First Outdoor Baptism in Years Draws Large Crowd

NORTH HOWELL, July 10.—The revival meetings which have been in progress at the church for the past three weeks have closed and the members observed a baptism service Sunday on the Abiqua river, near the Mt. Angel highway. It has been many years since an out of door baptism ceremony was conducted in this community and a large crowd of onlookers and participants gathered.

All spring plantings, especially barley and alfalfa, potatoes, corn and fruit were much benefited by Sunday's showers. Corn looks more than "knee high" by the fourth of July. Loganberries are still being picked and will probably continue for another week after this. The crop is very good—a welcome change from the poor strawberry crop of last month.
