## 'BREAK OF HEARTS' AT ELSINORE TODAY

Romantic Picture With Charles Boyer in Katharine Hepburn Starred

All the stirring emotions that throb in human hearts, whether they beat beneath the jeweled bodice of a queen or under the tattered garments of a beggar, are blended into the powerful love drama, "Break of Hearts," which stars Katharine Hepburn and Charles Boyer starting today at the Elsinore.

In "Break of Hearts" audiences experience the thrill of love at first sight; the exquisite stimulus of good music; the burning ambition of a genius to reach the peak of creative power; the complete rapture of a happy marriage; the serene comfort of sincere friendship; the devastating heartache of a lost love and the ecstasy of the rebirth of that love.

Others in the cast include John Beal, Jean Hersholt, Sam Hardy, Jean Howard, Susan Fleming, Helene Millard and Ferdinand Gottschalk. Philip Moeller and Jane Loring directed.

## FUTURE FARMERS MAKE FIELD TRIP

SILVERTON, June 8.—Silverton Future Farmers, Derkel Davis, Tom Miller, Grover Lichty and Leonard Lichty, and Charles Crabtree, the agricultural instructor and his son, David, made a tour on Friday to the J. M. and Cass Nicol, George Hain and B. Larson farms out of Salem and the Alex Lichty farm in Central Howell.

At the Nicol and Hain farms demonstrations were observed on alfalfa culture as portions of a tour under the leadership of County Agent Harry Riches. The interested students brought home samples of first crop alfalfa now measuring 42 inches in height.

The boys and instructor put in considerable time at the Nicol farm looking over the 154 head of the famous prize winning purebred hogs, the 20 acres of alfalfa and the 80 dairy animals which are now being milked at the Nicol dairy.

At the Larson farm observation was made of the crops and livestock projects of the two boys, Bernard and Orville.

At the Lichty farm the young pig crop of Leonard and Grover was observed and counted. Grover raises purebred Poland Chinas while Leonard produces purebred Duroc Jerseys, all as a part of their Smith-Hughes agricultural project activities.

Friday night, nine members of the Silverton chapter, F. F. A. and their instructor, Mr. Crabtree, were guests of the Silverton Hills grange and furnished the program. Those making the trip and taking part in the program were Grover and Leonard Lichty, Derrel Davis, Maurice Benson, Don Hawes, Bill Dunigan, Raymond Farnue, Harold Knies, Tom Miller. Katharine Hepburn is cast with Charles Boyer in "Break of Hearts" at the Elsinore.

## 'VAGABOND LADY' CAPITOL FEATURE

A good plot, plenty of action, and lots of comedy make "Vagabond Lady," the Hal Roach-M-G-M feature, directed by Sam Taylor, one of the fastest moving screen efforts of the season. The comedy is now showing at the Capitol theatre.

The fun starts when Tony, the irrepressible son of R. D. Spear, millionaire department store owner, returns from a round-the-world tour in a sailing boat. He comes home just in time to complicate the wedding plans of his more dignified brother, John, who is arranging to marry Josephine Spiggins, daughter of the department store's highly irresponsible and somewhat riotous head janitor.

Evelyn Venable takes the part of "Jo" effectively, with Robert Young scoring as "Tony" and Reginald Denny playing the dignified "John." Berton Churchill is the elder "Spear" and Frank Craven, "Janitor Spiggins."

## Lintner, 84, Hurt When Load of Hay Topples Over Him

## BURN SMUDGE POTS TO KEEP OFF FROST

HAZEL GREEN, June 8.—The gooseberry harvest is over. Joseph Zielinski had five tons from three acres; Peter Woelke six tons from three acres. The farmers, except those making hay, would welcome a good rain. George Thatch has cut alfalfa. Loganberries were damaged by the frost more than was at first believed. Some living near the Lake Labish have kept smudge going several nights.

The notices for the annual school meeting June 17 have been posted. One director for three years, one clerk for one year will be elected. The budget provides for building a stage and other needed improvements.
