CINCINNATI, July 16.—(AP)—Samuel Dewey Byrd, who spent much of his time with the New York Yankees sitting on the bench, came up to bat twice with the bases loaded today and each time he delivered to lead the Cincinnati Reds to their second straight victory over the New York Giants. The score was 7 to 5 with Byrd driving in five of the Reds' runs.

The victory, Cincinnati's seventh straight, boosted the Reds to within four games of the fourth place Pirates. The defeat ran the league leaders' consecutive losses to three.

Pat Landsdowne Wins Fast Clean Bout Over Rob Roy; Slides Out of Death Grip

The English are smart people. At least, Lord (Pat) Finnegan Landsdowne summarily proved that statement last night at the armory when he capped a dazlingly swift main event by tying himself in a knot, wriggling out of a supposedly unbreakable Indian death lock wielded by Rob Roy, and taking the third round and decision with a rope flip in 10:50.

Despite a blinding cut at the side of his left eye, sustained when he and Roy bumped heads in the second period, the curly-headed duke from Barrington tore into the third round, got first a reverse, and then a straight, surf-board, rolled out of that into a hammerlock, became tied at something, and smothered Rob Roy with a series of lefts and rights to the body. He came out of the resultant clinch, lunged for the Robin's legs, and rolled into the death lock, a hold which had cost him the second round.

M'CARTHY SIGNED, 2-YEAR CONTRACT

NEW YORK, July 16.—(AP)—The answer to any and all conjecture about the future leadership of the front-running New York Yankees, including talk of a comeback by Babe Ruth at the old stand, was furnished today by the re-engagement of Joe McCarthy as manager.

McCarthy, who took charge of the Yankees in 1931 after closing a stormy session with the Chicago Cubs, signed a two-year extension of his contract, covering 1936 and 1937, following a conference with Colonel Jacob Ruppert before today's game. It was understood Joe will continue under the same salary, \$35,000 annually.

Ruppert's surprise action was accepted as a complete vote of confidence in the McCarthy regime.

MASTER BREAD TO MEET HOGG SQUAD

Hogg Bros. softball nine and the Master Bread team will clash at 8:30 o'clock in the feature contest of tonight's softball program. Hogg Bros., with a number of hard hitters, promises to be in the running for the second half championship. Master Bread took a defeat from an old man's team last week but was without the services of Bahiburg, its regular pitcher. Bahiburg has one of the fastest deliveries in the league and is hard to hit when in form.

Parker's will play the Paper-makers in the second game, which will get under way about 9:45 o'clock.

NEW YORK, July 16.—(AP)—Johnny Allen, the man who came back, turned in his best pitching performance of the season today as he shut out the third place Chicago White Sox with two hits and the New York Yankees took the final game of the series 2 to 0.

The victory coupled with the defeat of the Tigers by the Athletics boosted the Yankees' lead to two and one-half games.

The Sox gave the Yanks a close fight, however, "Silent" John Whitehead yielding only six hits. Two of them, singles by Saltzgaver and Combs, coupled with an error and wild throw by Whitehead and a base on balls gave the Yanks both of their runs in the fifth.

Caustic Carries on

The campaign for positions on the Chicago Tribune's all-star team has only four more days to go. The campaign to put Loren Grannis on the Tribune's map has been gathering head-creative reported last night that a block of 300 votes for Grannis had been turned in to the Oregonian from Portland supporters. George Self, who has taken on himself the job of rounding up votes for Grannis yesterday mailed some 750 votes.

All the petitions circulated here have been for Grannis alone but for the next four days they will bear also the names of Butch Morse of Oregon for end and Hal Pangle of Oregon State for quarterback. All three have a fighting chance to get back to Chicago for a few weeks board and room on the Chi Trib. Be not dismayed by Dixie Howell's thousands of votes, for four men are picked for every position. Votes for guards don't roll in as spontaneously as those for the more flashy backfield positions and Grannis still has a chance.

LITTLE BACK HOME, DISDAINS FANFARE

NEW YORK, July 16.—(AP)—Traveling third class with the tourist trade to save \$22 daily, W. Lawson Little, Jr., arrived today on the Majestic from England, disdaining any fanfare over his accomplishment of capturing the British amateur golf crown for the second straight year.

Little said he planned to remain in the east a week or two, then stop off in Chicago for a golf lesson from Tommy Armour before returning to his home in San Francisco. He is not satisfied with his grip in hitting full shots and hopes Armour can straighten out this difficulty.

"I hope to win at Cleveland," he said, referring to this year's national amateur, "but hardly expect my luck to carry me through four championships in a row."

FUND FOR INJURED PLAYERS PROVIDED

Salem's finest were wondering yesterday as they came into the comparatively cool police station (because it houses the cooler) whether the bullet proof vests the city council may make part of their equipment are exactly the thing for summer wear. The question was whether it were better to go without a vest and be vented by some mobster's bullets or to wear a vest and never be ventilated. One officer thought the expense would be an item to consider also for, said he, it would take 18 vests and two for Frank Winslow.

Several players have already been injured this season and have received benefit of the fund. The league also maintains a complete first aid kit at the field. This has been used several times already but league officials hope it will not be called into use often.

FINED FOR DRUNKENNESS

SILVERTON, July 16.—Lawrence Johnson pleaded guilty Monday morning to a charge of drunkenness and paid \$5 and costs. The case was heard before George Custer, police officer.
