CHICAGO, July 12 .- (AP)-Auspicious conditions prevailing at least temporarily both for the domestic winter wheat harvest and for spring wheat progress caused material breaks in wheat values

Sharpest downturns of Chicago wheat prices came just at the last, with enlarged selling because of pronounced weakness shown by Kansas City and Minneapolis markets alive. Contributing momentum to the downward swing of prices was evidence of unabated bearish influence of the United States government's unexpectedly optimistic latest appraisal of the country's general crop

prospect. Wheat closed shaky at the day's lowest level, 1 % -2 % under yesterday's finish, Sept. 82 1/4. corn unchanged to 5% down. Sept. 74 1/2-5%, oats 3/3-5% off, and provisions unchanged to 7 cents de-

Closing quotations: Wheat: July, 81%; Sept., 82-1/8-1/4; Dec., 83 1/2-1/8. Corn: July, 81%; Sept., 741/2-%: Dec., 62 % - 7s. Oats: July, 33 14; Sept., 31 1/8;
