## LONE OAK DUST IS TIED DOWN

Rowe's Racers After Title Points in Legion Show at Fairgrounds, 1:15

While spills may not develop there will certainly be thrills when Bobby Rowe stages a complete auto racing program on the Fairgrounds track this afternoon as part of the American Legion's Fourth of July celebration.

Time trials for the race will start at 1:15 p. m. with the main program, including five heat races, two special events and a 25-lap feature contest, will get under way at 2:30 o'clock.

Entry of 15 Cars

**Is Guaranteed**  
The entry list includes 21 cars and Bobby Rowe has guaranteed that at least 15 of them will appear. Drivers of the cars will include many of the state's foremost speed pilots.

Among the starters signed for the feature contest are: Jimmy Wilburn, Seattle; Mel Kenealy, leading for northwest title; Jack McDowell, youthful Oakland driver; Woody Woodford, defending champion; Roy Earnstrom, Portland star, and Louie Webb, Oakland.

The above six racers are expected to be the main contenders in the 25-lap thriller. At the last speed bowl event in Portland these drivers went through two 20-lap races without more than 200 yards separating the leader and the sixth man at any time.

Other drivers in this event will be Les Anderson, Vancouver; Clark Stron, Portland; Armand Millen, Portland; Larry Wright, Portland, and Charlie Nelson, Today's Races Count

**Toward Title**  
Points gained in today's races will count toward the 1935 racing crown. Jimmy Wilburn, who averaged nearly 95 miles an hour in the last Speed Bowl event, is now leading in points for the trophy.

To insure the comfort and safety of spectators, precautions have been taken to keep down the dust and strengthen guard rails about the track. Calcium chloride, sprinkled on the track, serves to hold down the dust through its property of attracting moisture.

## MAPLE TO MANAGE ROCK ISLAND CLUB

Howard Maple, member of the Willamette university coaching staff and professional baseball player, last Saturday took over the management of the Rock Island club of the Western League, for which he has been catching this season, it was learned yesterday.

Maple canceled negotiations he had been carrying on with the Charleston club of the Middle Atlantic league to take over the pilot job there when he was offered the Rock Island post.

Rock Island is now in the cellar of the Western league, a class A circuit, and has been having tough going all season. Maple will be the third manager for the club this season. He succeeds Karl Swanson who succeeded Tommy Taylor on June 16.

**Traded by Baltimore**  
Maple, who played quarterback at Oregon State several years ago, was traded to Rock Island by the Baltimore club of the International league. Before being shipped to the minors Maple was relief catcher with the Washington Senators for a season.

## SOX EYE CUYLER

CHICAGO, July 3.—(AP)—Hazen "Kiki" Cuyler, veteran outfielder with the Chicago Cubs, given his unconditional release today, may continue to wear the spangles of a Chicago club in major league warfare. J. Louis Comiskey, owner of the White Sox, tonight telegraphed the veteran star in Cincinnati that he was interested in obtaining his services.

## Kirkpatrick Beats Hurdle Record But Wind Bans Him From Crown; Shoemaker 4th

LINCOLN, Neb., July 3.—(AP)—Leroy Kirkpatrick, a California Prep school youngster competing for the Olympic club of San Francisco, scissored over the 120 meter high hurdle in the world record equalling time of 14.2 seconds today, only to be thwarted of recognition by a stiff wind in the junior track and field championship of the amateur athletic union, in the University of Nebraska stadium here.

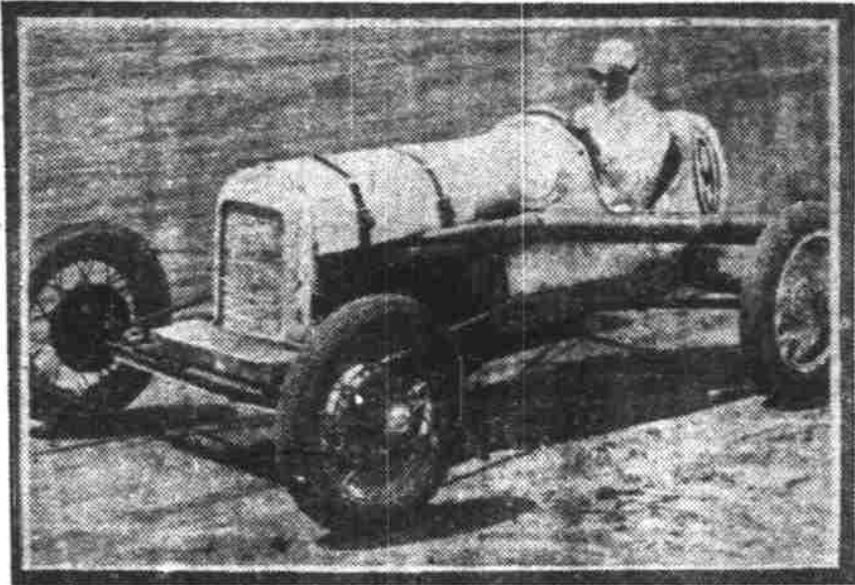

His record performances in the field events were recognized. Six of the record performances, officials announced, will stand, the 10-mile an hour breeze having been of no help to their makers.

Newell Rushforth, a tall youth from the University of Utah, cleared 6 feet, 5 1/2 inches in the high jump, to displace the old junior mark established by Cornell Cooper of Pittsburgh, at Chicago in 1933.

**Cruikshank Double Winner**  
Big Chester Cruikshank of the Denver A. C. not only came up with a meet record performance of 153 feet 6 inches in the discus throw, but was the only double winner of the day. The Denver husky also won the hammer throw with a toss of 165 feet 3 1/2 inches. In addition to his pair of victories, Cruikshank landed second in

## State Archers Arrive Today

At least 15 speed demons will be at the helms of fast motor buggies such as Dave Dispalito of Tacoma, Wash., above is driving, in this afternoon's auto races sponsored at the state fairgrounds by the American Legion in connection with its independence day celebration.

## Southpaw Leather Punchers To Battle in 'Frisco Today

By RUSSELL J. NEWLAND

SAN FRANCISCO, July 3.—(AP)—Two bustling left handers, leading exponents of the southpaw boxing stance and outstanding challengers for the middleweight title, will match ring craftsmanship here tomorrow in a ten-round bout bringing together Lou Brouillard and Young Corbett.

Not since "Tiger" Flowers knocked out Johnny Wilson in 1924, have two such highly rated unorthodox stylists crawled through the ropes for a joust of leather gloves as the encounter that will provide a highlight of San Francisco's July Fourth celebration.

Between them, the pair have held three championships. Brouillard, a chunky French-Canadian

from Worcester, Mass., won and lost the welterweight and middleweight crowns during a fairly short but brilliant career and has since steadily punched his way back toward another crack at the latter title.

Corbett, Fresno Italian, was knocked out by Jimmy McLarnin in his first defense of the welterweight championship but his comeback campaign in the middleweight division has been a winning one.

The "Battle of the Southpaws" will pit Corbett, the master boxer, against Brouillard, the puncher. Local sentiment, combined with the fact he has never lost a fight in San Francisco, probably will send the Fresno man into the ring a 10 to 7 favorite.

## Umpire Tiff Flares Again, Ducks Beaten

SEATTLE, July 3.—(AP)—Seattle won another Coast league ball game from Portland tonight, 5 to 3.

Seattle led 5-0 at the end of the sixth. It was in that inning that Bottarini smacked out his seventh homer for Seattle this season.

Portland held the Indians scoreless after that. In the seventh, Manager Bill Cissell homed for Portland with Clabaugh on base.

**Kelly Again Scored**  
Umpire Kelly, over whom a near riot was staged in Portland last week, was the target for angry ducks again tonight. It was in the ninth, Ulrich, Portland pitcher was at bat with two strikes on him. The next ball was low. Umpire Fanning, behind the plate called it a ball. Seattle squawked and Dutch Reuther asked Fanning to get Kelly's opinion.

Fanning obliged and Kelly started the debate by asserting that Ulrich's bat had crossed the plate, making it a strike. Ulrich was out and Kelly had accumulated no more love from Portland.

## Minor Rule Bans Hobo Carson Swap

PORTLAND, Ore., July 3.—(AP)—A new minor league baseball rule nullifies the recent swap which sent Pitcher Harold "Hobo" Carson back to Seattle from Portland for Outfielder Harry Rice.

E. J. Scheffer, Portland owner, said he was advised by Judge Branham, the big chief of the minor leagues, that no player traded by a club may rejoin that club the same season. The rule was adopted only recently. Carson started the season with Seattle, then was traded to Portland and back to Seattle.
