CHICAGO, May 28-(P)-Uneasi-

ness prevailed in the grain pits

today and prices fluctuated frreg-

ularly, wheat futures dipping

fractionally while corn and oats

displayed independent strength.

Some market observers said the

nervousness was attributable to

some extent at least to divergent

views as to the ultimate effect

of the supreme court's NRA de-

cision on business in general and

the grain trade in particular.

Traders were hesitant in express-

ing opinions. A leading firm,

Bartlett Frazier Co., said the de-

cision in effect wipes out the

grain exchange code and the

country elevator code as far as

labor and wage provisions are

concerned but "does not mean

that congress cannot pass laws
