Requirement 40 Per Cent Be Labor is Puzzler for Highway Board

How to cope with the latest federal government regulation that 40 per cent of the cost of eliminating railroad crossings in Oregon, including property, shall go into labor, is the serious problem now confronting members of the state highway commission.

This would leave 60 per cent of the total allocation for the We are in the market for Royal purchase of materials and incidentals. The commission previousries for cash. Willamette Valley ly figured that at least 70 per cent of the maney expended on a project was required for materials and other purposes exclusive of as administrator of the estate of labor. Oregon's federal allocation for the elimination of railroad crossings is \$2,350,000. An additional \$3,000,000 was allocated to the state for highway construc-

Officials said they already had assembled a list of 21 tentative crossing eliminations which would cost \$3,250,000. It will be necessary to eliminate approximately today; First Evangelical church one-third of these crossings from . the program to keep within the federal allocation.

Provision also was made in the cation for a marriage license was regulations that 25 per cent of filed with the county clerk here the crossing eliminations shall be penditures be apportioned to railsion. None of the federal money can be used for the purchase of rights-of-way.

'Ninety per cent of the persons employed in the grade elimination program must be taken from the relief rolls and all projects shall be measured on the basis of \$1,-400 per man per year for materials and incidentals.

# Complete Set of Federal Reports

Marion county's law library, supported entirely by fees collected from litigants in circuit court here, was augmented last week by a full set of Federal Reports, containing 278 volumes dating from 1880 when the present reporting system for all fed- thur eral courts—the supreme court a Bedouin Camp," and "At the

The library, one of the largest of any county in the state with the exception of Multnomah, now has an estimated value of \$3500. Most of the books are in Judge L. G. Lewelling's chambers. Sets of books include the Pa-

cific. Northeastern and Northwestern reports, covering sucourt decisions in 26 the standard American Law reports and a complete set of all the reports of the Oregon upreme court. Any lawyer in the county may

ise the library. The new federal reports were Loganberry Code purchased on contract, payment to the publishers being made as the necessary fees are collected at the county clerk's offices.

### side. This is the five-year reunion Improvement in County Schools' Finances Shown

Steady improvement in the financial condition of the school districts of Marion county has been under way this year, Mrs. Mary L. Fulkerson, county school superintendent, reported yesterday. The majority of the districts are on a cash basis and those issuing warrants and marking them offerings and expressions of symnot paid for want of funds are pathy in our recent bereavement having almost no trouble finding in the loss of our husband, fathinvestors who will hold warrants er and brother. until they are paid. Bonded debt throughout the districts of the county also has shown a steady decline.

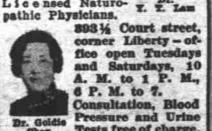

Before the present school year ended, each district had received in full its half year portion of the county school fund and of the state elementary school fund, Two years ago payments of these moneys was delayed until late in the fall because of tax delinquencies,
