Pattern

—Anne Ott— 2314

By ANNE ADAMS
A dashing little frock, every detail and line of which has been planned to flatter! It's bound to be the pride of your wardrobe. Note the slim moulded neckline and the trimly shirred cap. Every detail does its part. And possibly the best of the many good things about this frock is that it can be made in record time and with beginner's fingers. It's ex-tremely tight sort of dress for all those "afternoon occasions" with which summer abounds. Silk crepe with a white background and pastel flowers would be lovely! Sheer printed cotton in a becoming color for an effective—and less expensive version!

Pattern 2314 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 18 takes 3 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.
