Tompkins Boys Win Awards in Albers Contest

Robert and Raymond Tompkins, 2110 University street are two happy Salem youngsters this week. In competition with youths throughout the Pacific coast district they were adjudged winners in the Carlo secret club contest recently sponsored by Albers Brothers Milling company, makers of "Pearls of Wheat".

For their solution of a jig-saw puzzle they won two attractive prizes: a pair of skates and a hickory stick going to Robert Tompkins and a tool chest to Raymond Tompkins.

David Caplan of Caplan's grocery, from whom the "Pearls of Wheat" package was purchased, presented the prize.

Speech Contest In Polk Schools Now Under Way

DALLAS, May 16.—Entrants in the high school declamatory contest were heard in the humorous and dramatic divisions at the Falls City high school Wednesday evening. Four were entered in each division, representing Dallas, Falls City, Monmouth and Independence high schools. Winners in the humorous division were Virginia Craven, Monmouth, and Margaret Lindahl, Dallas, both awarded first place by a tie vote, and Joan Dickson, Independence, third place.

Muriel Cooper, Independence, placed first in the dramatic division; Kenneth Mulkey, Monmouth, second, and Howard Campbell, Dallas, third place.

300 HOP GROWERS BALLOT UPON CODE

Three hundred referendum ballots from Oregon hop growers have been received in Washington, D. C., and as soon as practically all of the referendum ballots from this state have reached the east, results of tabulation of this vote will be furnished to Ross Wood, president of the Oregon Hop Growers' association. Wood was advised in a letter received yesterday from R. H. McDrew, marketing specialist with the AAA.

Clarification of points relative to foreign buyers in connection with the proposed marketing agreement was contained in a telegram received by Frank Needham from McDrew. He points out that foreign buyers are not prohibited from selling spot or future hops under the code price, but that the grower must receive the minimum code price for such hops.

The telegram on this matter states: "Since foreign buyers are not subject to jurisdiction of the marketing agreement, nothing in the hop agreement prevents such dealers or growers from selling spot hops or futures to foreign buyers at lower than the minimum, although domestic dealers are required to pay the minimum price for such hops if purchased from a grower. Domestic dealers or growers when shipping to foreign buyers become dealers and under clause B, such dealer or grower, under paragraph one, section two, article four, is required to pay the expense contracted."

Another telegram received this week from McDrew by Needham declares that for preventing evasion of the control feature, an agent is made a dealer, but for the purpose of voting, under paragraph one, section two, article three of the code, the principal and agent together are entitled to but one vote.

FINANCING RURAL SURVEY PROBLEM

Plans for raising money with which to conduct a survey of the rural electrification possibilities of Oregon, as ordered by Governor Martin Wednesday, were discussed at a conference in the executive department Thursday afternoon.

F. C. McCulloch, state engineer, predicted that more than \$6000 would be required to make the survey.

C. E. Stricklin, state engineer, estimated that even a greater amount of money would be necessary.

Governor Martin declared that while the matter of raising money might develop complications, the work would have to proceed.

It is possible, officials said, that the emergency board may be called to consider a deficiency appropriation.
