

NEWCOMERS MEET AT CHAMBER HERE

Awards Made; Brandt and McWhorter Discuss Farm Problem

In the second newcomers' meeting in 10 days, 40 persons gathered at the chamber of commerce yesterday afternoon to hear Prof. O. T. McWhorter and Prof. F. M. Brandt of the Oregon state college experiment station discuss farm problems.

In the awards distributed, H. H. Dick of Salem, route 6, box 433, received the prize for milking the largest number of cows. He came here last September from Northeast Montana. None of the women present qualified for the laying hens award, so Herbert Meyerhofer, Sublimity, a newcomer from Iowa, carried the honors. A. W. Barnes, with 17 varieties of fruit, took this award. He lives on route four, box 213, Salem, and came here in September from Belfield, N. D.

Brandt, in discussing dairying in the valley, laid especial stress on quality production and the fact that systems of feed must be changed from that used in eastern or midwestern areas. In terms of digestible nutrients, he suggested mill run the cheapest food the farm can buy. Best feed to produce on the farm for cattle is oats and barley, he said. These, with millrun, boneflour, salt and oats and vetch hay and kale he indicated as suitable for good production. McWhorter, devoting his time

Child Labor Law Again Delayed

Senator Edward Costigan Secretary Frances Perkins

Although the child labor amendment has been ratified by 24 of the required 36 states, even staunch supporters of the bill retain little hope of its inclusion in the constitution this year, President Franklin D. Roosevelt has endorsed the amendment and made it one of the principal objectives on his program of social reform. The child labor amendment would give congress the power to limit, regulate, and prohibit the labor of persons under 18 years of age. Senator Edward Costigan, of Colorado, is one of its staunch supporters.

to discussion of fruits of both tree and vine, warned newcomers against planting apples and pears. For these industries, he said, have been boosted until the market is overcrowded and prospects of heavy competition for the next 50 years. Cutting down the export market has been especially hard on the apple industry. McWhorter opined he did not want to appear too pessimistic concerning these crops and added he knew cases of some growers in this area who made good money on apples last season by finding local markets.

Cherry growers, he said, are in fairly good shape as long as the tariff stays on. He cautioned would-be berry growers to know definitely where their market is before entering this business. While the young-berry market looks pretty good at present, he indicated growers are questioning when the saturation point will be reached. Harry Riches, Marion county agent, presided and offered newcomers facilities of his office in solving their farming problems.

FUNERAL RITES FOR JOSEPH FINK HELD

W. L. Riddle Answers Call; Burial Conducted From Christian Church

SCIO, March 28.—Joseph Fink, 69, died at the home of a daughter near Jordan, March 26, and was buried from the Catholic church at that place Thursday morning. He had been ill with pneumonia about a week.

Mr. Fink was born in Austria May 17, 1865, and came to the United States in 1882. Ten children, 45 grandchildren, and 12 great-grandchildren survive. Four daughters and one son reside near Scio, two daughters at Salem, a daughter at Newberg, another in South Dakota, and a son in Canada.

W. L. Riddle, 74, died at the home of his son, A. L. Riddle, near Scio at 7:20 Tuesday morning, March 26, following an illness of several months. Funeral services were held at the Christian church in Scio Thursday afternoon with burial in Willamette Memorial park cemetery near Albany.

Mr. and Mrs. Riddle came to Scio community last summer and the former had been ill most of the time since. The widow and one son survive in this vicinity. Deceased was born in Porter coun-

Watch Tuesday's Statesman

OH, I WISH I COULD THINK OF SOME WAY TO MAKE SOME PIN MONEY. WAIT! I'VE GOT AN IDEA —

OF COURSE, WE'LL BE GLAD TO HAVE YOUR LITTLE CAKES. THEY'RE NICE LIGHT WELL-SHAPED ONES, TOO!

MRS. HART, YOUR CHOCOLATE CUP-CAKES WERE ALL SOLD BY NOON TODAY! YES, AND WE HAVE ORDERS FOR FOUR DOZEN EVERY SATURDAY. THEY'RE LOVELY—WISH I KNEW HOW YOU MAKE THEM!

THAT'S SWELL, PEG. YOU'LL BE MAKING YOURSELF A NICE PIECE OF CHANGE EVERY WEEK.

THOSE LADIES WERE DYING TO ASK FOR THE RECIPE. I DIDN'T TELL THEM—THE SECRET WAS CALUMET! YOU SEE—

CALUMET BAKES BETTER, BECAUSE IT'S REALLY TWO BAKING POWDERS IN ONE!

A QUICK ONE FOR THE MIXING BOWL—ITS ACTION SET FREE BY LIQUID. IT STARTS THE LEAVENING PROPERLY.

A SLOWER ONE FOR THE OVEN—ITS ACTION SET FREE BY HEAT. IT PROTECTS THE BATTER OR DOUGH ALL THROUGH THE BAKING.

"That's why your baking is bound to be better with Calumet's Double-Action. And notice! Just one level teaspoon to the cup of sifted flour. Calumet goes farther—it's thrifty! Try it in my Chocolate Cup Cake recipe!"

CHOCOLATE CUP CAKES

1 1/2 cups sifted Swans Down Cake Flour	1 cup sugar
1 1/2 teaspoons Calumet Baking Powder	2 eggs, well beaten
1/2 teaspoon salt	2 squares Baker's Unsweetened Chocolate, melted
3/4 cup butter or other shortening	1 cup milk
	1 teaspoon vanilla

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together until light and fluffy. Add eggs and beat well; then add chocolate and blend. Add flour; alternately with milk, a small amount at a time. Beat after each addition until smooth. Add vanilla. Pour into greased cup-cake pans, filling them 3/4 full. Bake in moderate oven (350° F.) 20 minutes, or until done. Spread with seven-minute or boiled frosting, and decorate with chopped nuts, tiny colored candies, coconut, or designs of melted chocolate. Makes 30 cup cakes.
(All measurements are level.)

LOOK! The new Calumet can opens with one twist of the wrist! No more broken finger-nails or ruined tempers!
