Beavers Capture Thrilling Opener From Troy, 38-35

McMinnville and Tillamook Advance to Finals in District Tourney

Each Team Scores 13 Field Goals: Palmberg and Guttero Shine

CORVALLIS, Ore., March 8 .-(AP)-The Oregon State college basketball team led practically all the way to win the opening coast conference championship playoff game here tonight with a 38 to Southern California in a crashing, slam-bang scoring battle.

The rubber-legged Lee Guttero of Southern California put on a great one-man show by controlling the tip-off and scoring 16 points while Jack Hupp, Trojan forward, was equally flashy in scoring 15. But the more consistent Oregon

State offense, with every regular contributing toward the scoring, and the tight Beaver defense brought victory to the northern division champions. Wally Palmberg, limber-joint-

ed, left-handed forward, was tonight's scoring ace for the winners with 15 points.

If Southern California's offense can overcome the Oregon State defense for victory in tomorrow night's game, a third game will be required here Monday night. Capacity Crowd Has

Anxious Moments A capacity crowd of 3500 feverish fans was on its feet the final two minutes of play as the rallying Trojans threatened to come from behind as they had done just before the end of the first period to gain a 22 to 21 halftime lead.

So close was the game that i was merely a margin of three converted free throws by which the Staters won. Each team score 13 field goals. While the Orego State defense couldn't shackle Guttero and Hupp, it limited the other three Trojans to but tw field goals.

Guttero scored the first point of the game with a free throw, but immediately Folen and Conkling connected with goals for the Beavers and Lyman added a free throw before Guttero converted his second gift toss.

Making sure passes and handling the ball masterfully, Oregon State worked for scoring openings which put it ahead 12 to 2. Then Hupp broke the spell for the Trojans and the scoring race was on

As the second half started the Beavers came back strong with Palmberg and Hibbard getting goals and Conkling reaping a harvest on free throws. Palmberg and Hibbard led the Oregon State offense in piling up a 31 to 23 lead before Hupp and Guttero again opened their deadly scoring barrage from directly under the Oregon State basket. Troy Almost Catches

Up; Reserves Tried For nearly 10 minutes then the Staters went without a field goal while the visitors zoomed up to within one point of tying the count when the score reached 34

to 33 for the Beavers. Then Palmberg got a free throw with only four minutes to go and immediately uncoiled his limber left arm for a field goal from an

Coach Sam Barry rushed in his Southern California substitutes while he conferred with the regulars, but it was too late to save points. the game. Guttero got another cripple in a mad dash under the basket and Conkling added a free toss. The Beavers successfully stalfed the final minute.

Folen, who was shifted from guard to center the second half managed to get the tip-off a little more frequently than Con-

Outpoints Dumagillas; Good Card is Featured by Three Knockouts

After ten rounds of powerhouse punching LeRoy Gibson, wellmuscled Wichita negro, gained a decision over stocky Ros Dumagillas, Filipino boxer, in the main event of last night's V. F. W. fight card.

Gibson won the bout, a return engagement, because with superior ring skill and endurance he was able to plant more of the heavy punches that were smacked out during the fight where they counted most.

After the initial round Gibson had the advantage most of the way, pouring hard lefts and rights into the deadpan face of the dogged little islander. Dumagillas kept up his end of the fight, uncorking his express train left at every opportunity, but the smooth, fast negro was usually a little ahead of him. - Gibson showed himself to be one of the best masters of the ring game ever to show here in his rapid, hardpunching attack that kept Dumagillas much on the defensive.
