BUY WITH CONFIDENCE — YOUR SATISFACTION OUR GUARANTEE

Brand New Merchandise Plus the Friendly Service of Your
Newest Independent Grocer

"WE BUY through the Merchants' Wholesale Grocery, the largest wholesale grocery house of the kind in this part of the country. This gives us all the advantages of big unit and carload lot buying and we PASS THE SAVINGS TO YOU. They serve exclusively the truly independent merchant and recommend and sell only WELL-KNOWN BRANDS."

You are invited to inspect our new store and we want to call to your attention the fine workmanship done by Salem people in the remodeling of this store building. All the carpenter work, mill work and shelving were built by Hansen & Liljequist of Salem; electrical work by Bosler Electric Shop and the painting by E. J. Reasor, Salem painter. We especially invite you to inspect this work when you visit our store.

New Equipment

Every improvement that can be made in our business is done for the benefit of our customers.

That is the reason we have just installed the latest model item-printing and item-adding National Cash Register.

"Satisfy the customer" will be our motto.

Our itemized and totaled receipt-printing National Cash Register system will benefit you in many ways.

- (1) It provides a means of checking prices for the different articles purchased.
- (2) It prevents our making mistakes in addition.
- (3) It checks the number of articles purchased.
- (4) It shows the total amount spent.
- (5) It provides a record of where the purchase was made and the date.

This system protects children, messengers and servants by giving them an itemized and totaled receipt to take home.

Our plan of handling and recording cash sales will make this an ideal place for you to buy your goods. Let us prove it.

KEEP YOUR MONEY IN SALEM—

WE ARE EQUIPPED TO HANDLE ALL MILL WORK AND CAN COMPETE WITH OUTSIDE FIRMS IN

PRICE, QUALITY and WORKMANSHIP

We invite you to inspect all the fixtures, shelving, display tables, etc., etc., at Schreder's New Cash Grocery which were built by us, and compare them with any other work.
