NEW YORK, July 5-(AP)-Relatively light demand in the stock market today was enough to push many leaders ahead fractions to

around 4 points each. Turnover in the stock exchange was well under the million mark at \$77,730 shares. The Associated press average of 60 stocks was .6 of a point higher at the close at 44.9 The fifteen utilities used in the average edged .2 of a point to 33.1, a 1935 peak. The best gain for the day, however, was the 1.1 point advance in the 39 industrials at 61.4, only .2 of a point away from the year's best.

Steel Shares Bought. Steel shares, brokerage circles reported, were being bought by some traders and investors on the theory that with most auto concerns preparing to turn out their new models in October rather than at the year-end, demand for steel from that source should shortly show a sharp pick-up. Lifts of 2 to 4 points appeared in such stock market leaders as

Allied Chemical at 156, Westinghouse at 56 1/2, American Can at 141%, Chrysler at 50%, U. S. Steel preferred at 90% and Bethlehem at 75. Gains up to 2 points were registered by U. S. Steel at 35 1/8. American Telephone at 128, American Tobacco "B" at 94%, Inland Steel at 60, Liggett & My-

ers "B" at 115, Bethlehem at 29,

National Steel at 50, Internation-

al Harvester at 46 % and Ludlum
