Games Sunday

North Marion "A"—Molalla at Woodburn; Salem K. C. at Hubbard.

South Marion "A"—Stayton at Scio; Jefferson at Turner.

Bean League—Shaw at Stayton; Turner at West Stayton; Marion at Scavellhill.

A pennant clash that may not set the welkins ringing all over the world but which will provoke considerable interest in Marion county will take place Sunday at the Woodburn Legion park when Woodburn and Molalla meet for the championship of the North Marion division of the Mid-Willamette league.

The two clubs are tied for league leadership with six wins and one loss apiece. Both have unusually strong teams for small towns. The Woodburn Townies last Wednesday forced the Salem Senators to eleven innings before the Salem club could squeeze out a 5 to 3 victory. The Molalla club, strong all season, has lately been even more fortunate by the addition of Georg Hibbard, Oregon State infielder, and Earl Conkling, Oregon State outfielder. John Perrine, who kept the Senators worried this week and has been doing few-hit hurling all season, will be on the mound for the Townies while Fluke will pitch for the Buckaroos.

The Salem Knights of Columbus, now in third place, will meet Hubbard at Hubbard.

Bean League Closing

The Bean league will also wind up its regular season with Stayton's three games in the lead. Stayton's hold on the championship is threatened, however, by a protest of a game played with West Stayton. If the protest is allowed, Shaw, now second in the standings, and West Stayton would have a chance to even take the undefeated Cannons in the playoff between the two top teams. Stayton is host to Sha. Sunday with Turner playing at West Stayton and Marion at Scavellhill.

The South Marion division has just started on the second lap of its season. Jefferson, tied with Stayton for second place, will attempt to ease Turner out of its hold on the top rungs at Turner while Stayton will attempt to ease Jefferson out of its hold on the top rungs. Wins by Jefferson and Stayton Sunday would result in a three-way tie for first place.

Kay Tossers Beat Bakers By Lone Run

"Shorty" D'Arcy, Kay center-fielder, topped off a perfect night at the plate with a home run in the eighth inning to tie the score and started off a five batting spree that gave the Millers a 9 to 8 victory over Master Bread in a back and forth softball game last night.

D'Arcy had hit safely four times before he stepped to the plate to drive a hard grounder over that knotted the count after the lead had changed three times. Schwartz scored on Reid's single for the winning run. The Bakers cut off two other threatened runs when Moye and Orren were caught off base.

Kay Mill scored twice in the first inning but the Bakers went to town in their half to chalk up five runs on four hits. They added another in the second as did Kay's. Kay's scored in both the fourth and fifth innings and then D'Arcy and Moye scored on Schwartz' single in the sixth to put the blanket-makers in the lead. The Bakers grabbed the lead again in the same inning as Herberger scored on Daniel's three-bagger and the latter scored on the next play.

Parker's defeated the Eagles, strengthened by the addition of Vinile Harriman at short and Busick at first, 6 to 2 in the second game. Lewis, who started pitching in the first inning by Grimes after he had walked five batters to send two runs across the plate. Grimes held the Parker batters to eight hits. Harriman's performance at short was sensational.

Eagles and CCC Will Play Off Tie in Feature Game, Silverton League Sunday

SILVERTON, June 21.—The Brush Creek boys gave the Eagles team a good drubbing in a softball game Thursday night. The Eagles started off with two runs in the first inning, but the boys of Brush Creek came out with several hits and beat the Eagles 10 to 2. The Eagles have lost two games and if they don't beat the CCC boys Sunday they will be out of the running. Silver Falls Timber company and the Artisans are still tied for first place.

The CCC boys came to town Wednesday and cleaned up on the boys from the Broom Handle factory, 25 to 1. It looks as if the boys from camp will be right in there at the finish of the season in Silverton.

The feature games of the season will be played on Eureka avenue field Sunday. At 2 o'clock the Veterans of Foreign Wars team will tangle with the Silver Falls Timber company team in a playoff game. The second game will be between the Eagles and CCC camp. The Eagles tied the fast CCC boys, 4-4 in the last game, so will play the tie off Sunday after the Vets-Timber game.

The Business Men's league is going great. The Pole-Kats from South Water beat the Krazy-Kats from East Water Thursday night, 26 to 4. Main Street Wild-Kats

remain unbeaten in the Kitten league but will be up against a strong bunch of Kats Tuesday night when they play the Pole-Kats on Eureka field at 6:30 p. m. The Wild-Kats will probably need crying towels before the finish of this game.

The Bird league, composed of boys 14 years of age, is also making progress. The Band Owls are tied with the Pelicans for first place. They will play Tuesday afternoon on the Eugene Field grounds at 4 o'clock. The Blue Jays will tangle with the Sea Gulls Thursday at the same hour and same place.

Wayne Scott, playing with the Eagles, is leading the batters of the Association league. In four times at bat he has four hits chalked up to himself. Hilhan of the CCC is playing an excellent game. These boys will be seen in action Sunday afternoon. Dick Aromi and Bill Harris, two boys from the Chicago Junior Legion champions of 1933 will also be seen in action Sunday.

Big Montana Heavyweight Beats Lasky

SAN FRANCISCO, June 21.—(P)—Ford Smith, bulky Kapsipell, Mont., heavyweight, scored a sensational upset here tonight when he won a technical knockout over Art Lasky, heavyweight title contender, in the sixth round of a scheduled 10-rounder.

Lasky was bleeding badly from a cut over his left eye when Referee Toby Irwin halted the contest. The lanky Jewish boy who last April lost a 15-round decision to James J. Braddock in the fight that earned the latter his championship match with Max Baer, was leading, however, when the contest was stopped. With a steady tattoo of lefts and rights to the body, and continually forcing the fight, Lasky had forged to the front at the time the fight ended.

Smith, an obscure member of the heavyweight division, provided a surprise by taking Lasky's heaviest blows and out-boxing the latter most of the time. The big Montana, who weighed 207 pounds, Lasky 197 pounds had a slight shade in the first round but was on the losing side of the next three sessions. Harder punches scored by Smith gave him the initial frame while Lasky was unable to find the range and missed regularly.

Gohen Sued Over Injury in Crash, By Lydia McKay

Lydia McKay instituted suit for \$10,890 in damages here Thursday against Harold Gohen as an outgrowth of an accident May 8. Plaintiff alleges that the defendant failed to exercise due care while driving towards the city on Fairgrounds road late that night. The car in which plaintiff was riding was struck by Gohen's car at the intersection of Jefferson and Winter streets with Fairgrounds road. The complainant allegedly suffered severe injuries which will somewhat handicap her for the remainder of her life.

Of the damages sought, \$355 are for hospital and doctor bills, \$535 are for payments she will have to make in the future for hospital and medical care and \$10,000 are for general injuries suffered.

Owens is Whole Show With Four Firsts in Trials and One Record Already Broken

By RUSSELL J. NEWLAND
Associated Press Sports Writer
EDWARDS STADIUM, Berkeley, Calif., June 21.—(AP)—Jesse Owens, little negro star of Ohio State, gave ten thousand fans today a preview of what may happen tomorrow in the finals of the National Collegiate A. A. track and field championships when he completely "stole the show" to place in four events in the qualifying trials.

Running with the precision of clockwork and jumping into space to take one first in a single jump, the dusky athletic marvel headed rivals in two sprint heats, took his low hurdles trials and rocketed to 26 feet 1 1/2 inches to win the broad jump.

His afternoon's performances overshadowed the efforts of the rest of the field so far the assembled thousands overlooked other outstanding feats and the failure of many crack entrants to qualify.

Virtually relaxed, Owens won the hundred in 9.7 and the 220 in 21.3. In between these events he took one leap to lead the remaining broad jump contenders by more than a yard, clinching his work, the dusky ace raced over the low hurdles in 23.6 seconds to become the most important "one man team" in the finals tomorrow.

His broad jump mark broke the

Bryan Hurls 3-Swat Ball For Beavers

PORTLAND, June 21.—(P)—Portland jumped back into the .500 per cent. column tonight with Ed Bryan's three-hit pitching the big feature of a 4-to-2 win over the San Francisco Seals.

One of the three hits was Joe Marty's home run in the first inning. The Seals got their other two hits in the second inning, but it wasn't until the fourth that a pair of errors gave them their only run.

Portland won the game with a four-hit burst good for three runs in the third inning and added another tally in the seventh. San Francisco . . . 2 3 2

McKenzie River Utility District Proposal Heard

Petitions requesting creation of the McKenzie river peoples utility district in Lane county were filed with the state hydroelectric commission Friday.

The proposed district includes 576 square miles, has 600 population and an assessed valuation of \$1,869,003.

It is proposed to construct lines for the distribution of electricity purchased from the Eugene municipal plant.

old N. C. A. record of 25 feet 10 1/2 inches, established in 1925 by Dehart Hubbard of Michigan.

Behind Owens in individual performances followed Glenn Hardin of Louisiana State, defending champion in the quarter-mile and the low hurdles. Hardin, like Owens, conserved his energy today but won his low hurdles trial after taking second in the quarter. He led in the quarter most of the way but slowed up to let Johnny McCarthy of Southern California hit the tape first. In the low sticks, the crack representative of the Iowa team won going away and loafing in the time of 22.7.

The Hardin-Owens duel in the barrier dash tomorrow is expected to be one of the highlights of the meet.

While Owens was crowding practically all of his rivals out of the limelight, the trials saw the eliminations of several stars through accident, injury or poor performances.

The list was headed by Loren Benke of Washington State college, who tripped on the last hurdle in the lows and failed to qualify.

DETROIT, June 21.—(P)—Lynwood "Schoolboy" Rowe, continuing his return to the great form he showed last season in leading the Tigers to the American league pennant, turned in his third straight winning performance today when he shut out the Yankees 7 to 0 to end the league leaders' six-game winning streak.

Rowe limited the Yanks to four hits, walked only three and struck out seven while the Tiger batsmen were pounding the offerings of Charles Ruffing, Walter Brown and Jimmy DeShong for eleven blows.

The "Schoolboy" looked more like the Rowe of last season than at any time this year. He reached his peak in the fourth inning when he fanned Ben Chapman, Lou Gehrig and Tony Lazzeri, the heart of the Yankee batting order, in succession.

Ruffing was fairly effective until the sixth inning although he was nicked for a run in each of the first two innings. Then he blew up after Charley Gehring socked a home run to start the inning and five Tigers crossed the plate before Brown finally retired the side.

Browns Shut Out
ST. LOUIS, June 12.—(P)—The ill-fated Browns dropped a 3 to 0 decision to the Boston Red Sox today as a violent rain and hail storm cut short their doubleheader after six innings of the opening game had been played.

Reynolds poled a long home run in the second inning and Almada ended the showing with another four-base clout in the sixth shortly before the downpour began.

NEW YORK, June 21.—(P)—The Giants overwhelmed another pennant rival today, trimming the second-place Pirates 11 to 4 for the second straight time, and gained the biggest lead they had held in two seasons.

Mc Ott's 13th home run of the year was the climax of the Giants' early rally. The trouble for Lucas started with two out and one on base in the second. His mound opponent, Clydell Castleman, got a single and Joe Moore was credited with a double when the wind carried his high fly out of Lloyd Waner's control. Then Dick Bartell and Bill Terry cracked a pair of base hits before Ott topped things off with his circuit blow.

NEW YORK, June 21.—(P)—Vernon Kennedy, freshman right-hander, regained second place for the White Sox today by pitching and hitting to a 5 to 3 victory over the Philadelphia Athletics in the third and rubber game of the series.

Jim Fox hit his 13th homer with none on in the ninth. Kennedy singled in his first two trips to the plate to drive in Manager Jimmie Dykes, who had hit ahead of him each time, with the first two Sox runs and later scored the next two Chicago runs himself.

PHILADELPHIA, June 21.—(P)—Paul Dean to the showers in the sixth inning, gave the Phillies an 8-3 victory over the champion Cardinals in the second game of the series today.

Johnny Verges' home run with the bases full and the score tied at 2-2 was the deciding factor in the ray. Jimmy Collins hit his 12th home run of the season in the fifth.

Caustic Carries on

Gotham teams first, Chicago teams second, Philadelphia teams seventh; some odd ball history may repeat.

By CAUSTIC

In three of the five cities that support (read tolerate in Boston) big league baseball clubs the American and National league representatives today are on the same rung of their respective ladders. The New York Giants and the Yanks are both up at the top, a fact which makes baseball fans happy in Gotham and also makes the turnstiles at Yankee Stadium and the Polo Grounds click merrily.

The Chicago Cubs and the once-despised White Sox both climbed into second place yesterday. The Pale Hose did it by beating Connie Mack's Philadelphia Athletics, also in the same relative position with their home town rivals in the National circuit. The Cubs scrambled all over the Boston Braves, who wish they were as far up in the American league as their more prosperous bean eating buddies of the Red Sox are at fifth place. Helping the Cubs get into second position were the Giants who dealt severely with Pittsburgh.

But the American and National league teams that call St. Louis and Boston home do not fraternize. The Braves, who

Needham enters 800-Meter Race Against Medica

PORTLAND, Ore., June 21.—(P)

Win Needham of Salem, holder of the junior national 500-meter swim title, was entered today in the Pacific northwest amateur championships here tomorrow, giving promise of plenty of competition for Seattle's Jack Medica.

Needham was counted upon to press Medica in the 800-meter race in which he will seek two new records, one for that distance and one for the 880-yard race which is just a few yards shorter. He will be clocked at both distances.

LAKE IS NO PLACE FOR BOAT THEFTS

BEND, Ore., June 21.—(P)

A Pennsylvania transient pulled a serio-comic blunder in mistaking Odell lake for a river, and landed in jail today, charged with larceny of a motor boat. A. G. Angell, assistant supervisor of the Deschutes national forest, reported.

The man, who was booked as Paul Bloese, alighted from a freight train at Cascade Summit and made his way to Palmer Cabin. There, officers charged, he took two rifles, a pair of field glasses, a sleeping bag, and, among other things, a motor boat. Odell lake, high in the central Oregon Cascades, is a long body of water and Bloese launched the loot-laden boat and headed west, officers said.

Officers found Bloese seeking a westward passage possibly to the Pacific ocean, which is about 150 miles westward and separated from Odell lake by high mountain ranges.

Ranger R. C. Burgess made the arrest and the transient was turned over to Klamath county officials at Chemult.

Nazarene Choir Offers Program Of Sacred Music

Leading the titular parade is the popular Mr. Kenealy, Los Angeles ace who drives the car owned by Mrs. Fred Roach.

The speedy Californian forced his way to the top by winning a majority of last Sunday's races at Eugene. Woody Woodford, 1934 titlist and now defending champion, is right on the heels of Kenealy in an effort to retain the honor he won last year and now believes that Sunday's race will see him shake off his jinx and outdrive the spectacular Kenealy.

Travel arrangements made through the Union Pacific system call for going east via this line and returning over the Southern Pacific.

PLANS FOR REALTY SURVEY ARE MADE

J. A. Nance of Washington, D. C., who is stationed in Portland to represent the national housing administration, spent Friday in Salem perfecting plans for a real property inventory survey which will be made in Salem.

Henry Wenderoth has been appointed local director. The survey has been made in 63 selected cities of the United States and assemblies information of value in city development and in building.

An organization of some 95 persons taken from the relief rolls will be used to make the survey. A house to house canvass will be made, each householder being asked a few questions as to the character of the structure. Chairmen will locate by measurement the house on its lot. The city of Salem is cooperating in the program, which is wholly under official auspices.

"We believe this will be a valuable thing for Salem," said Mr. Nance. "We ask the cooperation of the householders to give the desired information. The purpose is to compile data respecting the housing conditions in Salem as a typical city, and the information is not used for any private purpose."

The next meeting will be at Silverton park on July 18.

SCOUT TRIP PLANS WILL BE OUTLINED

Detailed plans for the trip to Washington, D. C., offered to 33 Boy Scouts in Cascade area, to participate in the national scout jamboree in August, will be outlined at a meeting at the Rotary club here in another of Bobby Rowe's sensational series of auto racing meets.

The time trials will open the events promptly at 1 p. m. while the first race of a complete program is scheduled to start at 2:30.

In a heated battle for points that count in standings for the 1935 Northwest championship, the contingent of California, Arizona, Oregon and Washington drivers have been providing some of the fastest and most exciting contests ever witnessed in this section.

BONDS TO IMPROVE SALEM'S FINANCES

Passage Thursday of the \$185,000 bond issue for retirement of city warrants may not place the city entirely on a cash basis but it will effect a substantial saving in interest charges.

City Treasurer C. O. Rice commented yesterday. He pointed out that warrants which may be paid off from proceeds of sale of these bonds are those issued between September 5, 1934, and May 8, 1935. The city may have to carry a few warrants until further tax turnovers are received from the county treasurer.

"The warrants are a just debt; we incurred it and will have to pay it back," Rice said. "If we can reduce the interest to 3 per cent, so much the better."

The warrants draw from 5 to 6 per cent interest while the bonds probably will be sold at around 3 per cent.
