Pattern

2224

By ANNE ADAMS

It's the smart stouder that make the big demand for cape ensembles! And no wonder—when a cape can do more to equalize her proportions than a rowing machine ever could! There's a big demand too for the dress that can be "run up in a few minutes, without much fitting," so Anne Adams supplies all the demands with 2224. And without the cape, that long diagonal sweep across the bust and the center front seam add to your height and subtract from your weight! Four waistline darts give you all the fit you should have at that strategic point. Select a solid color silk or cotton—if you choose print, small design is safest!

Pattern 2224 is available in sizes 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44 and 46. Size 36 takes 4 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

String Blouse Perfect for Spring Suit

The most exciting blouse news of the season is the lacy crocheted string blouse! But it took the designing ingenuity of Laura Wheeler to develop this versatile one that is as much at home with the sports suit as with the dressy one! Its light won't be hidden under a bushel for long for it's destined for "life in the open" this summer with your silk or flannel skirts! It achieves its tailored-dressy versatility by a clever combination of large meshed yoke and lovely lacy-stitch body. This is Pattern 9832. To get it send 10 cents to the Needlecraft Department of The Statesman.
