

Spec Keene Given Five Year Contract With Salary Boost

Summer Softball Season Opens With Colorful Ceremonies on Monday

COACH PLEASED AT NEW TERMS

Impressive Record in Nine Years at Willamette's Sport Helm Cited

Roy S. "Spec" Keene, director of athletics and head of the department of physical education at Willamette university for the past nine years, was given a new contract for a five year term, at a substantial increase in salary by the Willamette board of trustees at their annual mid-year session here yesterday.

Keene, who will leave early today to attend a coaching school at the University of Denver, Colorado, expressed himself as pleased with the terms of the contract. The new agreement with the university provides that his salary shall come from the general fund of the university. In his previous contract his income was from three different sources.

Coming to Willamette after a series of ineffectual teams had brought student spirit to a low ebb Keene set out and made Willamette a dominating school athletically in the Northwest conference. In his nine years at Willamette his teams have won nine conference championships.

Nine-Year Record
It is impressive. The past school year has been one of the best with both the football and basketball teams probably the best that ever played for Willamette. This year Willamette's football team has probably the strongest ever developed in the Northwest conference and tied for the championship. The basketball team won the western division of the conference and lost out to Whitman for the crown in a tight three game series.

Keene's football teams have won two championships and have been second four times. In nine years Keene coached grid teams have won 32 conference games and lost 10. Since Keene has been coach at the Bearcat school Willamette has built up the following record in Northwest conference: Against Linfield, never defeated; against College of Puget Sound, won four, lost two, tied one; against College of Idaho, won four, lost two; against Pacific, won six, lost three; against Albany, never defeated; against Whitman, won four, lost five. Three of the victories over Whitman have been in the last three years.

Basketball Record
Is Equally Strong
The first football victory Willamette ever gained over Whitman was in 1929 which was perhaps the peak year of Keene's coaching. In that year Willamette was undefeated in football, baseball or basketball.

Keene's record in basketball is as impressive as his football record. His Willamette teams have won 66 conference games and lost only 19 in nine years. Four conference championships have been won by the Bearcats under "Spec". The record against conference schools is: Linfield, won 14, lost 1; College of Puget Sound, won 15, lost 3; College of Idaho, won 8, lost none; Pacific, won 14, lost 4; Albany, won 8, lost none; Whitman, won 7, lost 11.

Keene's baseball teams have won two conference championships, been second four times and third twice. They have also had their share of victories over Oregon and Oregon State. In the last two years Oregon State has been unable to beat Willamette in baseball.

Chief Little Wolf whoops it up a bit when he steps onto the mat and fastens his opponent's leg in his famous "death grip." Leg by leg, the Chief has waded through the ranks of the "grunt and burp artists" until now he's looking for a match with champ Jim London.

INITIAL CLASH TO BEGIN 8:30

Ticket-Selling Champs and Three Other Teams to Play First Night

Softball — young but potent sport — counts many fans as football, basketball or baseball — will make its summer debut in Salem Monday night when the Salem Softball association stages a colorful opening which includes a parade of all players and sponsors, opening ceremonies and drawing of teams for schedule positions.

The festivities will commence at 7:30 o'clock when the parade of the eight teams, all decked out in flashy uniforms, leaves the Y. M. C. A. to march through the business district to Sweetland field where the first game is scheduled to start at 8:30.

The parade, expected to be one of the most colorful ever to introduce an athletic event in Salem, will be headed by police escort and the Salem high school band. Pade's softball team, state champions, will head the teams with the others following in an order determined by lot. By coincidence the drawing placed the teams almost in the order in which they finished last year.

Pade will be the other teams in the order named: Parker's, Kay Mill, Master Bread, Walt's, Hogg Bros., Eagles and Oregon Pulp & Paper company. Each team will be preceded by a car carrying its sponsor.

Officials Will Be In Reviewing Stand
The line of march for the parade will be from the Y. M. C. A. down Court to Commercial, Commercial to State, State to Sweetland field.

The teams will march past a reviewing stand at the field containing Secretary of State Earl W. Snell, Mayor V. E. Kuhn, Dr. Bruce R. Baxter and officials of the Salem Softball association. After the teams have marched about the field the officials will be introduced and the drawing of teams to play the first game made.

The team which sells the most tickets to the opening night will be one of the four teams to play Monday, while the other three will be drawn immediately before the games commence. All ticket sale reports must be in the hands of Dwight Adams by 6 o'clock Monday night, the deadline for counting.

Many improvements have been made at Sweetland field for this year's softball season. The playing field has been moved toward the center of the grandstand, making all seats equally good and providing extra seating space in the bleachers on the south side of the field.

The field has been put in perfect shape by the groundskeeper and will be watered this year, a main having been installed on the field. Drinking facilities have been provided for men in the Willamette gymnasium and for women in Chresto cottage on the campus.

Selected For Season's Play
Officials for the summer series will be Leo "Frisco" Edwards, Bob Kitchen and Ralph Kaley. Kaley, who came here recently from the east, has had considerable umpiring experience in the east and for two years was one of the officials in the Kansas state baseball tournament. Before an auto accident crippled him he played professional ball.

Players are to report at the Y. M. C. A. at 7 o'clock Monday night.

Bulldog Demands Police Be On Hand to Protect Him in Return Match With Elliott

CORDONS of state police, city police, national guardsmen and even the Canadian Mounties will surround the arena at Tuesday night's American Legion wrestling show at the armory if Bulldog Jackson, who meets Harry Elliott in a return match in the main attraction, has his way.

Jackson says Salem isn't safe for him and demands police protection if he appears here. "I got hit by four chairs thrown by Salem ruffians last week," Jackson said, "and I don't intend to endanger my life anymore."

The Dog, the unhandsome denizen of Grand avenue, believes that he got a raw deal when Elliott was given the victory last Tuesday. "If I can't beat that 'pansy' ten times out of 'em I'll never enter a wrestling arena again," Jackson boasted.

With Jackson holding a grudge both against Elliott and the Salem grapple fans, the return match is expected to be an even more thrilling affair than last week's brawl which ended up in a free-for-all with spectators hurling anything that came handy.

Disface Powers, Canadian caveman, and Dorrie Detton are matched in the semi-windup. This bout, including two of the most spectacular mat pounders on the circuit, is of main event caliber. High class wrestling entertainment will also be seen in the opener in which Young Tarzan meets Larry Tillman, popular grappler from Vancouver.

Noel Franklin, who has had considerable experience officiating in eastern matches, will referee the mat battles.

FANS PICK MAXIE, PULL FOR IRISHER
NEW YORK, June 8.—(AP)—Old man depression himself, James J. Braddock, of Woodcliff, N. J., pokes his big Irish face into the heavyweight spotlight Thursday night to challenge Max Baer for the world's championship, and to find out personally if a man ever does spring from rags to riches almost overnight.

His fight 15 rounds in Madison Square Garden's big bowl on Long Island, and while odd facts make the tiger champion a 5 to 1 choice, there hasn't been a sentimental favorite like this Irish icicle since George Carpenter, or- chid man from France and world war hero, came over to wage a hopeless duel with Jack Dempsey in 1921.

The Garden expects there will be 35,000 there, and close to \$300,000 in the cash box if the weather is good. It seems safe to say that aside from Baer's personal following, there will scarcely be a person in the arena, or outside listening to the broadcast, who won't be sympathizing with the gallant bid of the Jerseyman.

Salem's Juniors Invade Woodburn For Clash Today
The Salem junior legion baseball team will journey to Woodburn today where it meets the Woodburn Jayvils in the third game of the Marion county play-off.

Salem has been defeated by Woodburn and Mt. Angel the other two county teams, and today's game is a crucial one for Salem as a defeat would mean virtual elimination from the race for the county title.

The players will leave from Olinger field at 12:30 o'clock. The game is scheduled for 2:30 at the Woodburn Legion park.

SPORTSMEN WILL CONVENE MONDAY
Plans for adoption of a new constitution will be made at a meeting of the Hunters' and Anglers' club to be held at the chamber of commerce at 8 o'clock.

BOYS' BAND REAL HIT AT FESTIVAL
SILVERTON, June 8.—J. C. Hassentab and his band of 42 boys won over 13, created quite a sensation at the Portland Rose Festival Friday. The band is sponsored by the 4-L local. The boys were togged out in their new uniforms.

CAUSTIC Carries on
Torrid teams to tangle in tremendous tilts—softball opens, in other words, on Monday; tut tut, Bulldog!

By CAUSTIC
Whoops, my dear, and a brace of huzzas. With a ruffie of drums, a fanfare of bugles and noise in other varieties, softball is here again. Well, it's been here all spring but now is the time it really comes to life, with frenzied fans rooting under the lights while torrid teams tangle in tremendous tilts. Monday is the day and 8:30 is the time that the big race for the city softball title starts.

This year there is going to be as much color in softball proceedings that all cash customers will be provided with a piece of smoked glass, a smoked ham, a smoked herring and a glass of saraparilla at the gate (no cover charge). The uniforms the teams are wearing are really very modest and quiet affairs, nothing but reds, greens, yellows and oranges. So quiet, in fact, that the umpires are all going into action with cotton stuffed in their ears. Umpires don't worry about their eyes, because they're all blind anyway.

Bulldog Jackson has got it in for Salem and we don't blame him. How would you like to have your day's work at the office interrupted by your office staff casting cast iron chairs (with or without casters) at you in the hope of doing you bodily injury. In fact, Salem wrestling fans have the Grand avenue bully fearing for his very life. He demands police protection when he meets Harry Elliott in a return match Tuesday, the big sissy.

Salem at Eugene.
Hop Gold at Bend.
Albany at Toledo.

The Salem Senators, in a triangular tie for leadership of the State League, will take to the road today when they travel into Lane county to play the Eugene Townies.

They are expecting to run into some of the toughest pitching they will be called upon to face this year, as Hal Turpin, Coast league hurler who got his walking papers from Portland several weeks ago, has been signed by Don Husband, Eugene pilot. Turpin intends to stay with the Eugene team until he is offered another berth by a Coast league outfit.

Turpin pitched for Eugene last Sunday when Toledo scraped out a 4 to 1 victory over the Townies. He was given an unconditional release by Portland after being taken for six runs and five hits when he went in as a relief pitcher in the ninth inning of the first game of a double-header with Hollywood on Memorial day.

The Senators had little trouble in defeating the Townies in the first game of the season played here but both teams have been greatly strengthened by the addition of new material. In the first game the Townies were handicapped by having had only a week's practice.

Johnny Beck will probably start for the Senators. Bend will entertain the Hop Gold beer barons and the Toledo Mudhens will be host to Albany in the other league tilts.

ELLIOTT BEATS POWERS INDEPENDENCE, JUNE 8
Harry Elliott took the first and third falls from Disface Powers here tonight while the crowd booted Referee Bulldog Jackson for showing favoritism to Elliott. In his own match Jackson took two falls from Dorrie Detton with hammerlocks. Elliott, apparently not believing turn about is fair play, refused to referee the Jackson-Detton affair and Powers officiated. Kileen will feature Elliott and Jackson in another card next Saturday night.

JUNIORS TO CLASH WOODBURN, JUNE 8
The Woodburn Legion Juniors will play the Salem Juniors at the Legion park here Sunday afternoon, the game, beginning at 2:30 o'clock. It is expected that a large crowd will attend this game as it may easily turn out to be the deciding game of the county series.
