Easter Recipes Must be In by 12 o'Clock Today

Hurry with those Easter recipes, because the Round Table contest closes at noon today. Remember, any kind of a recipe is eligible just so it is appropriate for Easter breakfast, dinner, dessert or party refreshment.

Winners of the three cash prizes will be announced Friday morning.

Here are the last of the asparagus recipes:

Asparagus Macaroni Jardiniere

1 can or bunch of fresh asparagus
1/2 lb. macaroni
3 tablespoons butter
3 tablespoons flour
1 1/2 cups milk
1 teaspoon salt
1/2 teaspoon paprika
1/2 cup buttered bread or cracker crumbs
1 hard cooked egg, sliced

If using fresh variety of asparagus, cook in salted water until tender. Cook macaroni until tender, drain and put in a colander, then run cold water through the macaroni in the colander several times to remove all the surplus starch.

Make white sauce of butter, flour and milk and add to the macaroni, together with the asparagus cut in small pieces. Cover with the buttered crumbs; bake in a moderate oven (325 degrees) for 20 minutes. Serve with Hollandaise sauce.

Hollandaise Sauce

Beat 1/2 cup butter until soft, add 3 egg yolks, one at a time, beating very well; add juice 1/2 lemon. Just before serving, add 1/2 cup boiling water, stirring well; place bowl over boiling water and stir until mixture thickens. Be sure to stir mixture hard and constantly while cooking and do not let water touch bottom of bowl; add 1 teaspoon salt, 1/2 teaspoon paprika and serve.

Joy Turner Moses, 335 N. Capitol Street.

Asparagus Rarebit

2 cups canned asparagus
1 cup grated cheese
1 tablespoon tomato catsup
1 tablespoon butter
1 tablespoon flour
1/2 cup milk
1/2 teaspoon salt
1/4 teaspoon pepper
4 slices fresh buttered toast

Melt butter, add flour and mix well. Place in a double boiler, add milk and cook until thick, stirring constantly. Add grated cheese, catsup and salt and pepper. Stir until cheese has melted then add asparagus cut in short lengths and thoroughly heated. Serve on triangles of fresh buttered toast. Fresh asparagus can be used. Canned asparagus is improved in flavor when contents are emptied from can and exposed to the air for 30 minutes. This is a main course dish and is also a meat substitute. Serves 4.

Mrs. Glen Thurston, Scio, Oregon.

Asparagus A La Cream

To prepare asparagus, trim stalks to uniform length, wash and tie with soft string. Cook in boiling water for the first ten

minutes. Just before cooking is completed, salt the water. Drain, untie and season with butter, salt and pepper. Or, if preferred, the asparagus may be cut in inch pieces, add butter and cream sauce. Serve with toasted bread.

Mrs. Alex Rowland, 2230 N. Fourth Street.

Salmon-Asparagus Salad

Flake cold boiled salmon and season with salt and pepper. Sprinkle with lemon juice and mix with thick mayonnaise. Mold on a bed of crisp lettuce leaves, garnish with capers, pitted olives and chopped parsley and surround with asparagus tips marinated in French dressing.

Mrs. E. McManan, Aumsville, Oregon.

Mrs. E. T. Barkus has as her house guest Mrs. Herbert Perry of Tacoma.

Say Mom - I like these Vegetables!

Well, well, even our youngest is able to appreciate the Simmer Burners on my new GAS RANGE!

WHY not cook your vegetables this modern waterless way, too? It's so easy with simmer burners and Portland gas!

- Even non-vegetarian youngsters relish vegetables cooked with little or no water. This modern waterless cooking holds that fresh-from-the-garden taste. Instead of boiling your vegetables, you steam them. This method preserves their natural appetizing colors. And it retains all their valuable, nutritious minerals and vitamins... no more cooking them out and pouring them down the sink.

Waterless cookery is simple and practicable on a modern gas range. With the new simmer burners, it is easy to control cooking heat exactly. This eliminates pot watching — makes your foods so delicious and nourishing.

The use of simmer burners enables you to cook with gas even more economically than heretofore. This is amazing because you can regularly cook with gas for less than any other convenient fuel.

SAVE \$20 NOW!
Promise yourself to see these new simmer burners right away — as well as all the other conveniences available on modern gas ranges. The gas range displays at dealers and in our showrooms are very complete and very beautiful. And the prices and terms are so reasonable that they will fit into the most limited budget. Ask your dealer how you can save \$20 if you buy a gas range now.

YOUR gas range isn't modern if it doesn't have these features:

- AUTOMATIC TOP LIGHTER**
Top burners light automatically when gas is turned on.
- OVEN HEAT CONTROL**
Regulates temperature for baking and roasting.
- SNOKELESS BROILER**
A depression in the pan catches juices; no smoke.
- OVEN INSULATION**
Keeps the heat in the oven where it belongs.
- SIMMER BURNERS**
Make waterless cooking easy; save up to 35% in gas.
