

### Call for Fleece Wools is Active

BOSTON, June 20.—(U. S. Dept. Agr.)—Fleece wools are having a fairly active call. Fine Ohio Delaine was bringing 30-31 cents in the grease, some houses holding firmly at 31 cents. Strictly combing 56s, 3/4 blood Ohio and similar fleeces were moving readily at 31-32 cents in the grease, and some demand was being received on strictly combing 48s, 50s, 3/4 blood at 20-31 cents. Country graded medium bright 3/4 and 1/2 blood combing and clothing fleeces packed together at points in the middlewest were reported in Boston to be firmly held at 20-30 cents in the grease delivered east.

**AUTHOR IS VISITOR**  
ABUQUA, June 20.—Mr. and Mrs. Robert Down of Portland

have arrived here this week and taken up residence at their cabin for the summer vacation. Mr. Down is in charge of the history department at Franklin high school at Portland. He is also author of several books, among them, "The Silverton Country." Mr. Down was born near Down Station north of Silverton.

### Woman is Elected as Director for School

FALLS-CITY, June 20.—Mrs. Richard Pawl was elected to take the place of Floyd Jones on the school board at the board meeting Monday night. Jones was serving out the term of A. A. Pierce, resigned.

The Garden club held its annual plant exchange and tea Tuesday afternoon with a good attendance and return.

### STRAWBERRY DEAL HAS PASSED PEAK

Crop 40 to 50 Per Cent is Reported; Cherries to Start Coming Soon

The strawberry deal has passed its peak in local barrelling plants and canneries, with cherries for barrelling taking the center of attention now. Canning cherries is not yet ripe enough for delivery. Berries will continue to drag along for another week with daily decreasing deliveries.

The extreme heat earlier in the season and lack of rain cut the Marshall crop from 40 to 50 per cent, on the whole, though some few sections report about as many pickings as usual. While it is early yet for a good estimate on drought damage to Etterburgs, some growers report about a 50 per cent yield in sections where this crop also is about harvested.

No announcement on red raspberry prices has been made yet by canners, though buying on an open end contract has been done. The Gresham raspberry deal prices, which largely determines the local price, has not yet been set. No general offer has yet been made on blackberries.

**Hall Hurts Fruit**  
Hall which descended on the Yakima fruit section in form as big as marbles a week or 10 days ago, did considerable damage to later tree fruits there, especially to pears. While a true figure on the loss due to the storm is not yet obtainable, it is presumed damages to the pear crop there may help boost the pear price generally as well as bring a better outlook for the comparatively large "oldover" of 1934 pears.

Apples in the Yakima district were also damaged by the hail, though this damage has not so strong a bearing on the fruit situation as the pear loss which may be suffered. Apples which are badly checked by the hail can go into the can anyway, but not pears.

So far as the apple deal goes, presumably the only Salem canner interested is Paulus brothers which last year put up a sizable apple pack and will handle an apple deal here again this year. The apples came largely from the Yakima orchards, which will supply them again this year.

### Wiederkehr Keeps Director's Work on Sidney Board

TALBOT, June 20.—Sidney school, at its annual school meeting Monday night, re-elected William Wiederkehr director for three years, and Mrs. Rose Gilmore, clerk.

Mr. and Mrs. L. W. Forts and family will arrive Friday from Fresno, Cal., to be guests of Mr. and Mrs. C. F. Johnston for a few days.

Wilson Kee left Saturday morning for a trip to Alaska. The young man has been employed recently at the Northwestern hop ranch.

Helen Blinston entertained members of the Ankeny 4-H calf club at her home Wednesday night.

### Lester Holt Gets Farmer Union Job Resigned by Holt

RIVERVIEW, June 20.—Herbert Kowitz was elected school director to succeed Herman Zeller at the school meeting Monday afternoon. Mrs. Joe Prokop was re-elected as clerk.

Lester Holt has been elected secretary of the local Farmers' Union succeeding S. B. Holt, who with his family recently moved to Salem.

Several farmers in this neighborhood have started harvesting their early hay. Lack of rain has done considerable damage to the vetch and oat hay crop here.

Richard Struckmeir and family of Tillamook have moved to their farm here to live during the summer to harvest the crops.

### All Old Officers are Retained for School

ORCHARD HEIGHTS, June 20. School patrons expressed confidence in their governing boards Monday night by retaining all of last year's members. At Popcorn, A. A. Withers was re-elected director and L. E. Reed, clerk. At the Mountain View school Ammon Grice was retained as director and Glenn Southwick as clerk.

### Girl Judge Hands Out \$25 Fines to Silverton Youths

SILVERTON, June 20.—Silverton's pretty girl justice of the peace, Jane Ann Evenson, 21, this morning conducted with real judicial dignity her first case. As a result, Robert Barkhurst, 21, and Henry Anderson, 23, paid a fine of \$25 each and \$4.75 court costs.

The young men were arrested Wednesday night by Constable S. A. Pitney after a wire they had stretched across the Dunaigan bridge on the Abiqua caught Lela Haggard, one of a group of small girls crossing the bridge, above the eye and inflicting injury necessitating several stitches. Complaint against the youths was made by Mrs. Delia Holm, the girl's stepmother.

The youths admitted guilt, but said in stretching a wire across the bridge they had only been playing a prank. When cars approached the boys, hidden nearby, would release the wire. The specific charge against them was obstructing a county bridge and causing injury to a private person. Judge Evenson, in handing down her decision, gave the defendants a bit of sound advice on future conduct. Miss Evenson is substituting for Judge Alfred White he is out of the state.

### PYTHIAN SISTERS TO TAKE VACATION

SILVERTON, June 20.—Pythian Sister temple No. 21 held its last meeting of the season Tuesday night at the hall with Irene Roubal, most excellent chief, presiding. The Sisters will have a two-month vacation, granted by special dispensation of Grand Chief Barbara Graves. The next meeting will be held the first Tuesday night in September.

At the Tuesday night meeting, the report of the auditing committee showed a financial gain for the temple and that the per capita tax had been paid. The Pythian Altruist club would meet June 27 at the home of Irene Roubal for a garden party. Plans were also made to send the annual Thanksgiving barrel of fruit and jellies to Oregon-Washington Pythian home and members were urged to remember this during the canning season. Elizabeth Cooley was made chairman for this.

A new degree staff has been organized with Nade Grinde as captain and Helen M. Wrightman as musician, which will meet during the summer for practice. Mrs. Rol is also planning a picnic for the members and their families at the city park during the summer, and the group also plan a trip to the Oregon-Washington Pythian home at Vancouver.

### High School Smith-Hughes Students Make \$5994 Profit

WOODBURN, June 20.—J. Sidney Johnson, head of the Smith-Hughes department of Woodburn high school, has released a report of the projects for the year of the class members. The report shows 70 projects begun, of which 59 were completed. The total expense was \$881.29; the total receipts \$4,875.33; the net profit \$3,994.04; the amount paid to the students by themselves for labor \$706.12 and the total project income \$6700.20.

The various projects included market milk, butterfats, helters, weaner pigs, fattening swine, corn, grain, sweet corn, potatoes, alfalfa, onions, spinach, hops, sheep, strawberries, youngberries, loganberries, truck, potatoes undug, filberts, walnuts, poultry, oats and vetch. The largest net profit on any one project was on hops which totaled \$328.59 for four boys; market milk came second with a net profit of \$1035.89 with five boys taking up this project.

The summer program of work which Mr. Johnson has outlined for himself is strenuous and allows only two weeks' vacation.

Crabtree's S-H Work is Held Up as Model  
SILVERTON, June 20.—E. J. Niedertrank, V. C. JIII, Roy Murray and Robert Illiff have been guests at the Warren Crabtree home recently. They were sent to Silverton from Oregon State college to observe the Smith-Hughes work here. Mr. Crabtree has gained the reputation of having one of the best Smith-Hughes departments in the state. The four men will teach Smith-Hughes work elsewhere in the state this autumn.
