatically keeps an abundance of clean hot water of a uniform, safe temperature ready for use any time you turn a faucet, day or night, winter or summer. Why wait longer to enjoy the easy cleanliness this service affords for such a modest monthly cost? Any dealer, plumber or your gas company will gladly give you complete details about this service . . . will arrange to rent you a heater at once. Don't delay! Investigate today!

CONVENIENT REGULATOR
The High-Low Regulator on this Portland Automatic Gas Water Heater controls two burners. When placed at LOW, only a small burner operates when heat is necessary. When shifted to HIGH, a large burner is also brought into action, which heats the water much more rapidly. Thus you can easily control the amount of water heated—and your gas bill, too, if you wish.
