Lambasting the offerings of Crosswhite for 12 hits, the Willamette Bearcats yesterday gained a 12 to 2 victory over the penitentiary nine in a practice game on the pen diamond.

Willamette, playing its first game of the season, measured up well and "Spec" Keene was whoily satisfied with the performance. He was particularly pleased with the play of the infield and said it gave promise of being one of the best at Willamette in many state would be divided in eight years
